THE TECHITE 1927

FRANK C. DANIEL

Principal

Mr. Daniel is now rounding out his sixteenth year as principal of Tech, having been elevated to that honored position in 1911. He is a native of Washington, having received his high school training at Central, where he held the rank of Colonel of the cadet corps in his senior year. He next attended Dickinson College in Pennsylvania from which he graduated an honor student. Tech first received his services as a teacher of sciences and mathematics in 1902. Later he became head teacher of the mathematics department at Tech which office he held until he was promoted to his present position. Of late Mr. Daniel has been intensely interested in the erection of Tech's new home, a dream which has materialized through his efforts.

FRANK A. WOODWARD

Assistant-Principal

Undoubtedly, our assistant-principal, Mr. Woodward, needs no introduction to any of Tech's friends. From the time that Mr. Woodward first became affiliated with Tech and her children, he has steadily climbed the ladder of popularity through his unfailing efforts toward exactness and fairness in his dealings with Tech's students. He is, beyond a doubt, one of the most highly honored and esteemed of Tech's faculty. His guiding hand has often straightened out the course of misled students. The memories of their associations will ever linger in the minds of past and future Techites. With the advent of the parting of our ways, we shall forever praise our dearest friend, Mr. Woodward.

JESSIE C. COOPE

Dean of Girls

It is with pride that we formally present to the student body Miss Coope, the Dean of Girls at Tech. Previous to becoming Dean of Girls, Miss Coope was the physical training instructor of the girls. She has attended the Boston Normal School of Gymnastics, Wilson College, Massachusetts Institute of Technology, Harvard Summer School, and George Washington University.

The greatest of all her accomplishments is that she has made everyone admire and respect her. No matter how pre-occupied Miss Coope may be, she is always willing to help out one of "her girls." The most appropriate phrase with which we can characterize Miss Coope is—"To know her is to love her".

THOMAS a'BECKET

(TOMMY)

Section President 6 Semesters; S. O. S. Representative 1 Semester; President Joseph H. Daniel Glee Club 2 Semesters; Secretary-Treasurer S. O. S. 2 Semesters.

Now Tom is exceedingly bright,
And English is his great delight;
His S. O. S. work
He never does shirk;
In Glee Club his singing's all right.

CHARLES ROBERT ACHSTETTER

Cadets 2 Semesters; Honor Roll 1 Semester.
Now Charley ne'er works very hard,
So dreads to see his report card;
Though he's rather meek,
With girls he's a sheik;
For books he has not much regard.

EDITH MIRIAM ADAMS

Opera Club 8 Semesters; "Robin Hood"; "Pirates of Penzance"; "The Gondoliers"; "Iolanthe"; Honor Medal; Dramatic Club 8 Semesters; "Comedy of Errors"; "Clarence"; Vaudeville—'25, '26; Honor Medal Science Club 2 Semesters; "Techite" Staff; Girls' Rifle Team—'24, '25; Minor "T"; Honor roll 7 Semesters; Pharos 4 Semesters.

Our Edith is quiet and sweet,
The braids of her hair are so neat;
As an opera star
She'll go very far;
A girl of her type's a rare treat.

LEROY HAMILTON ADAMS

(BEADY)

Beady is a boy with a smile
Who played at tennis quite awhile;
He's good in all sports,
Though not in reports;
If you need him he'll walk a mile.

HOWARD FRANKLIN ALLARD

(ICKY)

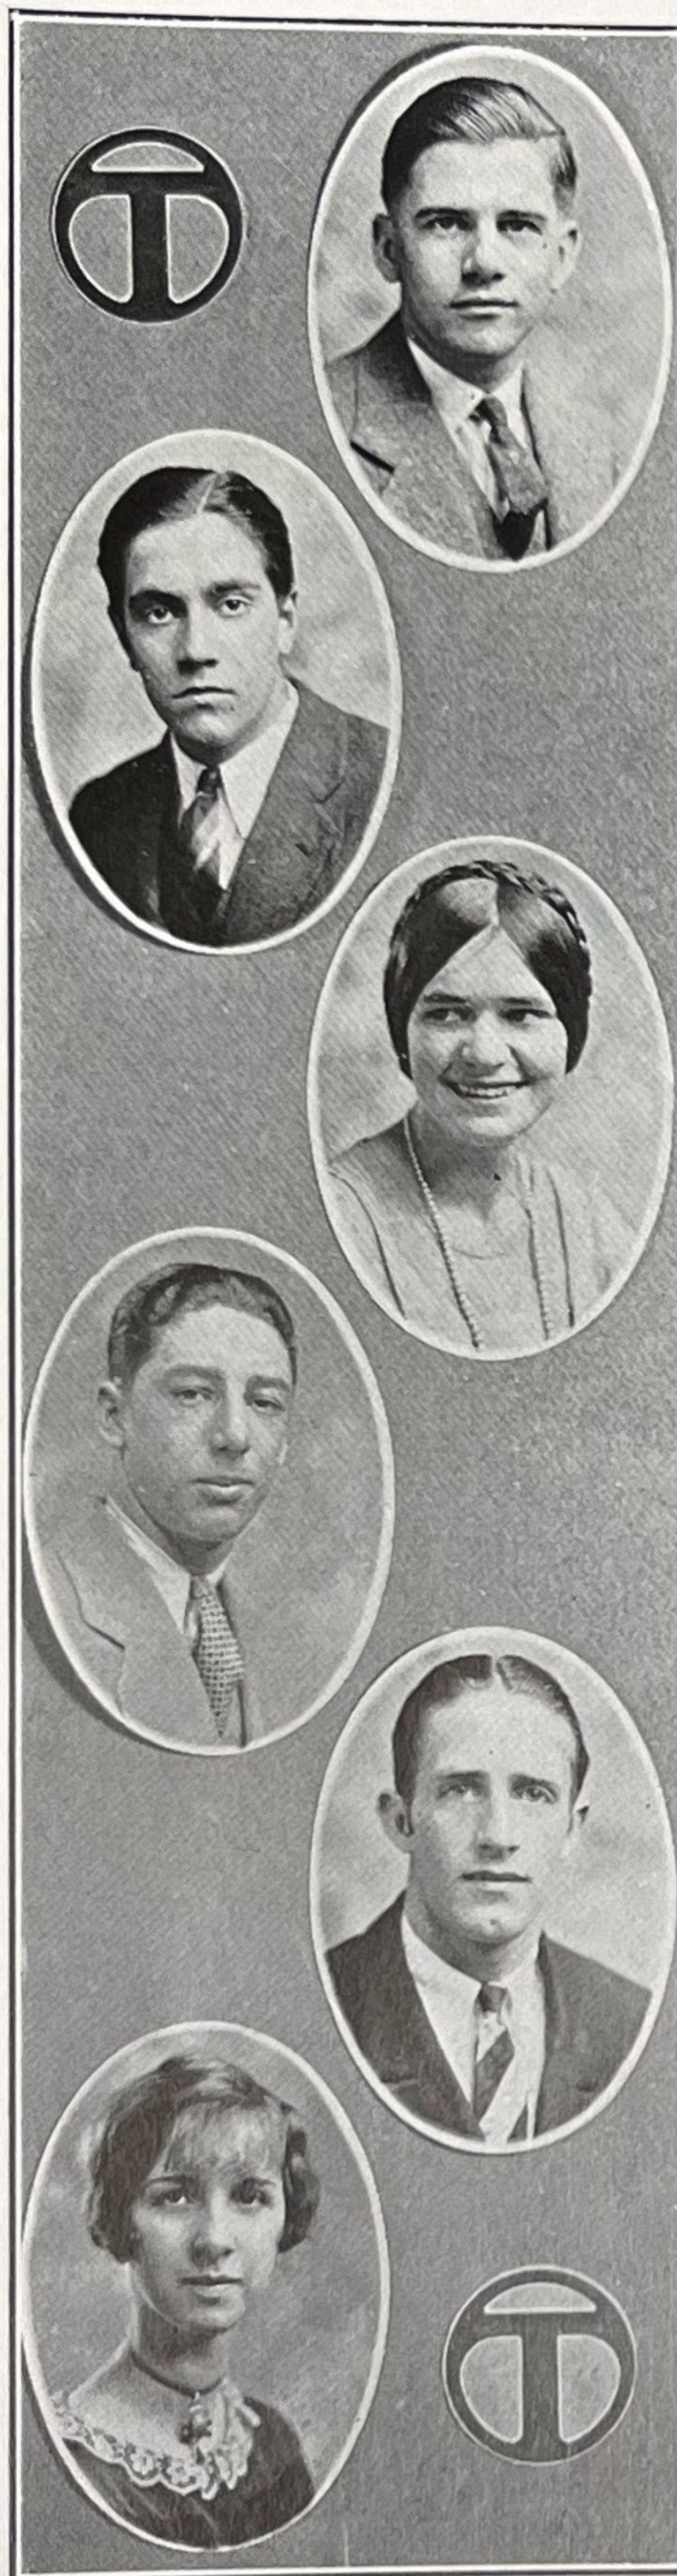

Cadets 6 Semesters; Senior Corp.; Ribe Team 2 Semesters; Pals and Palettes; Boys' Glee Club.

A great camper is this big boy;
He's good looking and full of joy.
His art is "darn" good
And we know he would
Help us a good time to enjoy.

VIRGINIA ALLEN

Dramatic Club 2 Semesters; Basketball—'23, '27; Vice-President Girl Reserves 1 Semester.

Now here's one whose statue is tall,
But none of us mind that at all;
Virginia is shy,
And we wonder why
For she is so charming to all.

Thomas a'Becket

THE TECHITE 1927

ANITA FRANKLIN HILL ANDERSON

(ANITA)

Opera Club 8 Semesters; "Pirates of Penzance"; "Chimes of Normandy"; "Robin Hood"; "The Gondoliers"; Honor Medal; Pals and Palettes 7 Semesters; President 2 Semesters; Pharos 3 Semesters; Honor roll 5 Semesters.

Anita's a charming young girl
Who still wears her hair in a curl;
She's been to "Paree",
The sights for to see,
Since then her head's all in a whirl.

WILLIAM JOHNSON ARMSTRONG

(BILL)

Dramatic Club 2 Semesters; Football—'26; Boys' Glee Club 2 Semesters; Joseph H. Daniel Glee Club 3 Semesters; Tech Life Representative 4 Semesters; Business Manager "Techite"; Chairman Senior Luncheon Committee; "Clarence."

Up the hills of Virginia, and down,
Comes a Ford bearing Bill into town;
Comes this faithful wreck
To the halls of Tech
Where Bill's work has brought him renown.

BERTHA KATHERINE BABINSKI

Opera Club 2 Semesters; S. O. S. Sewing Club; Graduating in three and one-half years.

Now Bertha is quiet and pretty,
To those whom she knows, she's quite witty.
Her long raven hair
Must be more a care
Than all the bobbed heads in the city.

JAMES CHESTER BIBB

(JIMMIE)

Band '23, '24, '26, '27; First Sergeant Band '26, '27; Orchestra '26, '27; Winning Band '23, '26; First Lieutenant '27; Tech Life Staff '27; Vice-President Orchestra '27.

This lad's a musician 'tis true,
There's hardly a thing he can't do;
In civics he's bright,
If he doesn't recite;
Achievements by him are not few.

MARY ELIZABETH BIBB

(MARY)

Opera Club 2 Semesters; "Pirates of Penzance"; Tech Life Staff 3 Semesters; General News Editor '27; "Techite" Staff; Girl Reserves 2 Semesters; S. O. S. Representative 3 semesters; Honor Roll 3 Semesters; Banking 2 Semesters.

Our Mary's a charming young girl.
Her hair has a soft natural curl;
She's wonderfully wise,
Has lovely brown eyes;
She sets all the boys in a whirl.

CATHARINE BIRCH

Dramatic Club 6 Semesters; Vaudeville '25, '26; Opera Club 6 Semesters; Principal "The Gondoliers"; Principal "Iolanthe"; Orchestra 6 Semesters; Tennis Tournament '26; Pals and Palettes 2 Semesters.

A real opera star is Miss Birch,
Who sings like a lark from her perch.
Her beauty is rare;
She's talented and fair.
Without her, we'll be in a lurch.

THE TECHITE 1927

RUTH BITTING

Basketball '26, '27; Dramatic Club 2 Semesters;
Opera Club 1 Semester; Tennis '26.

A charming young maid you would meet
If you found our Ruth who's so sweet.
She's jolly and gay,
And has a nice way;
She's style from her head to her feet.

ORIN WILLIAM BLANDFORD

(HONEY)

Track '24, '25, '26, '27; Circle "T" '26; Circle "T"
Club '26, '27; Champion Team '25, '26; Cadets 8

Honor Medal; Tech Life Representative 3 Semes-
ters; Section President 2 Semesters; Opera Club 4
Semesters; "The Gondoliers"; "Iolanthe"; Cheer
Leader '26; Honor roll 1 Semester.

Our Orin's a dashing cadet,
And one of the best that we've met.
His judgment is great,
He never is late,
So he'll make his mark you can bet.

WILLIAM BLUM, Jr.

(BILLY)

Graduating in three and one-half years; Dramatic
Club 1 Semester; Glee Club 2 Semesters; Joseph H.
Daniel Glee Club 3 Semesters; Secretary '26; S. O.

sentative 2 Semesters; Cadets 5 Semesters; Second
Place Battalion '26; Second Place Regiment '24;
Track Team '26; Tennis Tournament '26; Cheer
Leader '26, '27; Opera Club 1 Semester.

Now Blum is our bright little man,
Who studies the best that he can.
He has a good mind,
Yet he isn't a grind
And he is a Chemistry fan.

HARRY JOY BOOTH

Now here is a manly young lad,
Whose manners and ways are not bad;
Though silent and shy,
He never did lie;
We hope that he'll never be sad.

HAZEL COLLIER BOYCE

(HAY)

Basketball '26, '27; Dramatic Club '23, '26, '27;
Opera Club 8 Semesters; Honor Medal; Treasurer
'24; Secretary '26; Principal in "Pirates of Pen-
zance"; "Robin Hood"; "Chimes of Normandy";

Seventh and Eighth Semester Class; S. O. S. Rep-
resentative 3 Semesters; Tech Life Representative
1 Semester; Honor Roll 7 Semesters; Secretary
Pharos '27; Vice-President Bank '27; Champion
Basketball Team '27.

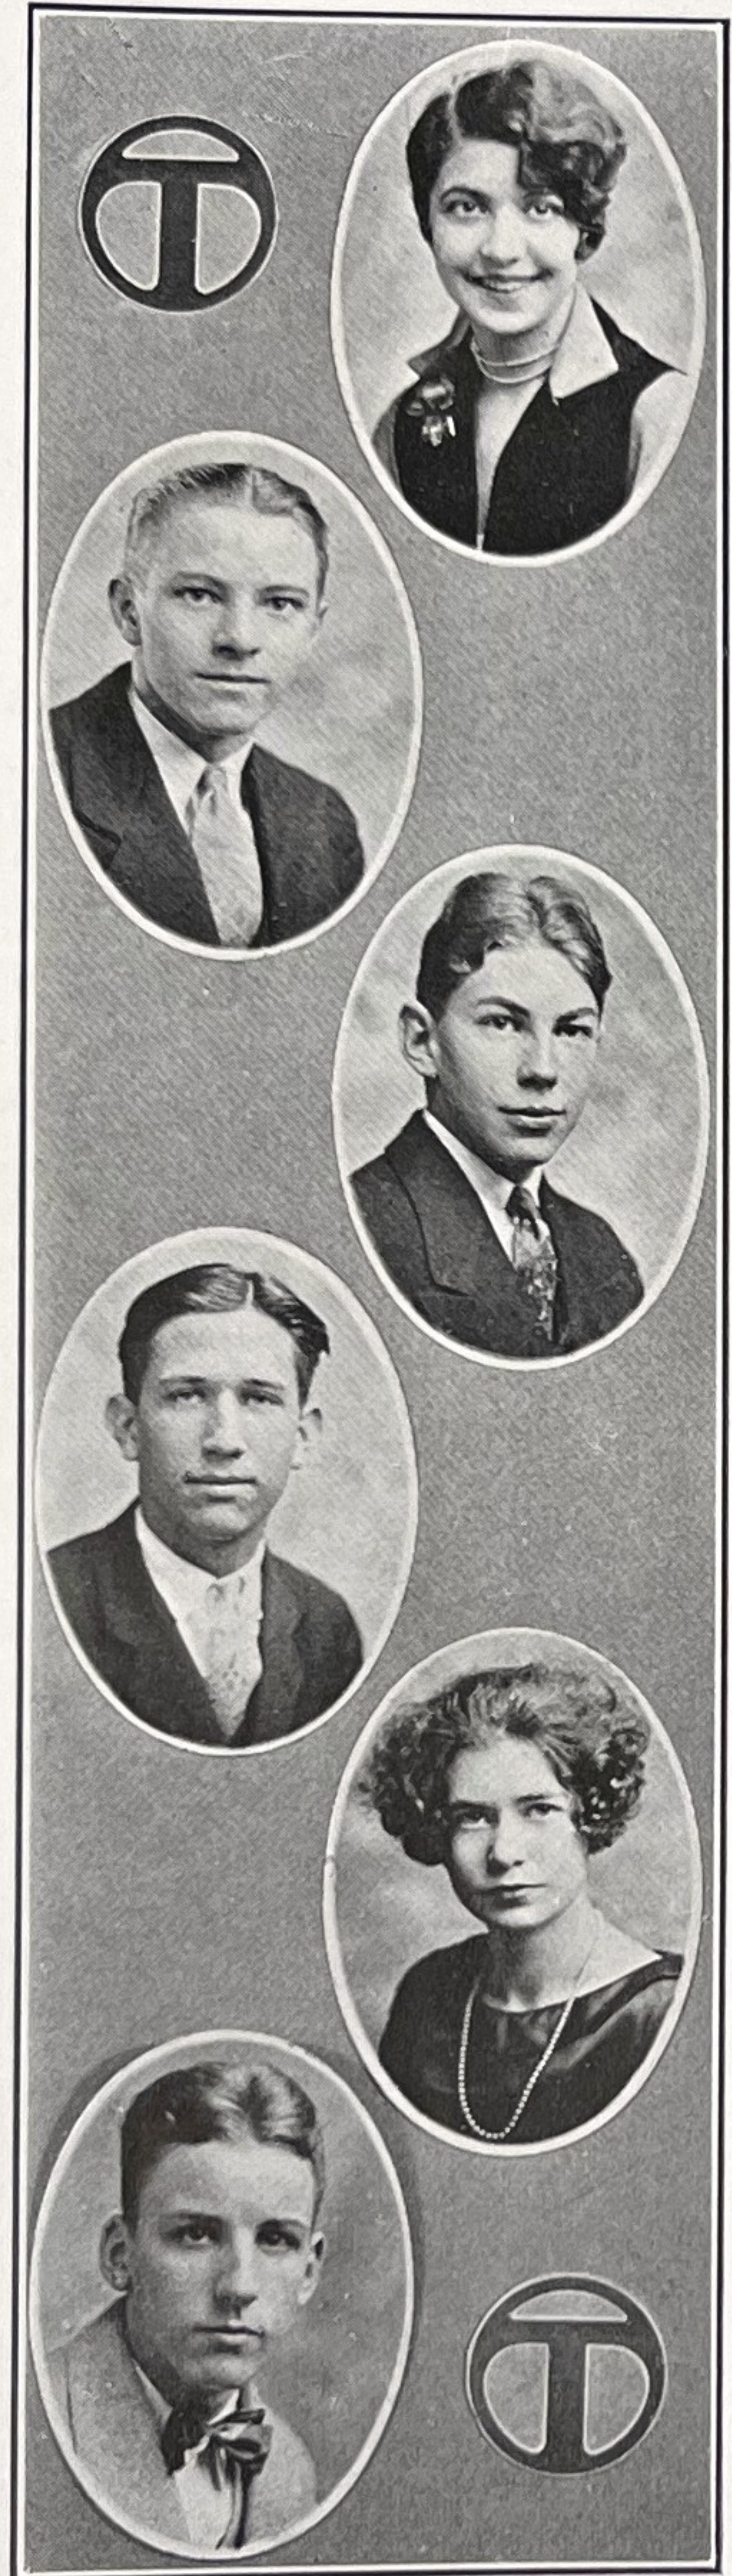

Our Class boasts of "Miss Hazel Boyce"
Who has a melodious voice.
She has charming ways,
Adds to all the Spring Plays.
We're glad that she made Tech her choice.

JAMES CHRISTOPHER BRADLEY

(JIMMIE)

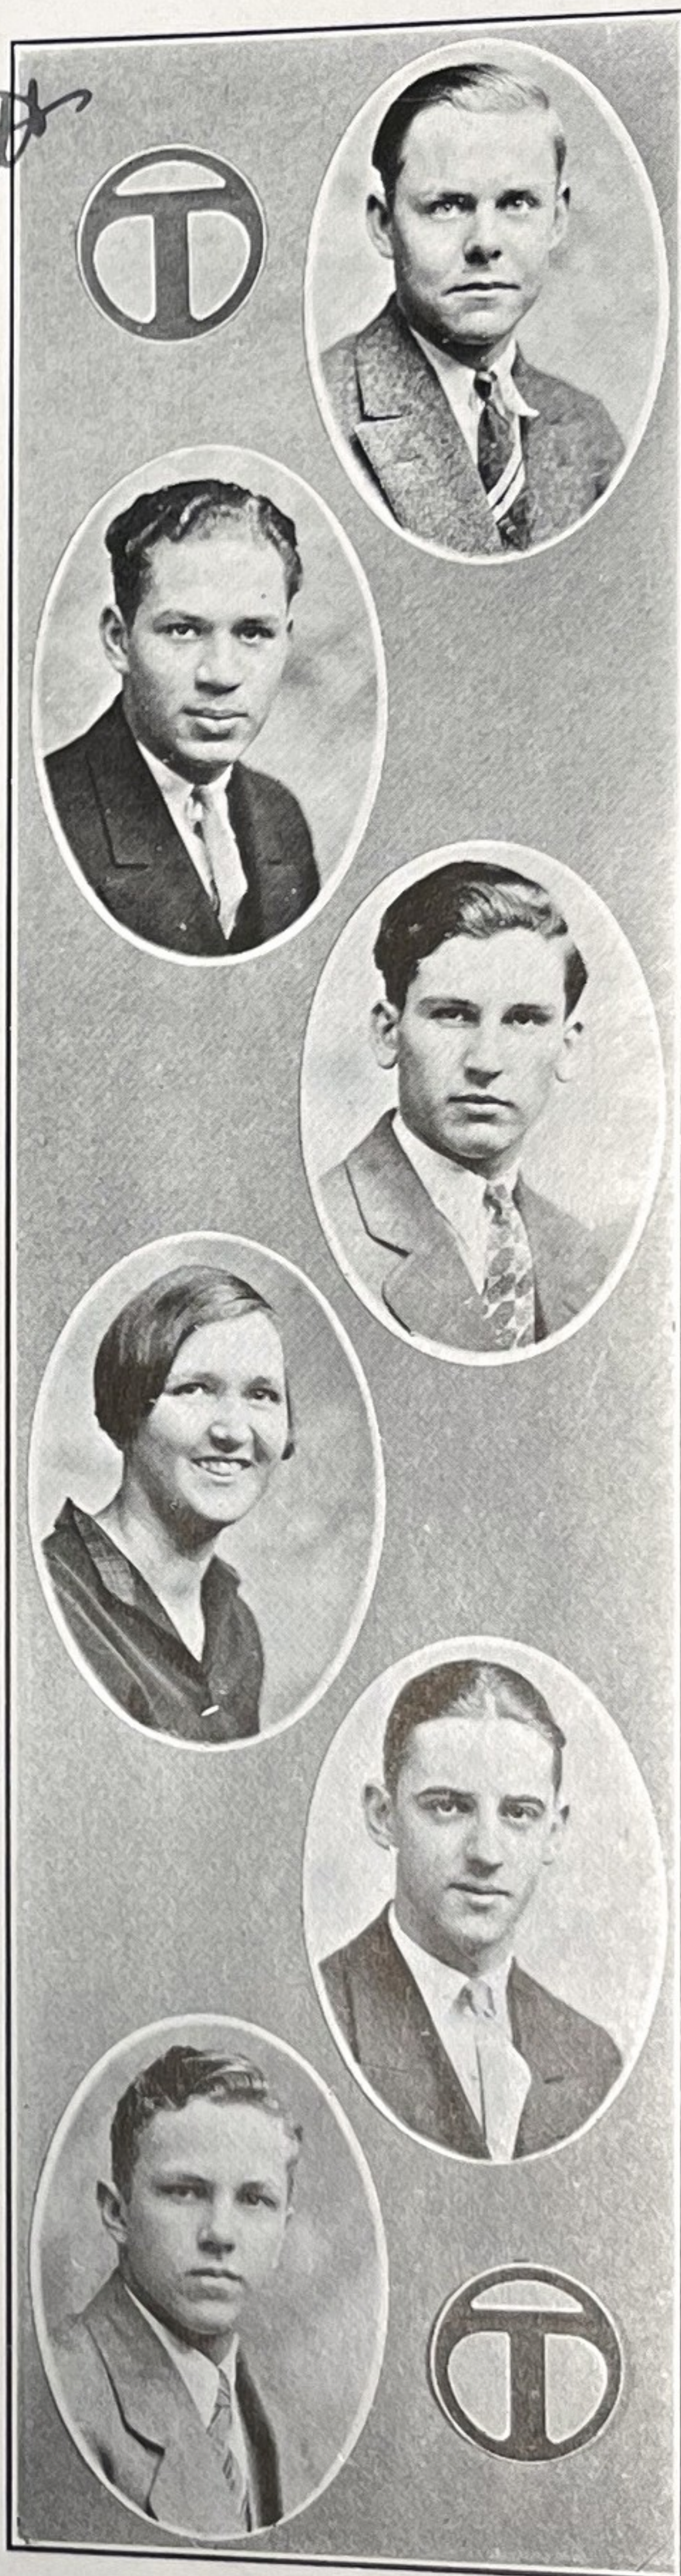

Cadets 4 Semesters; Opera Club 2 Semesters;
"Robin Hood"; "Chimes of Normandy"; Honor Roll
2 Semesters; Manager Basketball '27.

Of course, you all know our young James,
A master of all sports and games;
On reports he makes E's
Or at least there're no P's;
In class much attention he claims.

THE TECHITE 1927

Sherwood E. Bratt

SHERWOOD BRATT

Honor Roll 1 Semester.
Our Sherwood's a history shark;
In this he is live as a spark.
His jokes we all know,
With fun he does flow,
His smiles are as gay as a lark.

HERMAN BEAR BRETLER

Cadets 4 Semesters; Dramatic Club 2 Semesters;
Opera Club 4 Semesters; "Robin Hood"; "The Gondoliers"; Honor Medal; S. O. S. Representative 3 Semesters; Joseph H. Daniel Glee Club 2 Semesters.
Our Herman's a likeable chap,
Who reels off his English with snap.
He believes what he sees,
And always gets E's.
Of him they will ne'er make a sap.

HARRY LOUIS BRILL

Glee Club 4 Semesters; Tennis Tournament 3 Semesters.
This chap you may think gets all P's,
But marks he attains with great ease.
When he's up to recite,
He shakes not with fright,
And finally winds up with all E's.

ELIZABETH MARGARET BRUSH

(BETTY)
Honor Roll 2 Semesters; Rifle Club 1 Semester;
Opera Club 1 Semester; "Iolanthe."
She's neither too quiet nor gay,
And has such a nice friendly way;
Where e'er she's around,
The boys will be found,
For they like her too, so they say.

HARRY SLEMMER BURGESS

(SLEM)
Radio Club; Tech Life Representative 1 Semester.
Now Burgess, who's next on our list,
On talking in section insists;
You see by his looks
He studies his books,
And never fails to catch the gist.

ROBERT BURNS BURTON

(ROBBIE)
Cadets 8 Semester; Golf Team '25, '26.
A putting young golfer is Burton.
On Greens he is always quite certain.
But sad to relate
He's quite often late,
Because with the girls he's been flirtin'.

THE TECHITE 1927

JOSEPH DIVEN BUSCHER (JO)

Cadets 2 Semesters; Radio Club 2 Semesters; Glee Club 1 Semester; Dramatic Club 2 Semesters; Agura 2 Semesters.

Now here is a sociable lad,
He is not too good nor too bad.
In manner reserved,
In knowledge preserved;
A finer young chap can't be had.

FRANCIS BUTTERWORTH (FRANKIE)

Entered in Fifth Semester; Honor Roll 1 Semester; Tech Life Representative.

All good things in small parcels come,
And this little girl's far from dumb;
With no time for folly
She's e'er gay and jolly,
So when Frankie's around things sure hum.

EDNA RUTH CARR (ROOPIE ANN)

Opera Club 2 Semesters; "The Gondollers"; Basketball '25, '26, '27; Champion Team '26; Hiking Club 2 Semesters; Latin Club 2 Semesters; Charter Member; Pals and Palettes 2 Semesters; "Techite" Staff '27; "Clarence"; Golf Team '27; Graduating in 3 years.

Now Edna came straight from the West,
From whence (so they say) come the best.
As some farmer's wife,
She'll lead a calm life,
For she will have none of the rest.

PAUL EDMUND CASASSA

Cadets 2 Semesters; Football 2 years; Track 3 years; Champion team '24, '25; Dramatic Club 4 years; Opera Club 3 years; Principal in "Pirates of Penzance"; Principal in "The Gondollers"; Honor roll 1 Semester.

Our Paul is a singer of fame;
In football he's made a great name.
His name isn't long,
But's always spelled wrong,
Which causes this athlete much shame.

WILLIAM PRESTON CASKEY (BILL)

Cadets 2 Semesters; Boys' Glee Club 2 Semesters; Pals and Palettes 4 Semesters; President 2 Semesters; Treasurer 2 Semesters.

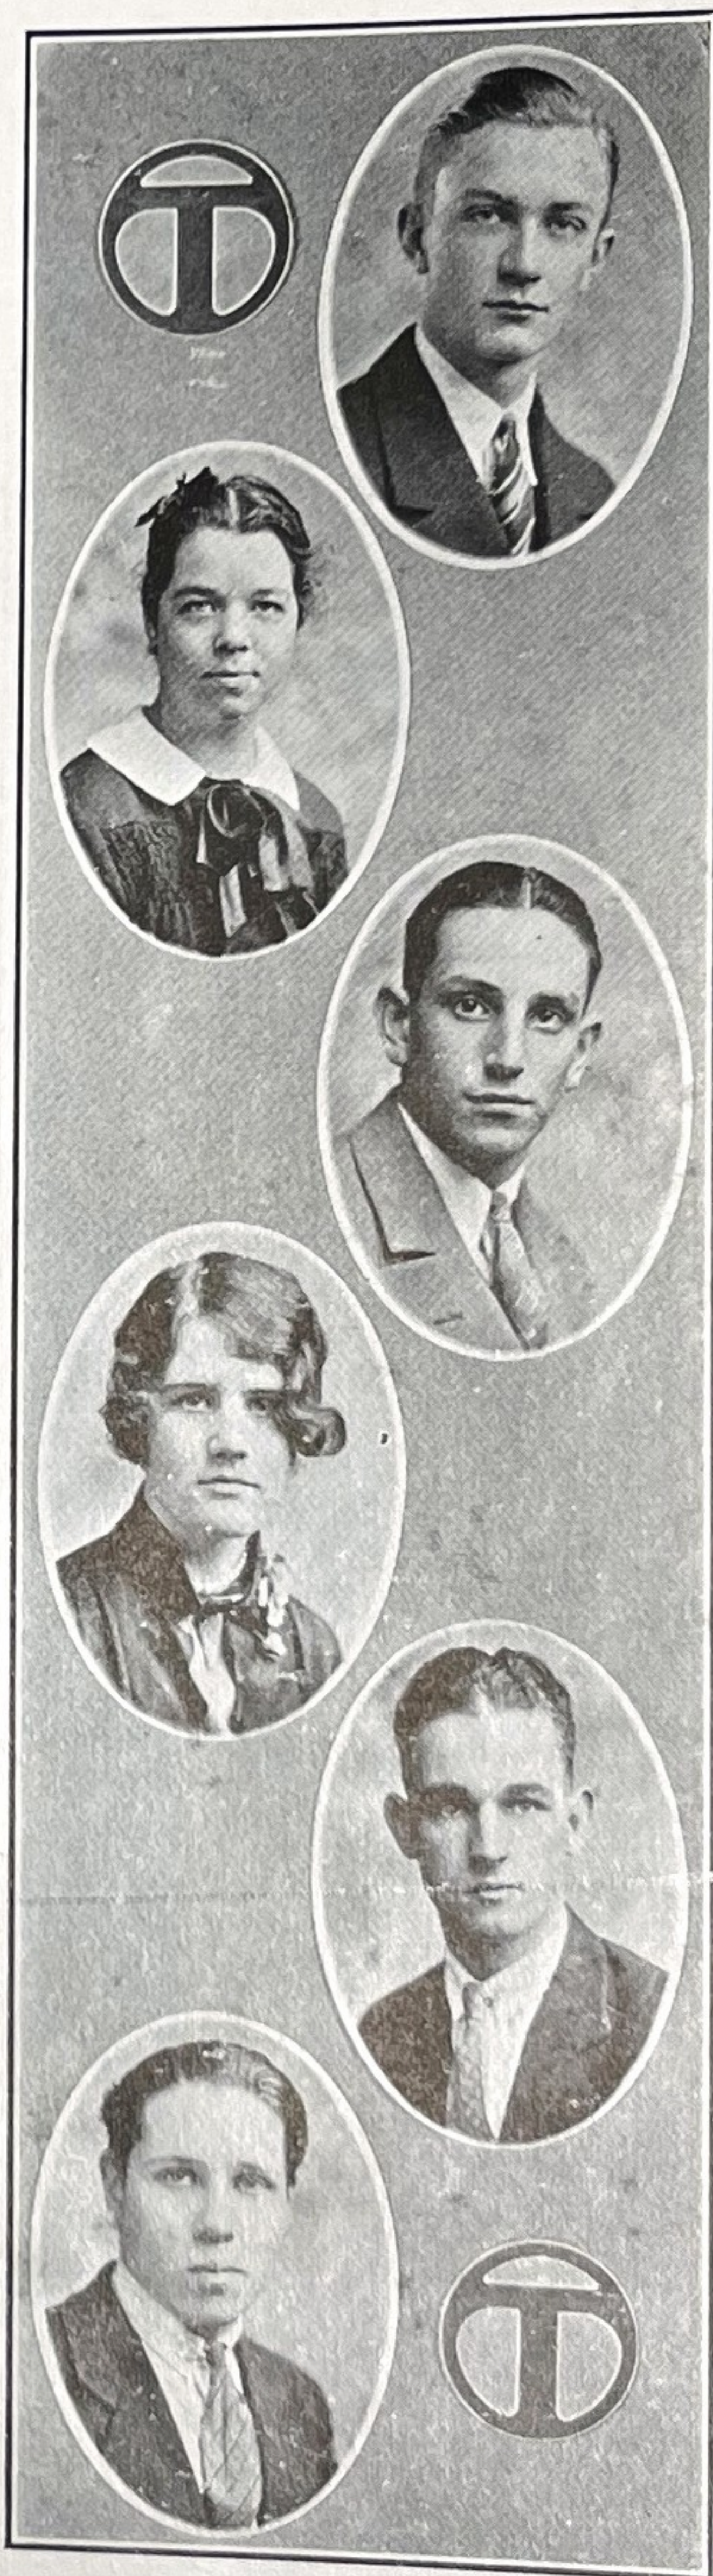

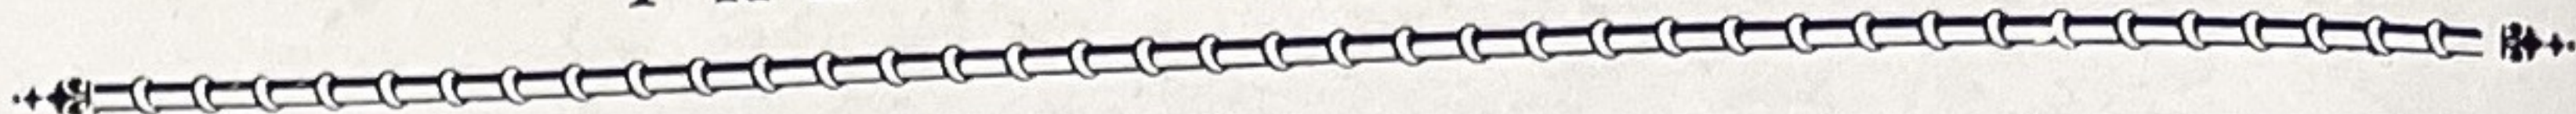

Now Caskey's Tech's artist of fame,
Who some day will make a great name,
He's very "Roheme"
And so it would seem,
Surprising that he is so tame.

JAMES ADRIAN CLOUGH

Now here's a young fellow called Able,
Who acts like a regular baby.
With girls he's no fake,
He makes them forsake
Their beaux, to go out with him, maybe.

THE TECHITE 1927

*Cecil Down
"caught in
a swirl"*

JAMES GWATHNEY DANCE (JIM)

Cadets 8 Semesters; First Sergeant Company "H" '25, '26.

James Dance is an honest young fellow,
With hair all so curly and yellow;
That tardiness habit—
He can't see to crab it,
But he's on time with his gay "Hello"!

HELEN ELMA DANIEL

Basketball '23, '24, '25, '26; Manager Freshman Team; Numerals '23, '25; Rifle Team '23, '24, '25; Captain '24, '25; Letters '24, '25; Girls' Athletic Club 6 Semesters; Opera Club 6 Semesters; "Robin Hood"; "The Gondoliers"; Orchestra 7 Semesters; Honor Medal; Pharos 3 Semesters; Science Club 2 Semesters; Charter Member; Secretary '26, '27; Honor Roll 7 Semesters; Honor Medal; "Techite" Staff.

Now Helen's an aid to the school;
We find her in all things a jewel.
She's great in athletics,
Does not use cosmetics;
Her temper is e'er sweet and cool.

HARRY ISADORE DAVIDSON (DAVI)

Cadets 2 Semesters; Opera Club 3 Semesters; Boys' Glee Club 1 Semester; Joseph H. Daniel Glee Club 2 Semesters; S. O. S. Representative 2 Semesters; Track 1 Semester.

Our Harry once sang like Caruso,
As some people thought, but he knew so!
He sang once too often
Some hard heart to soften—
So now the poor boy doesn't do so!

HARRIET FRANCES DEIGNAN (HAPS)

Now here's a young girl we call "Haps,"
Who's popular with all the chaps.
From Princeton they come
And have lots of fun;
We know for a fact they're not saps.

LINWOOD ETHELBERT DODGE (LINNIE)

Opera Club 3 Semesters; Inter-High School Glee Club.

Dodge thinks he's an orator great,
And over this fact does elate.
In church choir he sings
And joy to all brings;
When he sings you can see all he ate.

CECIL SANFORD DOWN (UPSIDE)

Football '25; Glee Club '26; Charter Member; S. O. S. Representative 1 Semester.

Now here's a young person called Down,
Whose face is adorned with a frown;
When he takes the floor,
For a minute or more,
He shocks all the people around.

THE TECHITE 1927

JULIA EVELYN DURAND (JULIE)

Honor Roll 1 Semester.

Our Julie's a jolly good friend,
And that she will be to the end.
Now she has a smile
That's well worth your while,
Which causes your troubles to mend.

MALCOLM AINSLEE EDWARDS (MACK)

Cadets 8 Semesters; Winning Battalion and Regiment '23; Best Sergeant Company "A" '26; Second Place Regiment '24; Second Lieutenant Company "A" '26; Officers' Club 1 Semester; Section President 1 Semester.

Here's Mack who's the Cheer Leader tall,
For him all the pretty girls fall;
He's quite a fine lad,
In studies not bad;
This fellow is liked by us all.

PERRY EDWARDS (PERRY)

Cadets 8 Semesters; Second Lieutenant Company "H"; Officers' Club 2 Semesters; Joseph H. Daniel Glee Club 4 Semesters; Dramatic Club 2 Semesters.

Now Perry's a handsome young lad
Whose silence in class is too bad;
But with a coy smile
He adds to his pile,
The girl that some other once had.

ESTHER MAY ESHELMAN (JIM)

Basketball '25, '26, '27; Champion Team '27; General Manager '26; Minor "T" '26; Opera Club 6 Semesters; "Robin Hood"; "Pirates of Penzance"; Principal in "The Gondoliers"; Honor Medal; Orchestra 8 Semesters; Concert Master '26, '27; Honor Medal; Tennis Tournament '26; Minor "T" '26; General Manager; Winner Tennis Tournament '26; Pharos 3 Semesters; "Techite" Staff '27; Sixth Seventh and Eighth Semesters; "G. O." Representative; Honor Medal; Honor Roll 7 Semesters; Honor Medal.

Our Jimmy will sure win a place
With her sparkling humor and grace.
She stars in all sports
Gets E's on reports,
She'll be the first one in life's race.

BLAKE BRANSON ESPEY

Cadets 8 Semesters; Second Place Battalion '26; Second Place Regiment '24; Experienced Private's Medal '24; Corporal Medal '25; Band 4 Semesters; Orchestra 6 Semesters; Honor Roll 6 Semesters; Tech Life Editor 2 Semesters.

As "Tech Life's" head man Espey's great,
He's e'er writing early and late;
He can't decide yet
Whether clarinet
Or pen will turn out as his fate.

RICHARD BUEHLER ESSEX (DICK)

Officers' Club 2 Semesters; Cadets 8 Semesters; First Lieutenant Company "B"; Second Place Battalion '26; G. O. President '26, '27; Cheer Leader 2 Semesters; Joseph H. Daniel Glee Club 1 Semester.

Our Dick used to head the G. O.
And he's a Cadet, as you know.
He works for the school,
With zeal that's not cool.
For all this you don't hear him crow.

*Malcolm Edwards
"Mack"*

Esther Eshelman

THOMAS CHARLES EVANS (EVANS)

Cadet Band 7 Semesters; Drum Major '27.
Here's Thomas a Techite so loyal,
Who over his lessons does toil;
When homework's complete
He swells with conceit
And thinks that he's done something royal.

FRANKLIN WARD FAIRFAX

S. O. S. Representative 1 Semester.
Our Fairfax is not a bad chap,
And with all the girls he's no sap;
In all of his classes
He most always passes
For there's something under his cap.

CHARLES JAMES FAMOSA (LUIZ)

Cadets 5 Semesters; Dramatic Club 4 Semesters;
"Comedy of Errors"; "Clarence"; Opera Club 7
Semesters; Vice-President 1 Semester; "Robin
Hood"; "Pirates of Penzance"; Principal "The Gon-
doliars"; "Iolanthe"; Honor Medal '27; Section
President 1 Semester; S. O. S. Representative 1
Semester; Tech Life Staff 4 Semesters.

A singer is he of renown,
He gets all the notes, up or down.
A modest, fine fellow
Who greets with a "hello,"
And never is seen with a frown.

MARGARET ELIZABETH FAULCONER (MRS. PROCTOR)

Opera Club 4 Semesters; "Pirates of Penzance";
"The Gondoliars"; Honor Medal; Tennis Tourna-
ment '26; Honor Roll 1 Semester; S. O. S. Repre-
sentative 1 Semester; "Techite" Staff '27.

Now Margaret has light wavy hair,
To which can no other compare;
She's witty as can be,
Keeps us laughing with glee;
The rings that she sports are quite rare.

JOHN WALTHER FAWCETT (SPIC)

Opera Club 2 Semesters; Radio Club 4 Semesters.
Now Fawcett's a good boy you see,
And some day a great man will be.
He craves to get knowledge
And use it in college,
For full of ambition is he.

PAUL DeWITT FELLOWS (PAUL)

Tech Life 1 Semester; Opera Club; "Robin
Hood"; Section President 2 Semesters; Football
'25; Track '24, '25, '26, '27; President Hi-Y Club;
Treasurer Sixth Semester Class; Vice-President
Seventh and Eighth Semester Classes.

Our Paul on the track is so fleet
That his running's really a feat;
A great athlete he,
Wears a fine Circle "T";
At sports he is hard to be beat.

THE TECHITE 1927

BRUCE MARSH FOWLER (GOOFER)

Cadets 8 Semesters; First Lieutenant Company "H"; First Place Regiment '23; Officers' Club 2 Semesters; Dramatic Club 2 Semesters; "Clarence"; "Techite" Staff; Boys' Glee Club; Charter Member; Hi-Y Club 1 Semester.

Lieutenant Bruce Fowler we find
A cadet of the very best kind.
In Math he's a shark,
In Glee Club a lark,
In all else he lags not behind.

KENNETH WALDEN FRISBIE (KEN)

Cadets 3 Semesters; Second Place Regiment '24; Tech Life Representative 1 Semester; Joseph H. Daniel Glee Club; Accompanist 3 Semesters; Boys' Glee Club 2 Semesters; Latin Club 2 Semesters; Consul 2 Semesters; Section President 1 Semester; Honor Roll 1 Semester; Graduating three and one-half years.

Now Frisbie's a great Latin scholar,
Whom Cic'ro makes hot in the collar.
To fame he will rise
In ev'ry one's eyes,
By helping the Glee Club to holla.

DANIEL PAUL GALOTTA (DAN)

Basketball '26, '27; Football '25; Baseball '26; Cadets 2 Semesters.

A crazy person is this "Dan,"
Who'll grow to be quite a big man.
A star of our team
Who always plays clean
Though his marks give him a big slam.

JOHN THOMAS GARVER (TOM)

Cadets 2 Semesters; Opera Club 2 Semesters; Principal "The Gondoliers"; Track.

If you have heard handsome Tom's voice,
You know when he stops we rejoice.
In Glee Club he sings
Like a Ford without springs,
And yet he's the opera star's choice.

DARIUS WILLIAM GASKINS (BUCK)

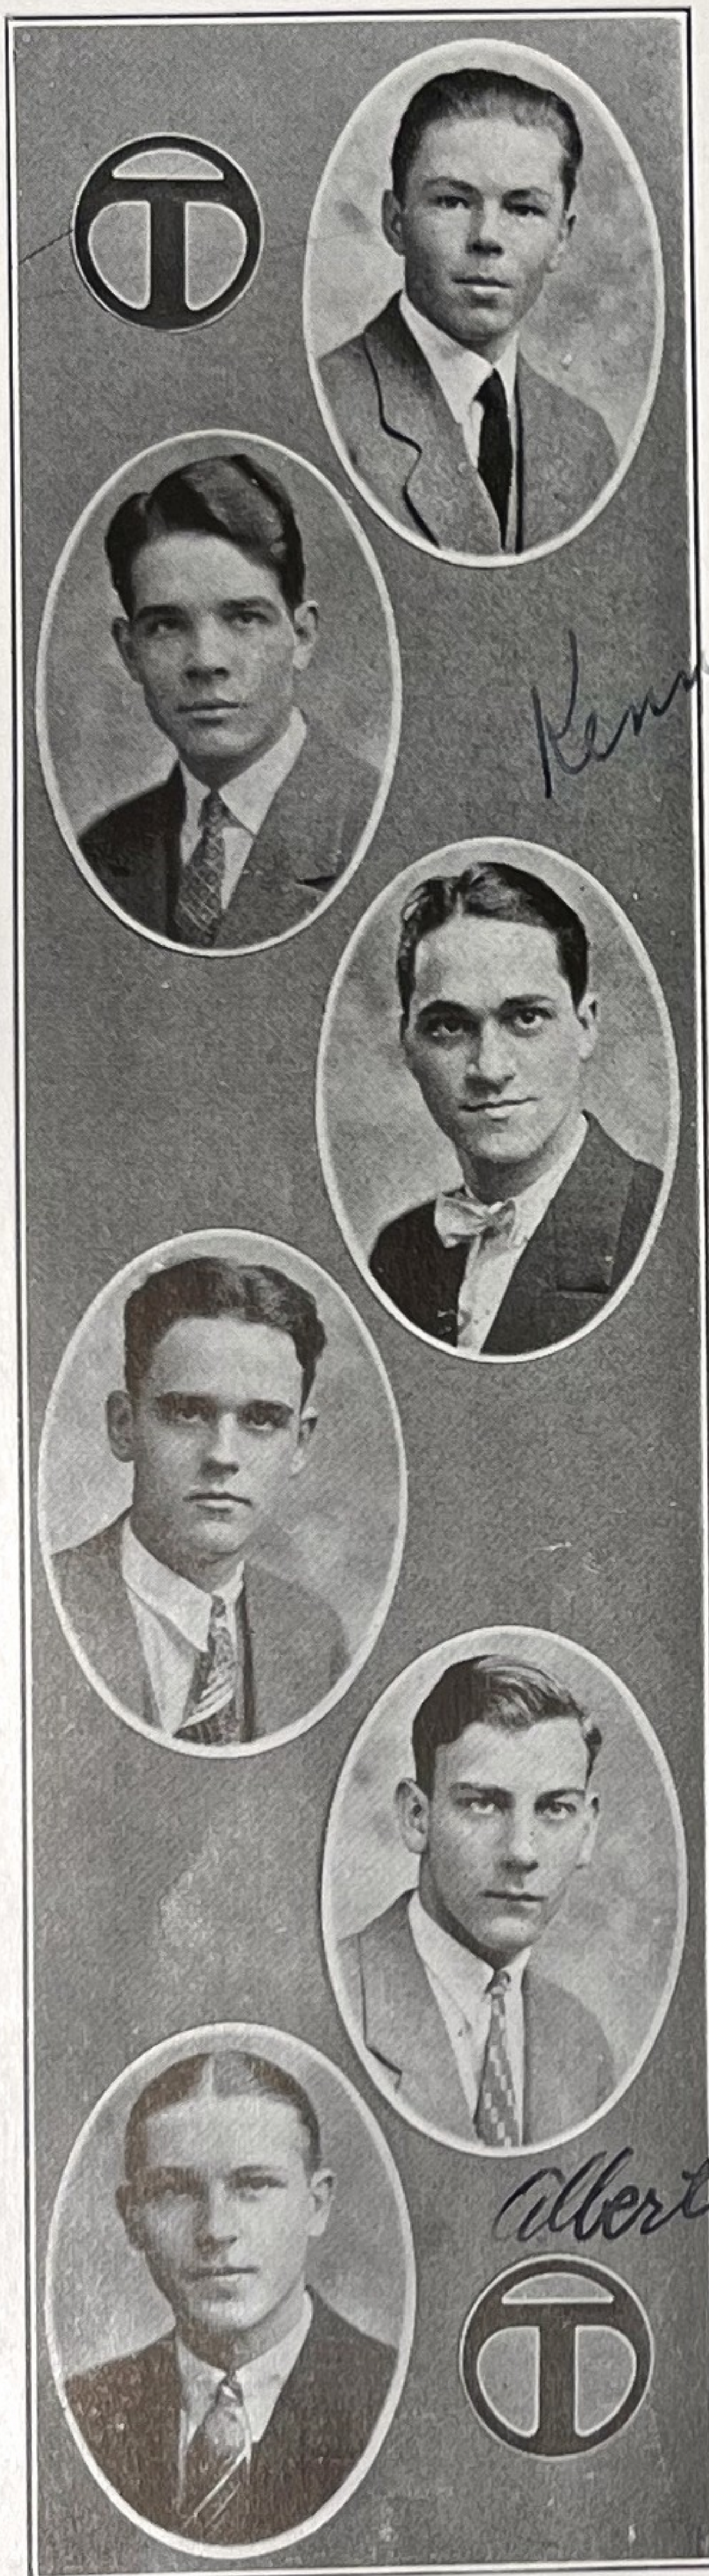

Basketball '26, '27.

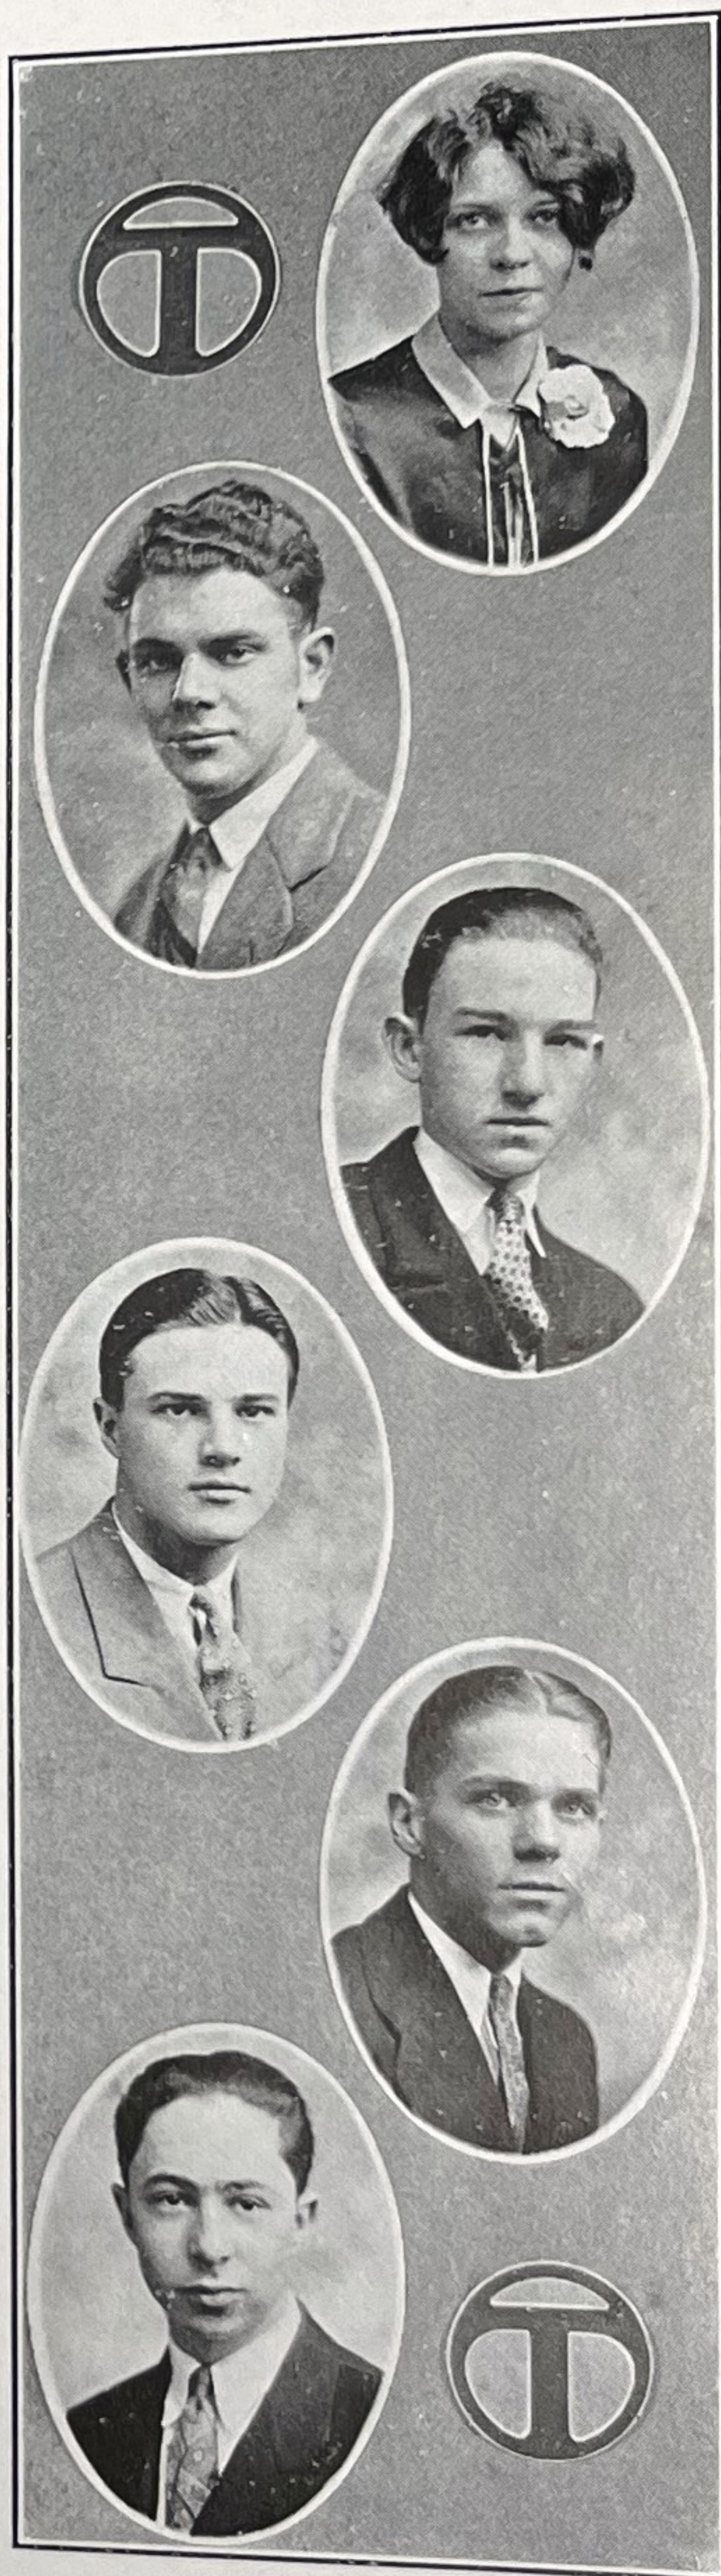

"Buck" Gaskins's a basketball star
Of sporting repute near and far.
By luck and fair play,
He'll e'er make his way,
And ride in the President's car.

ALBERT GEORGE GEORGENS (AL)

Baseball Manager '27; Assistant Manager '26; Tennis Tournament '24, '25; Boys' Glee Club '27.

Now Albert's a genius with wire,
For he knows the radio entire;
And someday his views
Will appear in the news,
And so set the whole world afire.

LILLY LOU GILBERT

Opera Club; Dramatic Club 2 Semesters; Basketball '26, '27; Tennis '26; Honor Roll 1 Semester.

I know you all like Lilly Lou,
She's merry and good-natured too;
She says what she thinks
And not behind winks,
Now that's something we all don't do.

WILLIAM HENRY GOTTHARDT (BILL)

Cadets 8 Semesters; Best Exper, Private Co. "B" '25; Second Place Regiment '24, '26; S. O. S. Rep-4 Semesters; Secretary-Treasurer—'26; Dramatic Club 4 Semesters; Opera Club 4 Semesters; "The Gondoliers."

Bill holds a high place in Cadets
Though over his lessons he frets.
He has light curly hair,—
Charms the hearts of the fair
So that which he wishes he gets.

JOHN CAWLEY GREEN (JOHNNIE)

Cadets 4 Semesters; First Place Regiment '25; Second Place Battalion '24; "Techite" Staff; President Radio Club 4 Semesters; S. O. S. Representative 1 Semester; Sec. Pres. 2 Semesters; Boys' Glee Club; Tech Life Representative 2 Semesters.

Reserve, please, this small space for Green,
Who's seldom heard more than he's seen;
He's a real wireless fan
And an up-to-date man;
Of the Radio Club, he is dean.

JOHN DAVID GRIFFITHS (JOHNNY)

Cadets 6 Semesters; Inexperienced Private's Medal '23, '24; Football '26; Track '26.

Here's Johnny of athletic fame,
To make all the teams is his aim;
For football and track
He sure has a knack;
And in tennis he plays a good game.

ALFRED GREGORY GROSS (AL)

Cadets 2 Semesters; "Techite" Staff; Circulation Manager; Section President 3 Semesters; Honor Roll 1 Semester.

Now "Al" Gross is happy and free,
And tries very hard to make E;
You see he's no bum—
Some day he'll become
An honor to Tech and D. C.

ISRAEL GROSSBERG (BABE)

Cadets 1 Semester; Tennis 7 Semesters; Opera Club 6 Semesters; "The Gondoliers"; Graduating 3½ years.

Grossberg surely loves girlish glee;
A sheik! Nothing else could he be.
To hear his voice sing
Would make a heart ring,
For his songs are as famous as he.

THE TECHITE 1927

WILHELMINA CATHERINE GUDE (WILLY)

Basketball '25, '26; Dramatic Club 8 Semesters; Secretary 2 Semesters; President '27; "Secret Service"; "Comedy of Errors"; Principal "Clarence"; Honor Medal; Opera Club 2 Semesters; "Robin Hood"; Principal "The Gondoliers"; Honor Medal; Tennis '26; Pharos 3 Semesters; Section President 1 Semester; Third and Fourth Semesters' G. O. Representative; G. O. Secretary '26; Two Honor Medals; Honor Roll 7 Semesters; Honor Medal; Scholarship; Tech Life Representative 2 Semesters; Bank 2 Semesters; Cashier 1 Semester; "Techite" Staff '27.

Now Willie as our G. O. Sec.
Has done all she can for old Tech;
In drama she leads;
At all else she succeeds
In making us come at her beck.

JACK MELOY HALL

Of all of our Chemistry sharks,
Who get high and otherwise marks,
The peer of them all
Is handsome Jack Hall;
"It's clear, just like mud," he remarks.

THOMAS VERNON HALL (TOMMY)

Dramatic Club 8 Semesters; Vice-President '25; Treasurer 2 Semesters; Vaudeville '26; "Comedy of Errors"; Honor Medal; Tech Life 8 Semesters; General News Editor '26; Charter Member; Pals and Palettes; Agora 1 Semester; Science Club 1 Semester; Editor "Techite" '27; Honor Roll 5 Semesters.

The praise of this year book we owe,
To this boy whom all of us know,
Tom Hall is his brief,
He's editor-in-chief,
And stars in dramatics also.

JOHN LAW HARRIS (JOHNNY)

Cadets 8 Semesters; First Lieutenant; Dramatic Club 2 Semesters; Officers' Club '26, '27.

Now John is a blond who is small.
He waits for a girl in the hall;
Every day he is there,
With a rose for her hair.
Such constancy's not bad, at all.

SPENCER FOSTER HEWINS (PENNIE)

Cadets 8 Semesters; Inexperienced Private's Medal '24; Best Sergeant; Second Place Regiment and Battalion '26; Officers' Club 2 Semesters; Secretary '27.

Here's Spencer who comes from Cape Cod;
Through Chemistry he tried to plod;
He sides with the Wets;
And in the Cadets
Efficiently leads his fine squad.

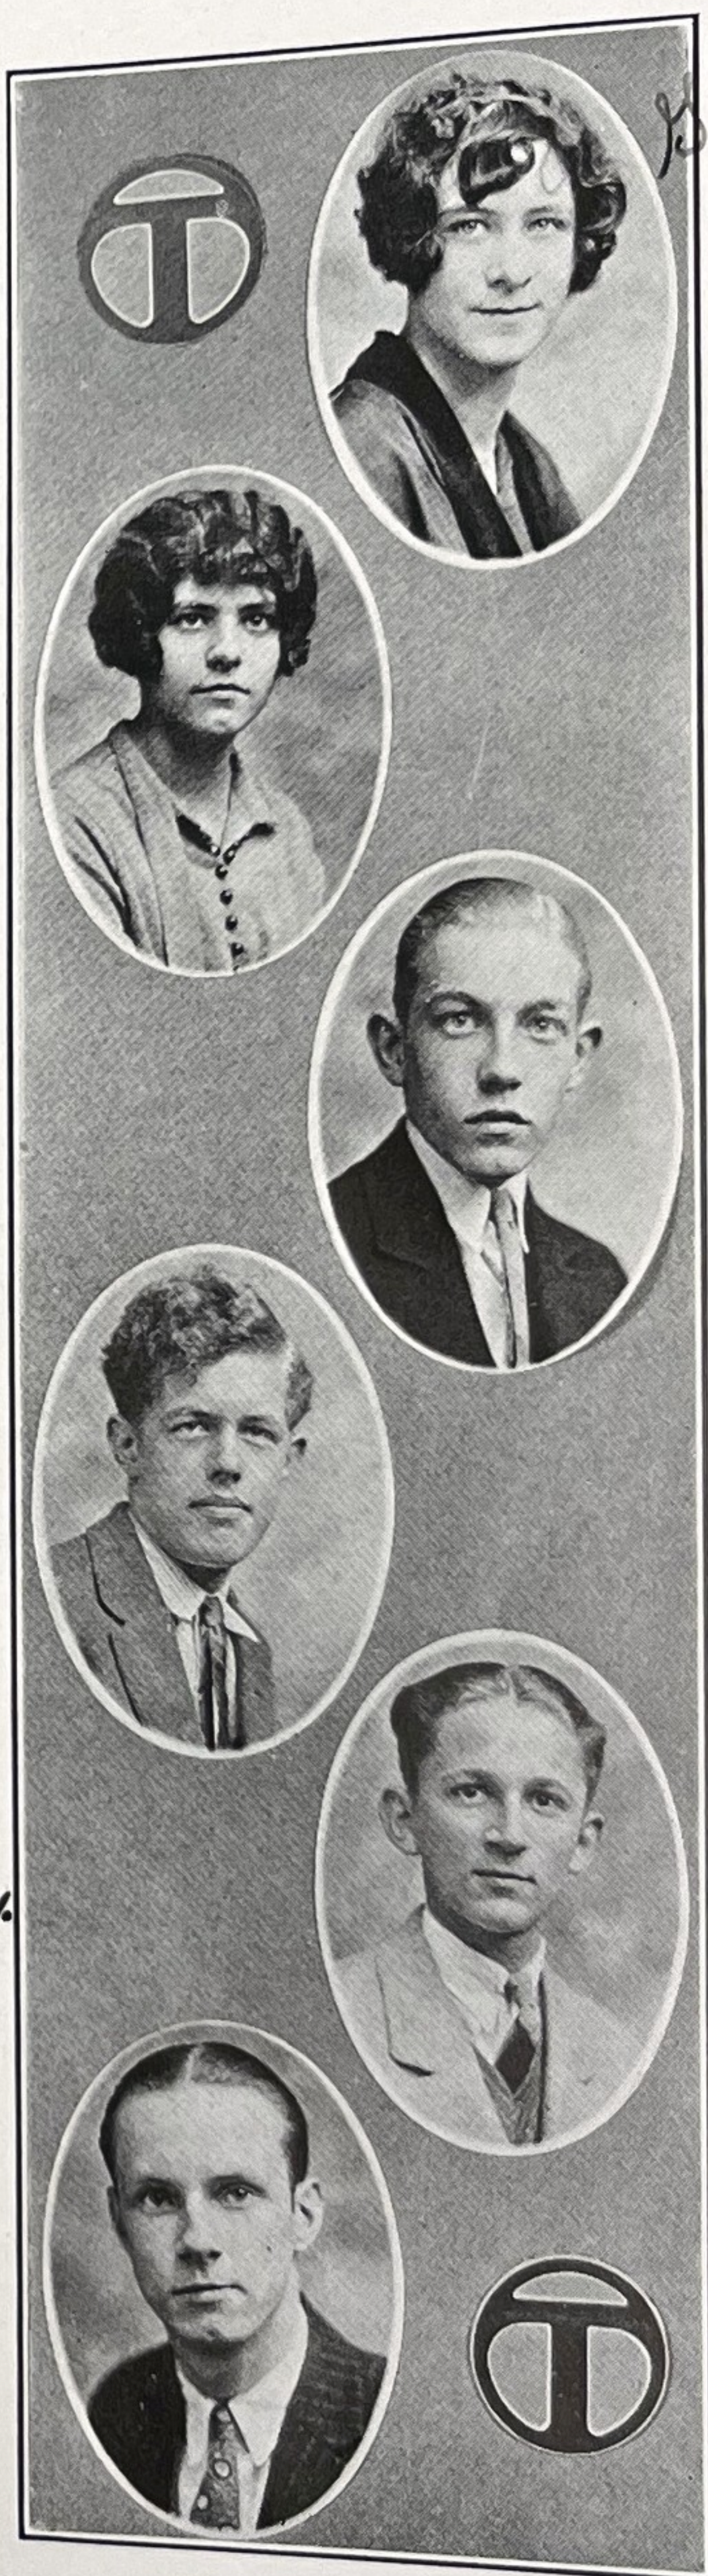

ROBERT HORNE (BOB)

Cadets 8 Semesters; Second Place Battalion '26; Captain Co. "H" '27; Officers' Club 2 Semesters.

Now Horne is a bashful young chap,
For girls he does not give a rap.
At Math he's a shark,
Never fears for his mark,
For he's never caught taking a nap.

Bob Horne

GLEND A VIRGINIA HOUGH

We know a young lady named Hough,
Who's certainly made of good stuff.
Athletic and smart,
Steals every boy's heart,
We'll just mention Pete, that's enough.

FAITHE ADDELINE HOWELL

(FAY)

Opera Club 6 Semesters; "The Gondoliers"; "Tolanthe"; Tennis '25.

We now come to our own little Fay
Who all of us think is O. K.
She has eyes of blue,
And hair of dark hue
Which worry will never turn gray.

HUBERT WEBB HUDSON

(BUMP)

Cadets 2 Semesters; Glee Club 1 Semester.

The next on our list is this boy,
His father's delight, mother's joy,
He's cheery and bright,
His style is just right
With smiles that are usually coy.

RICHARD HUNTER

(HI-BOY)

Cadets 4 Semesters; Third Place Battalion '24; Dramatic Club 2 Semesters; Honor Roll 1 Semester.

The best of our workers is Dick,
At limericks he is quite slick,
With light wavy hair
And complexion so fair,
Say, girls, here is one you can pick.

HUGH HUDSON HUSSEY, Jr.

(HUGHIE)

Cadets 8 Semesters; Second Place Regiment '24; Second Place Battalion '26; Best Corporal Co. "C" '25; Captain Co. "B" '27; Lieutenant Co. "B" '26; Dramatic Club 4 Semesters; "Clarence"; Section President 2 Semesters; S. O. S. Representative 1 Semester; Officers' Club 4 Semesters; President '27; Tech Life 3 Semesters; General News Editor '26; Cadet Editor "Techite"; Pharos 3 Semesters; Advanced Glee Club 2 Semesters; Spanish Club '27; President Pharos '27; Honor Roll 7 Semesters; Honor Medal.

Now Hussey's as bright as can be,
In studies he always get "E";
He's handsome and tall,
For him the girls fall,
In drill he heads Company "B".

GEORGE MARVIN JAEGER

Cadets 8 Semesters; Best Inexperienced Private '23; Second Best Corporal '24; Officers' Club 4 Semesters; Joseph H. Daniel Glee Club 4 Semesters; Mandolin and Guitar Club 2 Semesters; Honor Roll 3 Semesters.

Now Jaeger's a very fine lad,
Who never appears to be mad;
In studies he's bright,
Does everything right;
All virtues we've not room to add.

THE TECHITE 1927

FELISA JENKINS

(FLEA)

Entered in Third Semester; Opera Club 6 Semesters; "Pirates of Penzance"; "The Gondoliers"; "Iolanthe"; Dramatic Club 3 Semesters; "Clarence"; Pals and Palettes 4 Semesters; Oratorical Contest '26; Tech Life Representative 3 Semesters; Hiking Club 2 Semesters; "Techite" Staff '27; Pharos 2 Semesters; Honor Roll 5 Semesters.

Success we are sure of for "Flea",
For she is as sweet as can be;
With knowledge she's blest,
A friend we can test;
A rousing good Techite is she!

OMER LEE JETER

(BIG BOY)

Entered September '26; Track '27.

Now here's a big fellow named Jeter,
Whose poetry has always wrong meter;
At times he is shy,
But we know not why
For he looks just like a cake-eater.

FREDERICK WILLIAM KALHOUN

A lazy young lout is our Fred,
Who ne'er likes to bother his head
With such marks as E's
Or trying to please
His teachers who him have well led.

FRANK KELLY

Now here is our Kelly serene
Who wears the dark blue,—not the green.
He has a smart look
From reading a book,
Whose contents he stores in his bean!

JOHN EDWIN KETO

(EDDIE)

Section President 1 Semester; Golf Team 2 Semesters; Honor Roll 5 Semesters.

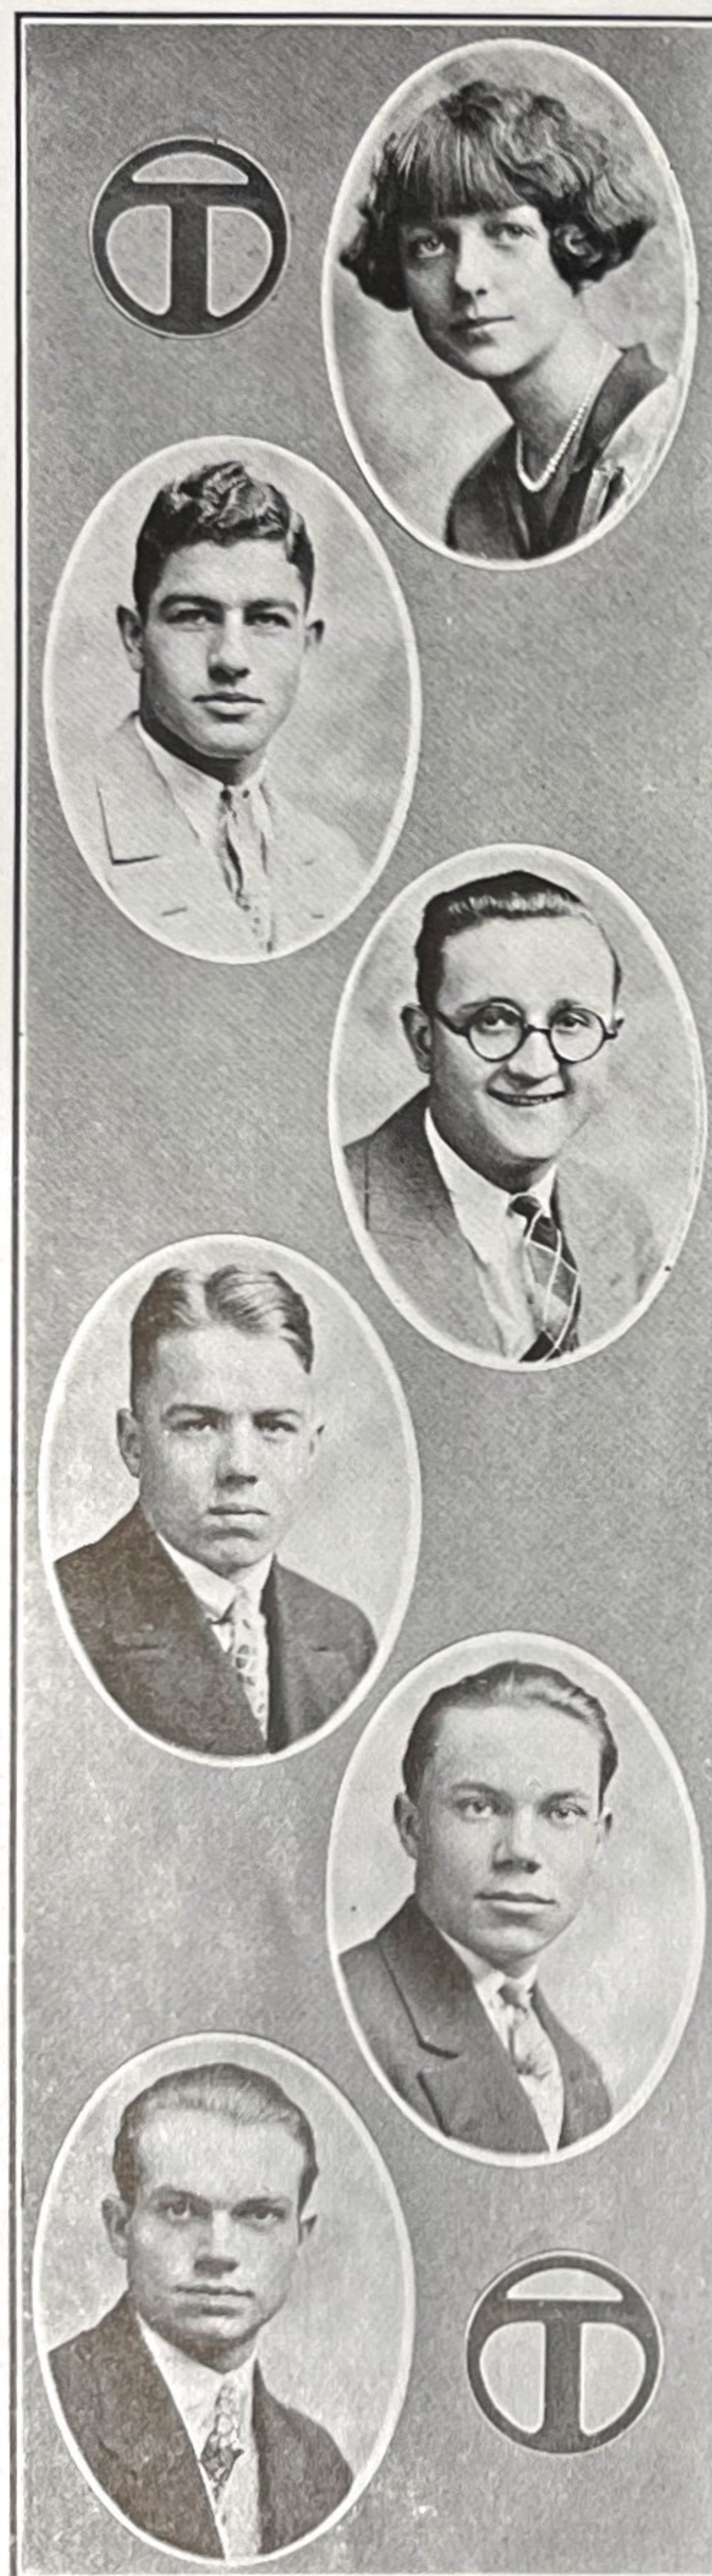

One night in the dark Keto sat
Quite thoughtlessly down on his hat.
He sat there a while
And altered its style.
He uses it now for a mat.

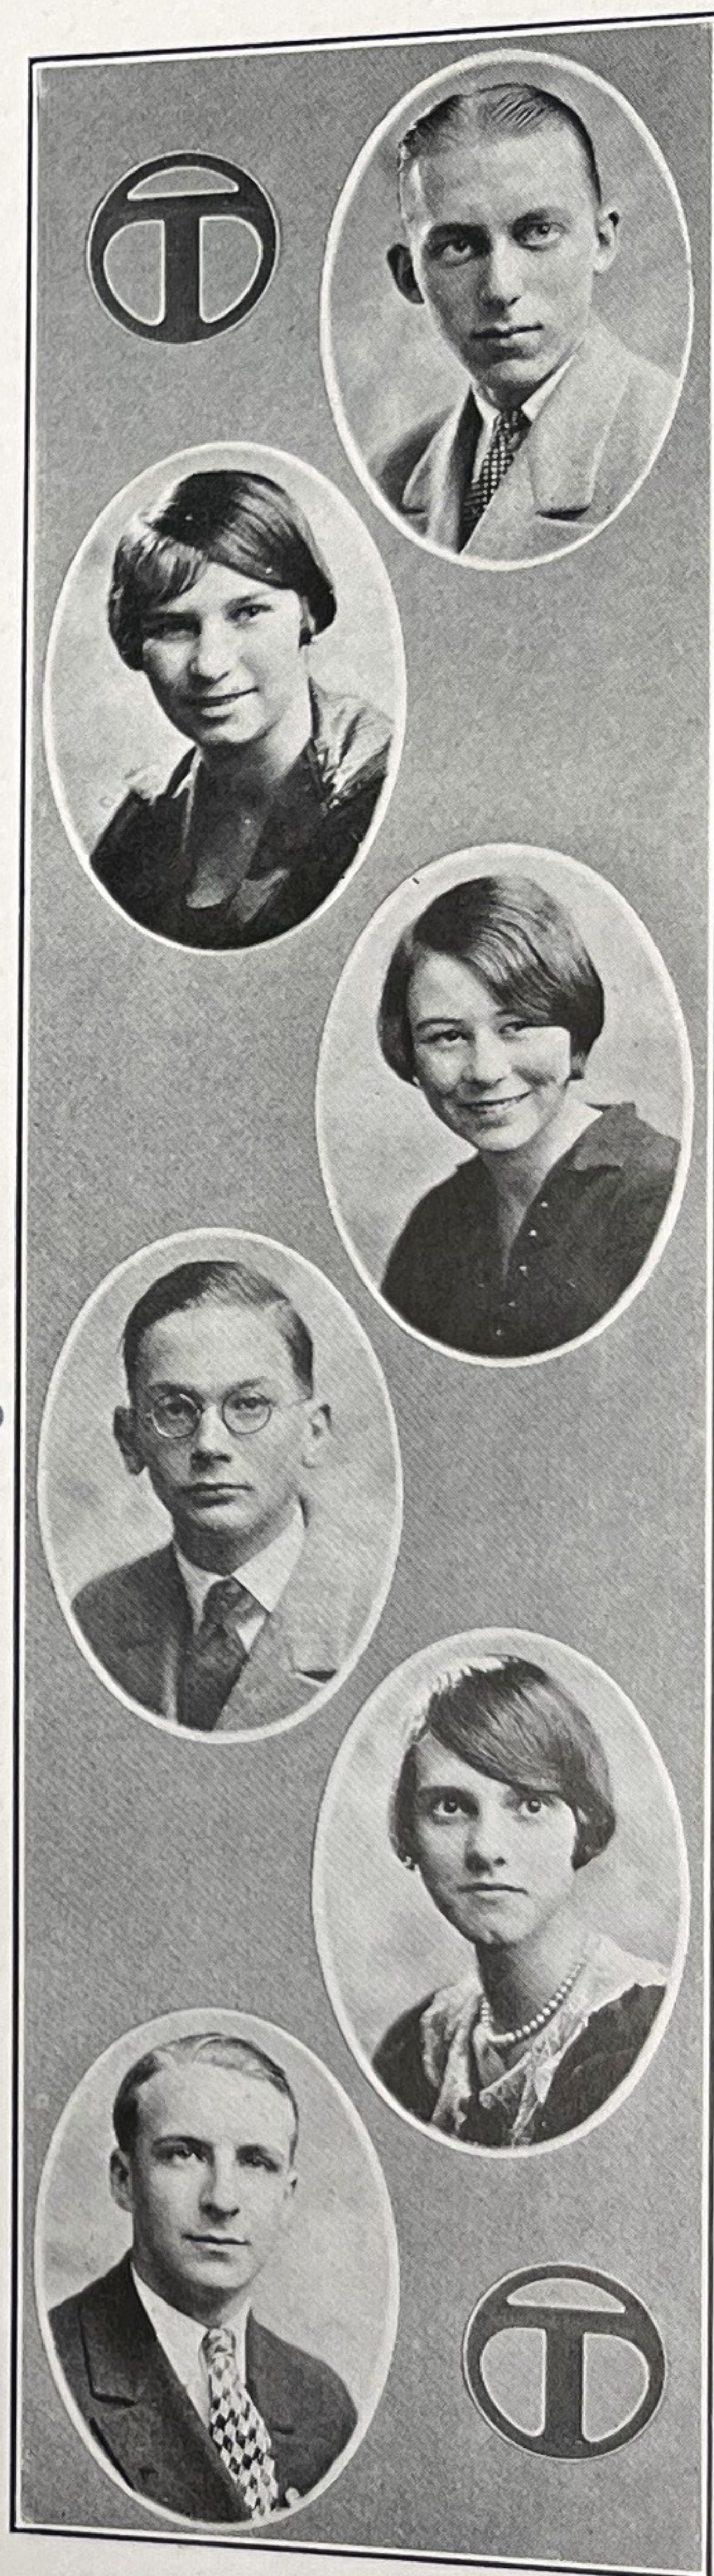

LEWIS SHIRLEY KEYES

(LEW)

Cadets 2 Semesters; Radio Club 2 Semesters.

A dark haired young fellow is Keyes,
Who earnestly tries all to please;
In work he does race,
To equal his pace
We'd have to go faster than fleas.

Jack Lathrop

CARL FRANCIS KLATT

Opera Club '27; Radio Club '26; Engineers' Club '26; Track '27; French Club '25.

Now Klatt is a boy whose broad smile
The teachers with ease can beguile.
He studies at leisure,
Which is his great pleasure;
And he thinks that industry's vile.

ELNORA CAROLINE KNEE

Basketball '23, '25, '26; Championship Team '27; Dramatic Club 8 Semesters; "Clarence"; Honor Medal; Opera Club 7 Semesters; "Robin Hood"; "The Gondoliers"; "Pirates of Penzance"; Iolanthe"; Girls' Athletic Club 1 Semester; Banking 5 Semesters; Vice-President 3 Semesters; President 1 Semester; Pharos 3 Semesters; Honor Roll 7 Semesters; Honor Medal; Scholarship; Tech Life Staff 1 Semester; Treasurer Seventh and Eighth Semesters Class.

A wee little she is Miss Knee,
A class officer she would be;
She has brains and wit
And just heaps of grit;
Her name will bring fame, wait and see.

CATHERINE LaMON (POLLY)

Dramatic Club 2 Semesters; Opera Club 3 Semesters; Swimming Club 3 Semesters.

I'm sure you all know little Polly,
For she is so pleasant and jolly;
If you want some fun
To sweet Polly run;
Neglect to, and 'twill be your folly.

JOHN BOUSE LATHROP (JACK)

Cadets 2 Semesters; Second Place Battalion '26; Best Inexperienced Private '26; Honor Roll 3 Semesters.

A man with a smile is our John.
Of fate he will ne'er be a pawn;
His brain is not slow,
His business he'll know,
For he always arises at dawn.

FLORENCE LUCRETIA LEIGHTY

Opera Club 1 Semester; Tech Life Staff 2 Semesters.

We here have one Miss Florence Leighty,
Who makes all the boys act quite flighty;
She's so full of pep,
With wonderful "rep",
That her personality's mighty.

ALBERT WILLIAM LEMP (ANDY)

Cadets 2 Semesters; Radio Club 2 Semesters.

Now Lemp is a good-looking youth,
Who isn't the least bit uncouth.
He's wise, but not shrewd
And not at all rude,
And so he would ne'er be a sleuth.

THE TECHITE 1927

LOUIS SAMUEL LEVY (FATS)

Football '26.

Our Louis is fat and petite;
On the football field he is neat.
He's so full of fun,
Never tires of a pun,
And all the girls think he is sweet.

WILLIAM HENRY LEYKING (WILLY)

Football '25; Orchestra 2 Semesters; Basketball '26.

Now Leyking's a fellow of merit,
Whatever he has he will share it.
From his head to his feet,
He appears very neat,
And always he knows how to wear it.

ROBERTA LIGHTFOOT

Opera Club 2 Semesters.

Roberta has not been here long;
With her we'll say there's nothing wrong.
If e'er she is blue
A laugh pulls her through;
She looks upon life as a song.

WILLIAM FULLER LINES (BILL)

Section President 2 Semesters; Graduating 3½ years.

His name is just Bill and not Billy;
The things that he says are not silly.
He plasters his hair
To make himself fair;
We hope he'll succeed, but how will he?

GERTRUDE BUELAH LOUIS

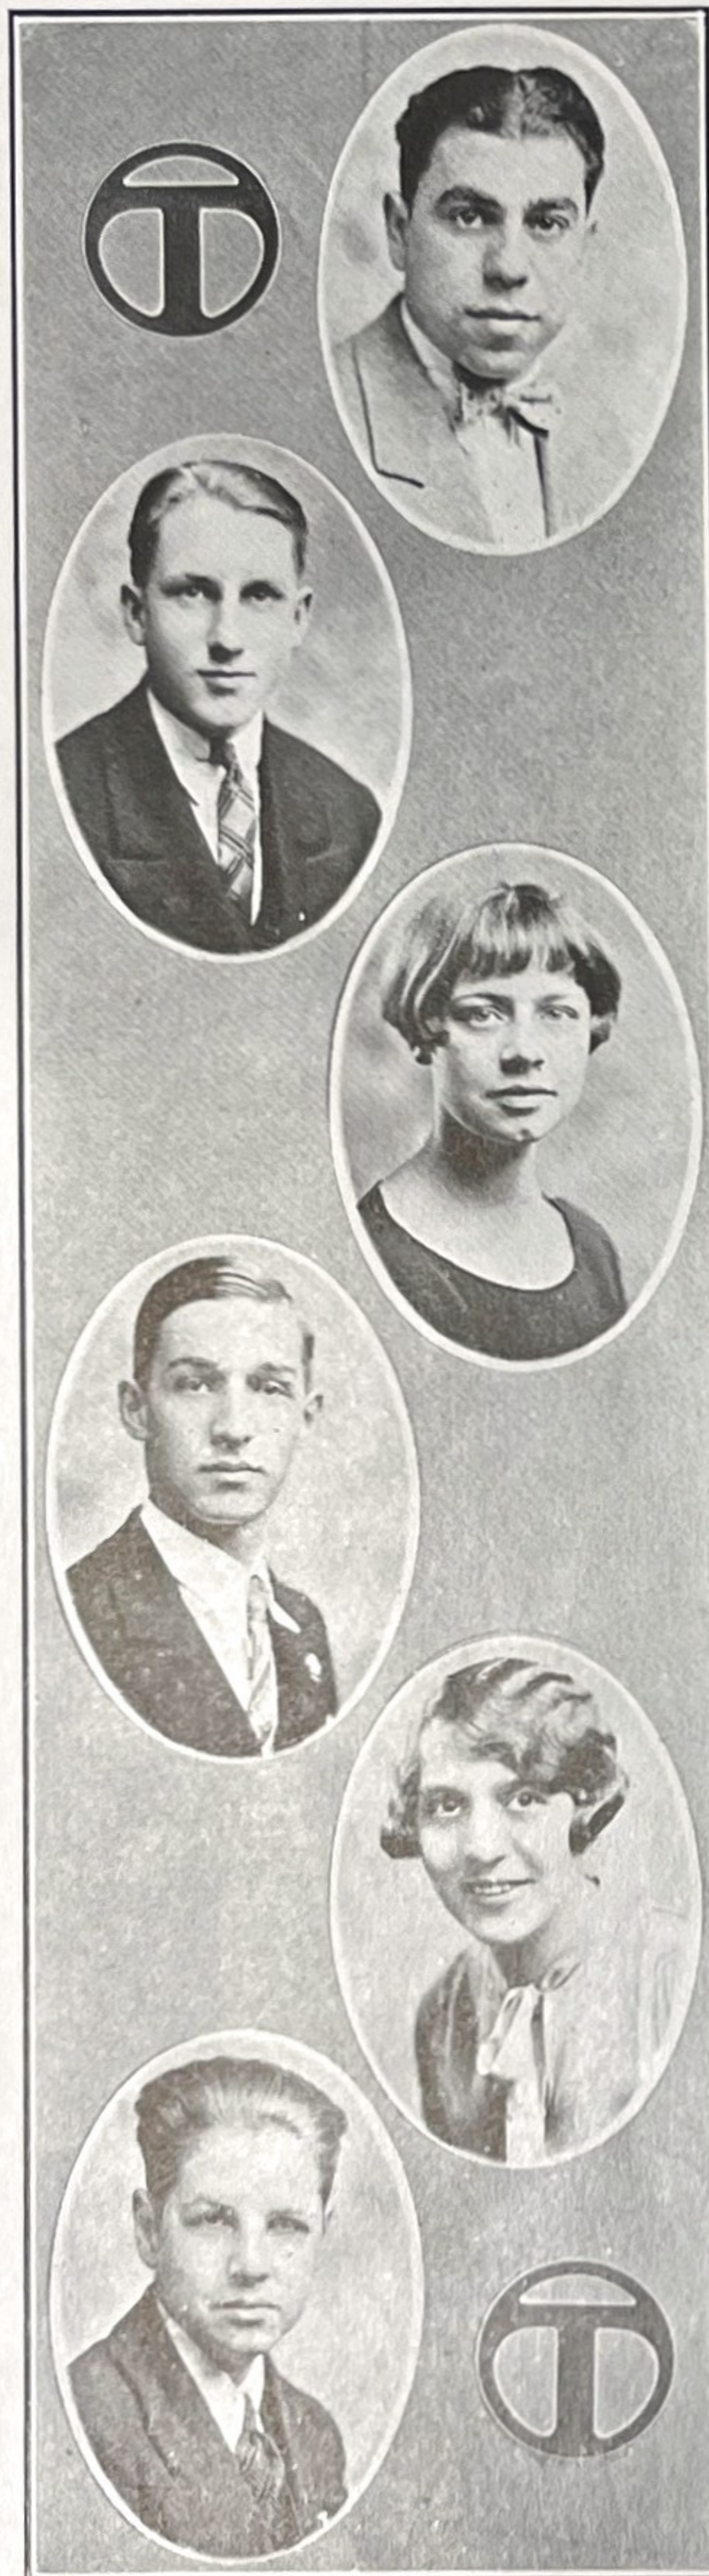

Opera Club 2 Semesters; "Robin Hood"; Dramatic Club 4 Semesters; Girls' Athletic Club 1 Semester; Tech Life Staff 2 Semesters.

Here's Gertrude, who's very vivacious,
The worst she e'er says is "My Gracious,"
This may not be true,
We'll leave it to you,
To hear her when she gets pugnacious.

RALPH WILLOUGHBY MALONE (PEWEE)

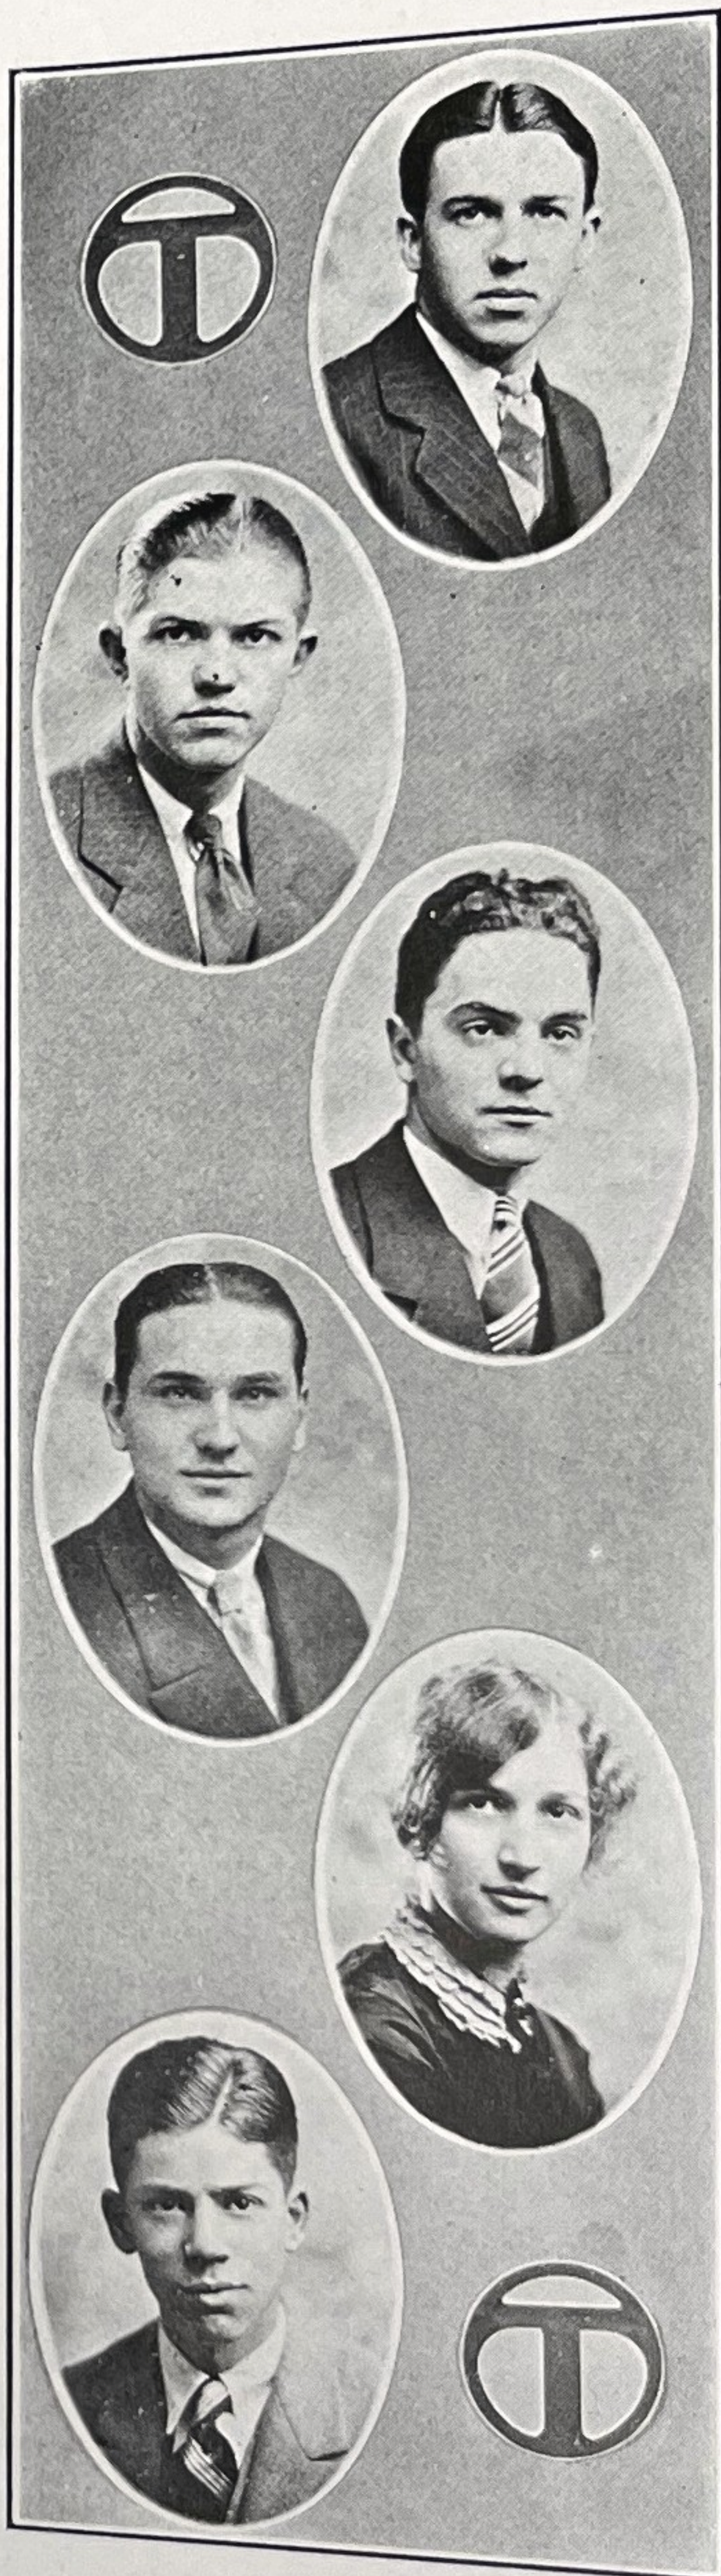

Dramatic Club 1 Semester; Honor Medal G. O.; Tech Life Representative 1 Semester; Tech Life Staff 2 Semesters; Honor Roll 1 Semester; Spanish Club 2 Semesters.

A jolly young chap is Malone.
Around the whole school he's well known;
He'll do all his work,
From labor won't shirk;
His line's working a dictaphone.

Louis Levy

Ralph Pewee Malone

DANIEL EMMETT MANNING

Here's Pete who's gone down on all fours,
And some day he'll be scrubbing floors.
For Glenda and he
Soon married will be;
We hope there won't be many wars.

GEORGE HENRY MANNING

Now Manning is husky and strong;
And bursts out in quite joyful song.
One cannot refuse
To hear his fine views
On anything that comes along.

CHARLES MARION MARCELLINO (MARCY)

Cadets 6 Semesters; Color Sergeant; Boys' Glee Club 2 Semesters.

Now there's a delightful young chap,
And let us tell you he's no sap;
When in a tight place,
Or a problem must face,
He always relies on a map.

HENRY ALFRED MARKS (HEN)

Cadets 4 Semesters; Second Place Battalion '26; Radio Club 4 Semesters.

Now here is a handsome cadet,
With him Tech will win you can bet;
His smile, which is gay,
Draws all girls his way,
And many's the one it can get.

JANE KATHLEEN MARSHALL (JANE)

Basketball '26; Opera Club 4 Semesters; Orchestra 2 Semesters; Girls' Athletic Club 6 Semesters; Honor Roll 5 Semesters.

Now Jane's a tall blonde, wondrous fair;
Of Tech Spirit she has her share.
Be't game or track meet;
While Jane has her feet,
We'll never miss finding her there.

WHITFIELD HUFF MARSHALL (PAT)

Cadets 2 Semesters; S. O. S. Representative 1 Semester; Track '26; Assistant Manager Basketball '26; "Clarence."

Our "Pat" is a handsome young man,
With bow-ties as big as a fan,
And as he's a sheik,
He's not very meek,
But acts like a true "Techite" can.

THE TECHITE 1927

JOHN ALBERT MARTIN

(JACK)

Tech Life Representative 2 Semesters; Tech Life Staff 3 Semesters; Dramatic Club 6 Semesters; "Comedy of Errors"; "Clarence"; Sergeant-at-Arms '25; Vice-President '26; President '27; Vice-President Sixth Semester Class '26; President Seventh and Eighth Semester Class; Joseph H. Daniel Glee Club 2 Semesters.

Our Jack is a versatile lad,
Who ne'er for a moment is sad;
With girls he's a shark;
Enjoys a good lark,
Which makes the whole faculty mad.

JASON ERNEST MATTHEWS

Now Jason woke up in the night
And after much thought said, "That's right,
To stick down my hair
With lard I will dare,
And then I'll not look such a fright."

ALICE MIDDLETON MAYO

(BOOKIE)

Science Club 2 Semesters; Basketball 6 Semesters; Championship Team '27; Opera Club 4 Semesters; Tennis Tournament '24, '25, '26; Hiking Club 2 Semesters; Swimming Club 4 Semesters; "Techite" Staff; Girls' Athletic Club 6 Semesters; Section President 1 Semester; Pals and Palettes 2 Semesters; Honor Roll 6 Semesters.

Now here's to our wide-awake Bookie,
Who, ever since she was a rookie
Has added her store
Of Spirit and more.
On Alice I'd bet my last cookie.

RUTH LOUISE MILES

(RUTHIE)

Opera Club 7 Semesters; "Chimes of Normandy"; "Robin Hood"; "Pirates of Penzance"; "The Gondoliers"; "Iolanthe"; Honor Medal; Tech Life Staff 2 Semesters; "Techite" Staff; French Club 1 Semester; Girls' Athletic Club 7 Semesters.

A Techite on whom we'll depend
Is Ruth, who'll stick to the end.
She's so cute and sweet,
Her dancing's a treat;
Before her the boys will all bend.

DAVID SCOTT MILLER

(SLEEPY)

Officers' Club 2 Semesters; Cadets 8 Semesters; First Lieutenant '27.

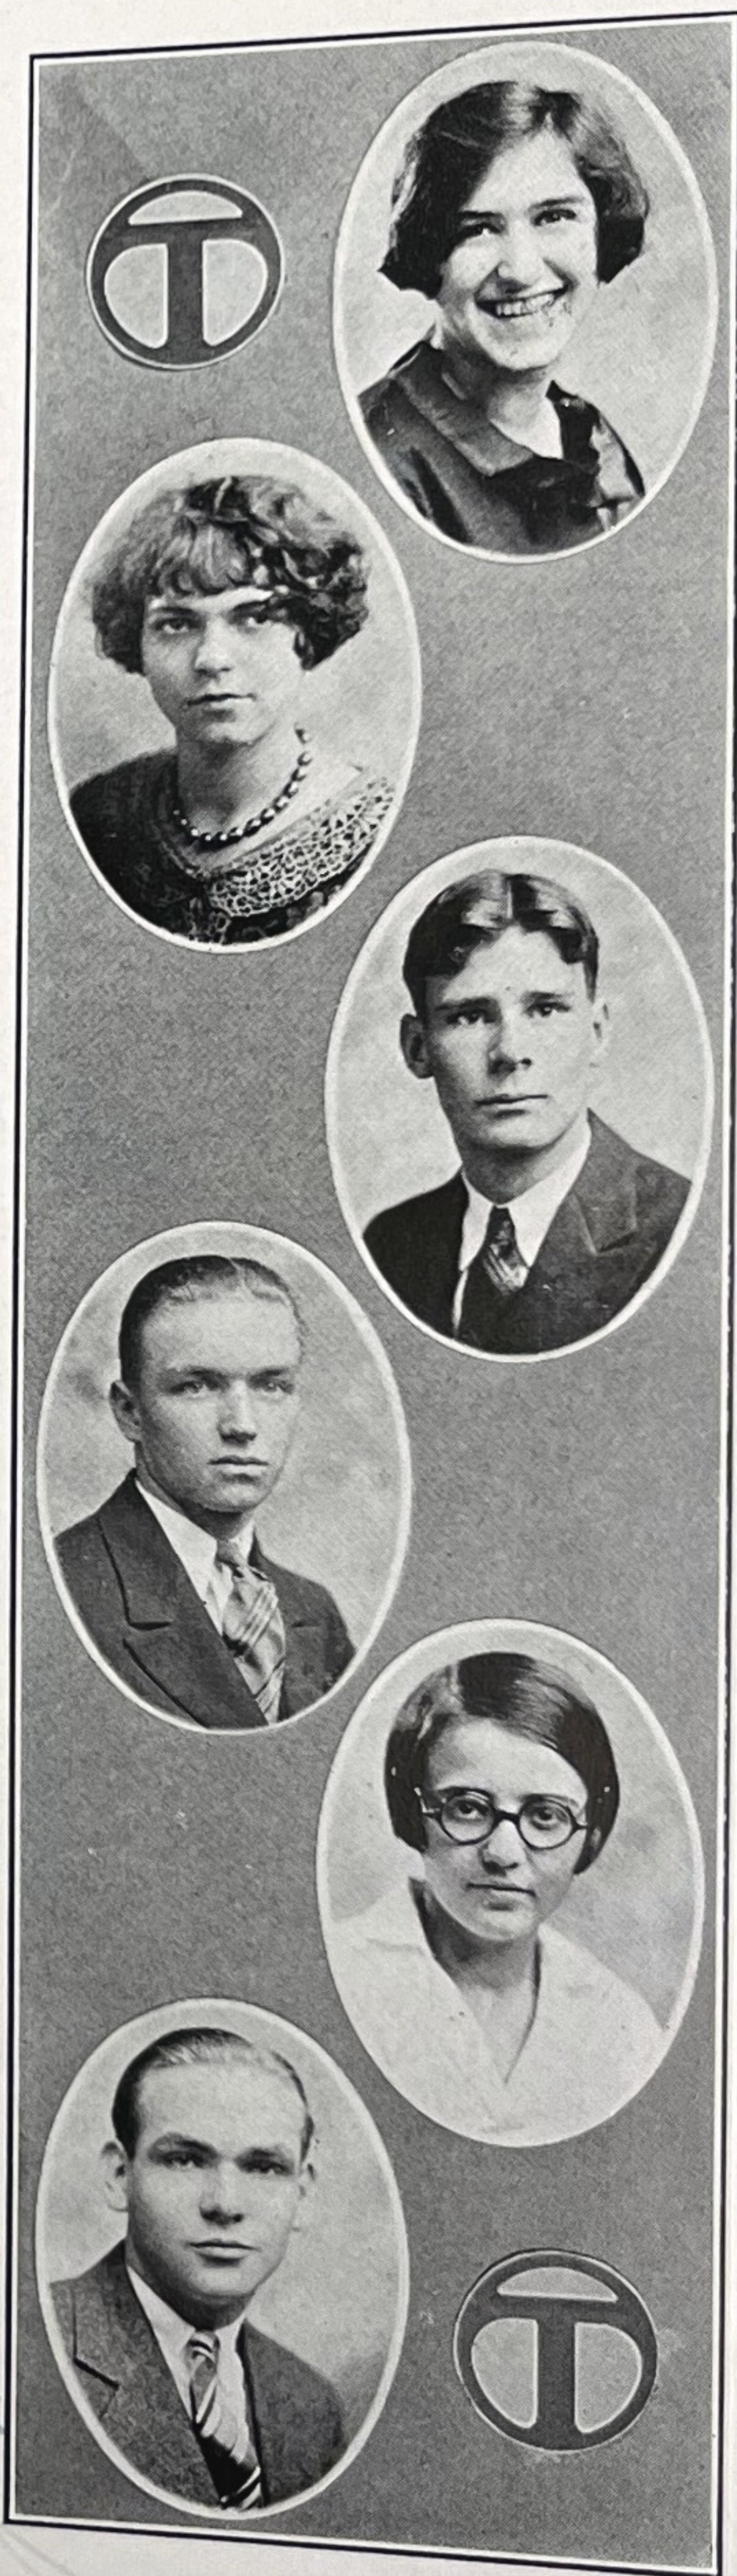

Dave Miller's a studious lad,
Who makes all the teachers' hearts glad;
He's a faithful cadet
And hasn't flunked yet,
But, of girls, he is so shy, 'tis sad!

ANNA LaVERNE MILLER

Opera Club 2 Semesters; Dramatic Club 2 Semesters; Tennis Tournament '26; Basketball 2 Semesters; Championship Team '27; Honor Roll 5 Semesters.

Now this little girl is quite bright,
She always stands up for the right.
Of boys she is shy,
I'm sure that is why
She tries to keep out of their sight.

GRACE NORRIS MOOMAW (GRACIE)

Basketball 8 Semesters; Captain '24; Manager '25, '26; Minor "T" '24, '25; Rifle Team '23, '24; Manager '24; Minor "T" '24; Tennis Tournament '24, '25, '26; "Techite" Staff; Girls' Athletic Club 6 Semesters; Tech Life Representative 2 Semesters; Banking 6 Semesters; President '26; Science Club 2 Semesters; Pharos 3 Semesters; Honor Roll 7 Semesters; Honor Medal; Scholarship; T. S. P. C. Representative Bank '27; T. S. P. C. Representative Basketball '27.

A very grave maiden named Grace
Has won for herself a high place
As head of the bank.
We have her to thank
For being our Athletic Ace.

GENEVIEVE JULIA MORELAND

Dramatic Club 2 Semesters; Opera Club 2 Semesters; "Robin Hood"; Pals and Palettes 3 Semesters; Girl Reserves 2 Semesters.

Now this pretty raven haired maid
In all subjects will make the grade;
She jumps at th' chance
To sing and to dance;
From our mem'ry she ne'er will fade.

FREDERICK HENRY MORHART (BOHUNK)

Circle "T" Club 2 Semesters; "Techite" Staff '27; Sport Editor; Pharos 3 Semesters; Cadets 2 Semesters; Football '25, '26; Assistant Manager '25; Manager '26; Circle "T"; Track '25, '26, '27; Opera Club 8 Semesters; "Pirates of Penzance"; "The Gondoliers"; "Iolanthe"; Honor Medal; G. O. Representative 4 Semesters; Seventh and Eighth Semesters Representative; Honor Medal G. O.; Section President 4 Semesters; S. O. S. Representative 1 Semester; Hi-Y Club 4 Semesters; Vice-President; Tech Life Representative 1 Semester; Honor Roll 4 Semesters.

Now Morhart's an all around man;
At everything he is just gran'.
At sports he is fine,
With girls has some line
For he treats them as would a cave man.

HERMAN CYRUS MORRIS

This picture shows you our friend Morris,
Who some day will head Ziegfeld's Chorus.
'Tis well understood
His music is good
And never with this does he bore us.

WILMA CONSTANCE MYERS

Section President 6 Semesters.
Our Connie's so kind, you can see,
That everyone's friend she would be.
She studies her French
At her little bench
And tries very hard to make "E".

JOSEPH McCANN (JO)

Cadets 6 Semesters; Brigade Sergeant '26; S. O. S. Representative 1 Semester; Section President 4 Semesters; Orchestra 3 Semesters.

We've now come to Joseph McCann,
A popular, handsome, young man.
The girls stand and stare
At this hero fair;
Why say any more of this man?

THE TECHITE 1927

GREGG HAPER McCLURG

(MAC)

Radio Club 2 Semesters; S. O. S. Representative 4 Semesters; Opera Club 2 Semesters; Boys' Glee Club 1 Semester; Honor Roll 3 Semesters.

A quiet young fellow is "Mac",
At studying he sure has a knack,
An artist of note,
On him the girls dote,
But attentions from him they all lack.

HENRY BRIGHT McDONALD

Opera Club 8 Semesters; Principal "The Gondoliers"; Principal "Iolanthe"; Dramatic Club 1 Semester; First and Second Semesters G. O. Representative; Section President 3 Semesters; Football '25, '26, '27; Circle "T" '27; Track '25, '26, '27; Circle "T" Club 2 Semesters; Hi-Y Club 8 Semesters; Treasurer 4 Semesters; Tech Life Representative 2 Semesters.

At Opera Club and at track
Our Henry has taken a whack;
As Lord Chancellor
His jokes made us roar.
Of honors he has a huge stack.

WILLIAM CARDEN McHENRY

(MAC)

Cadets 8 Semesters; Regimental Adjutant '27; Second Place Battalion '26; Silver Medal '24; Officers' Club '27; Dramatic Club 3 Semesters; "Clarence"; Joseph H. Daniel Glee Club 1 Semester; Honor Medal Cadets; Science Club 2 Semesters; Tech Life Staff 2 Semesters; Spanish Club 2 Semesters; Sergeant-at-Arms 1 Semester; Art Editor "Techite"; Class Lawyer '27.

Our Bill's a cadet on the staff.
Wise cracks from this chap cause a laugh;
At drawing he's clever,
Because of endeavor
He's not like the general riff-raff.

NORVELLE HOWISON NEWTON

Entered in Third Semester; Opera Club 4 Semesters; "Robin Hood"; Principal "The Gondoliers"; Tech Life Rep. 2 Semesters; Section President 2 Semesters.

Of course you all know our Norvelle,
With a voice just as clear as a bell.
In opera she shines,
Does not miss her lines;
Her merits—we've not space to tell.

WILLIAM WARREN NIGH

(BILL)

Radio Club 3 Semesters.

There was a young fellow named "Nigh,"
Who is, in all studies, ranked high;
To round out his life,
He married a wife,
And now his whole life is a sigh.

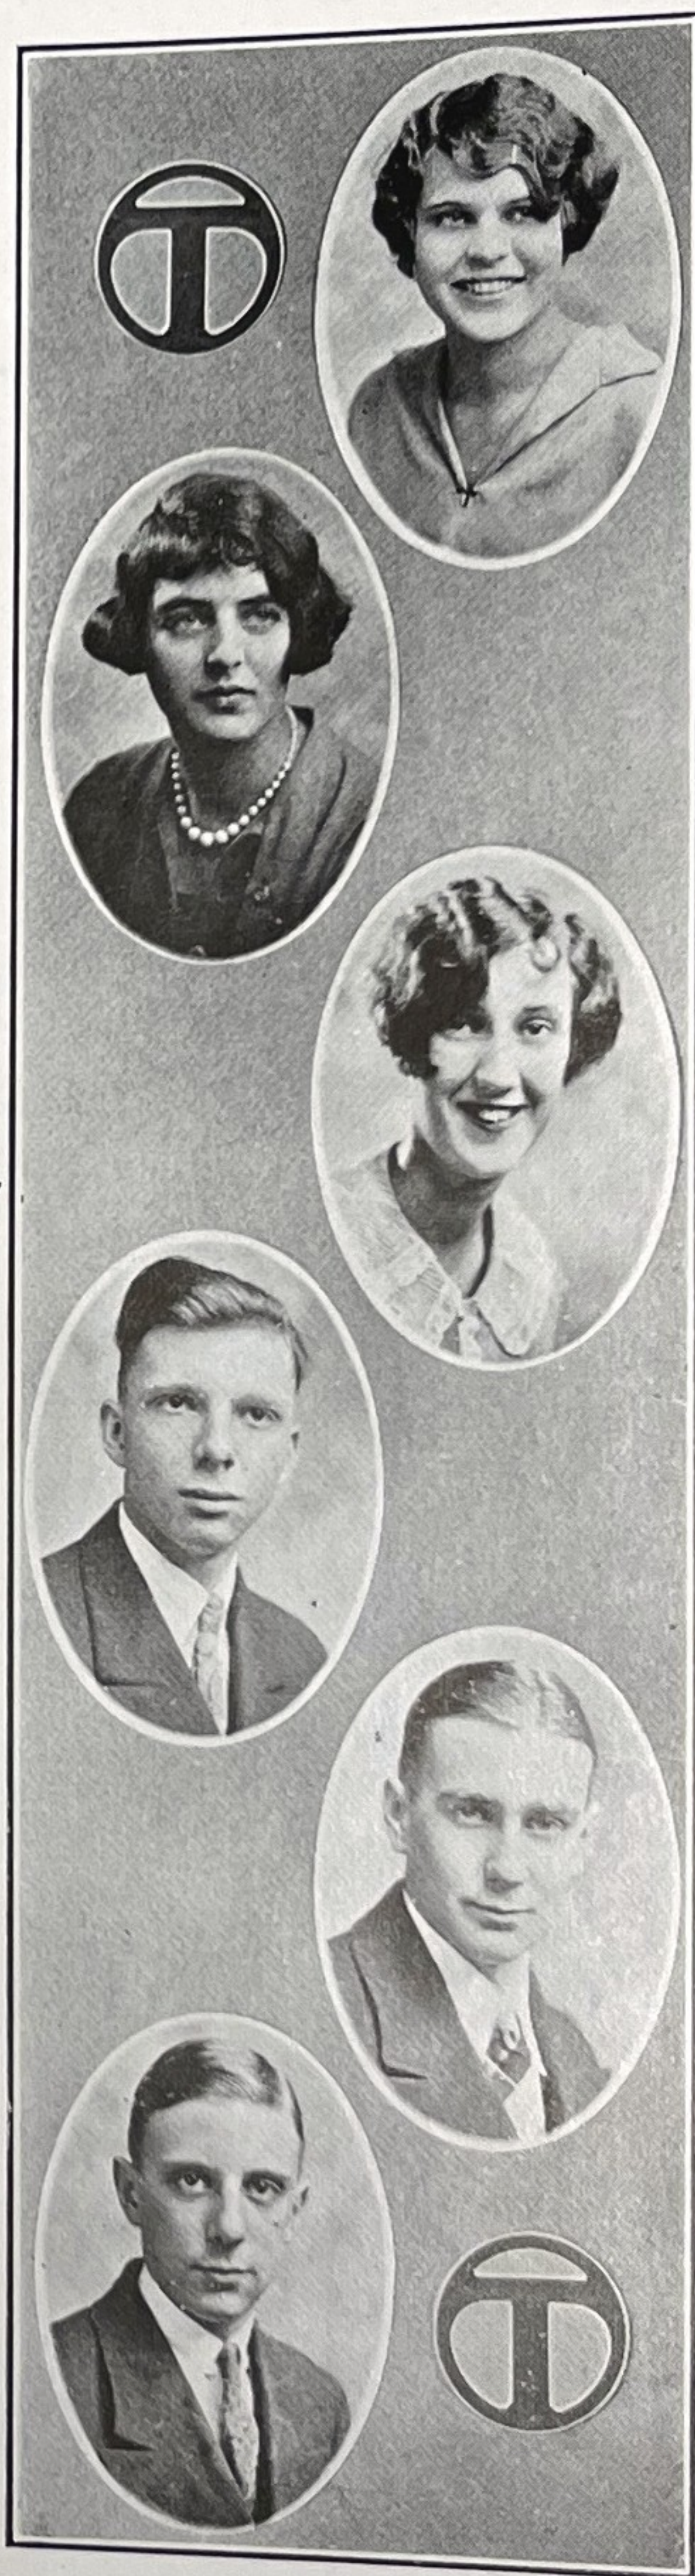

BERTHA DEMAREST NOBLE

(DOLLY)

Opera Club 3 Semesters; "Robin Hood"; Girls' Athletic Club 1 Semester; Hiking Club 1 Semester.

Our Bertha's not reckless nor daring;
In rage she would ne'er be caught raring;
She's one who is true
To Tech through and through;
May she in good luck e'er be sharing!

*Grace
Randall*

MARY HELEN O'NEIL (SALLY)

Entered in Fourth Semester; Opera Club 4 Semesters; "The Gondoliers"; "Iolanthe"; Dramatic Club 2 Semesters; "Techite" Staff '27; Graduating in 3½ years.

Here's one of our best girls at Tech;
Admirers flock 'round by the peck.
She's good in each class
And always will pass;
She's full of good humor, by heck!

MARGARET OLIVE PARSONS (PEGGY)

Entered in Third Semester; Opera Club 6 Semesters; Honor Medal; Dramatic Club 4 Semesters; Rifle Team '25, '26; Minor "T" '26; S. O. S. Representative 2 Semesters; Spanish Club 2 Semesters; "Pirates of Penzance"; "The Gondoliers"; "Iolanthe"; Hiking Club 2 Semesters.

Now Peggy's a smart little miss;
When you want her just S. O. S.
She's not proud or shy,
Looks straight in your eye,
And who can do better than this?

GRACE ELIZABETH RANDALL (BOBBY)

Our Grace is so happy and gay,
She's ready to do all she may.
She's pretty and shy
And maybe that's why
She has a most lovable way.

BERTRAND LOUISE RICHTER (BERT)

Cadets 8 Semesters; Boys' Glee Club 4 Semesters; Orchestra 4 Semesters.

Now here's a violinist of fame;
To play in a jazz band's his aim.
He's not all for fun,
For when work's begun,
We find that his zeal is the same.

ROBERT EBER RILEY (BOB)

If ever you have a big job
Just call on our pal, "Ready Bob."
Although he's a beauty,
He knows what's his duty
And eats all his corn on the cob.

ALFRED MARIUS RINAUDOT (AL)

Cadets 4 Semesters; Orchestra 1 Semester; Radio Club 3 Semesters.

Rinaudot's a boy very fine,
In Chemistry surely does shine;
For all that he does,
He does with a buzz
And all just because of his line.

THE TECHITE 1927

GEORGE ELLIS ROBEY

(HICK)

Cadets 8 Semesters; Second Lieutenant Co. "A" '27; Second Place Battalion '26; Honor Medal; Opera Club 6 Semesters; "Chimes of Normandy"; "Robin Hood"; "Pirates of Penzance"; "The Gondoliers"; Honor Medal; S. O. S. Representative 2 Semesters; Officers' Club '27.

"I sing up to G," said Robey;
"I've often been told so, you see,
Whene'er I sing high,
The folks who are nigh
Advise me to cease, or to flee!"

HORACE DELANEY ROSE

(ROSIE)

Entered in Third Semester; Tech Life Staff 1 Semester; Cadets 1 Semester.

Throughout all Tech "Rosie" is known
As one who o'er lessons does groan.
But he doesn't mind,
For he's not the kind
That heeds this life's serious tone.

ELMER TURNER ROSS

Of course you have heard of our Ross,
Whose brilliant mind gathers no moss;
For 'tis understood
His memory is good,
And you know that's no applesauce.

STUART BLAKE ROW

(STEW)

Section President 1 Semester; Radio Club 4 Semesters; Vice-President 1 Semester; Glee Club 4 Semesters; Track '26.

At Chemistry "Stew" is a shark,
Though it does not show in his mark.
With girls he is shy,
He passes them by,
But with George he will play any lark.

RUTH ANNA SALTZMAN

Graduating in 3½ years; Girl Reserves 1 Semester; Basketball '26, '27; Friendship Club 2 Semesters; Honor Roll 7 Semesters.

A fine little girl is our Ruth,
In this we are telling the truth.
She's little but mighty,
A tiny bit flighty.
And full of good humor and youth.

GWENDOLYN SARGENT

(GWEN)

Opera Club 7 Semesters; "Robin Hood"; "Pirates of Penzance"; "The Gondoliers"; Swimming Club 2 Semesters; Girls' Athletic Club 2 Semesters; Section President 1 Semester; "Techite" Staff.

At dancing our Gwen can't be beat.
She charms any boy she may meet.
Your troubles will end,
If taken to Gwen.
To know her is surely a treat.

RICHARD DITTRICH SCHMIDTMAN (DICK)

Cadets 8 Semesters; First Lieutenant on Battalion Staff '26; First Lieutenant Colonel '27; Second Place Battalion '26; Second Place Regiment '24; Officers' Club 3 Semesters; Vice-President '27; Tech Life Staff 2 Semesters; Honor Roll 5 Semesters.

Tech's Colonel is stern Richard D.
A noted Debater is he;
And when he commands
So firmly he stands,
In Pershing's place some day he'll be.

LEO JOSEPH SCHRIDER (LEE)

Here's one with a fine disposition,
And this is no mere supposition.
His high marks in history
To us are a myst'ry,
Perhaps it's just good intuition.

ALBERT JAMES SCIACCA

Now Sciacca's a perfect brunette,
We all know he hasn't flunked yet.
His flashing black eyes,
Cause many deep sighs;
With girls he's well liked you can bet!

EDWIN CLARK SEATON

Cadets 8 Semesters; Radio Club 2 Semesters;
Boys' Glee Club 2 Semesters.

Seaton once decided to write
Some verses of bravery and might;
But now he is done
For words wouldn't come,
And thus he was left in a plight.

JOSEPH ROCCO SESSO (JOE)

Joe Sesso's an able young chap;
For lessons he gives not a rap.
But if he would try,
His marks would be high,
For his head holds more than his map.

SAMUEL SHAFFER (SAM)

Tech Life Staff 6 Semesters; Tech Life Representative 1 Semester; Associate Editor '27; Honor Medal; Dramatic Club 7 Semesters; Christmas Play; "Secret Service"; "Clarence"; Opera Club 4 Semesters; "Chimes of Normandy"; "Robin Hood"; Honor Roll 1 Semester.

A stout little boy is our "Sam,"
Who answers his teachers "Yes, Ma'am."
His hobby is speech,
He'll stick like a leech;
In Chemistry he is a "wham."

THE TECHITE 1927

JAMES LEWIS SHOTWELL (LUKE)

Now here's a fine boy from Falls Church,
Who'll never be left in the lurch;
Though he's from the sticks,
He resembles no hicks;
For others like him we all search.

MAURICE SHUKEN

Entered in Third Semester; Cadets 4 Semesters;
Opera Club 1 Semester; "Robin Hood"; French
Club 1 Semester; Graduating in 3½ years.

We have with us here our own "Shuke,"
Whose manner is that of a duke.
With girls he is tight,
But he'd be all right
If he'd learn to play on the "uke."

EDWARD BARNWELL SMITH (BARNEY)

Cadets 4 Semesters; First Place Regiment; Third
Place Battalion; Basketball '26, '27.

Now here is a basketball star,
Whose prowess is known near and far;
"Barney" is his name,
And great is his fame,
For he is a pal above par.

GUERRY RIGGLES SMITH (JIGGS)

Cadets 8 Semesters; Second Place Regiment '24,
'26; First Lieutenant '27; Private's Medal '24;
Officers Club '27; Joseph H. Daniel Glee Club
2 Semesters; Tech Life Representative 1 Semester;
Science Club '27; Honor Roll 2 Semesters.

Now Smith is a name of great note;
And our "Jiggs" is never the goat.
He studies all night,
Does everything right;
He knows how to paddle his boat.

HAZEL MAMIE SMITH

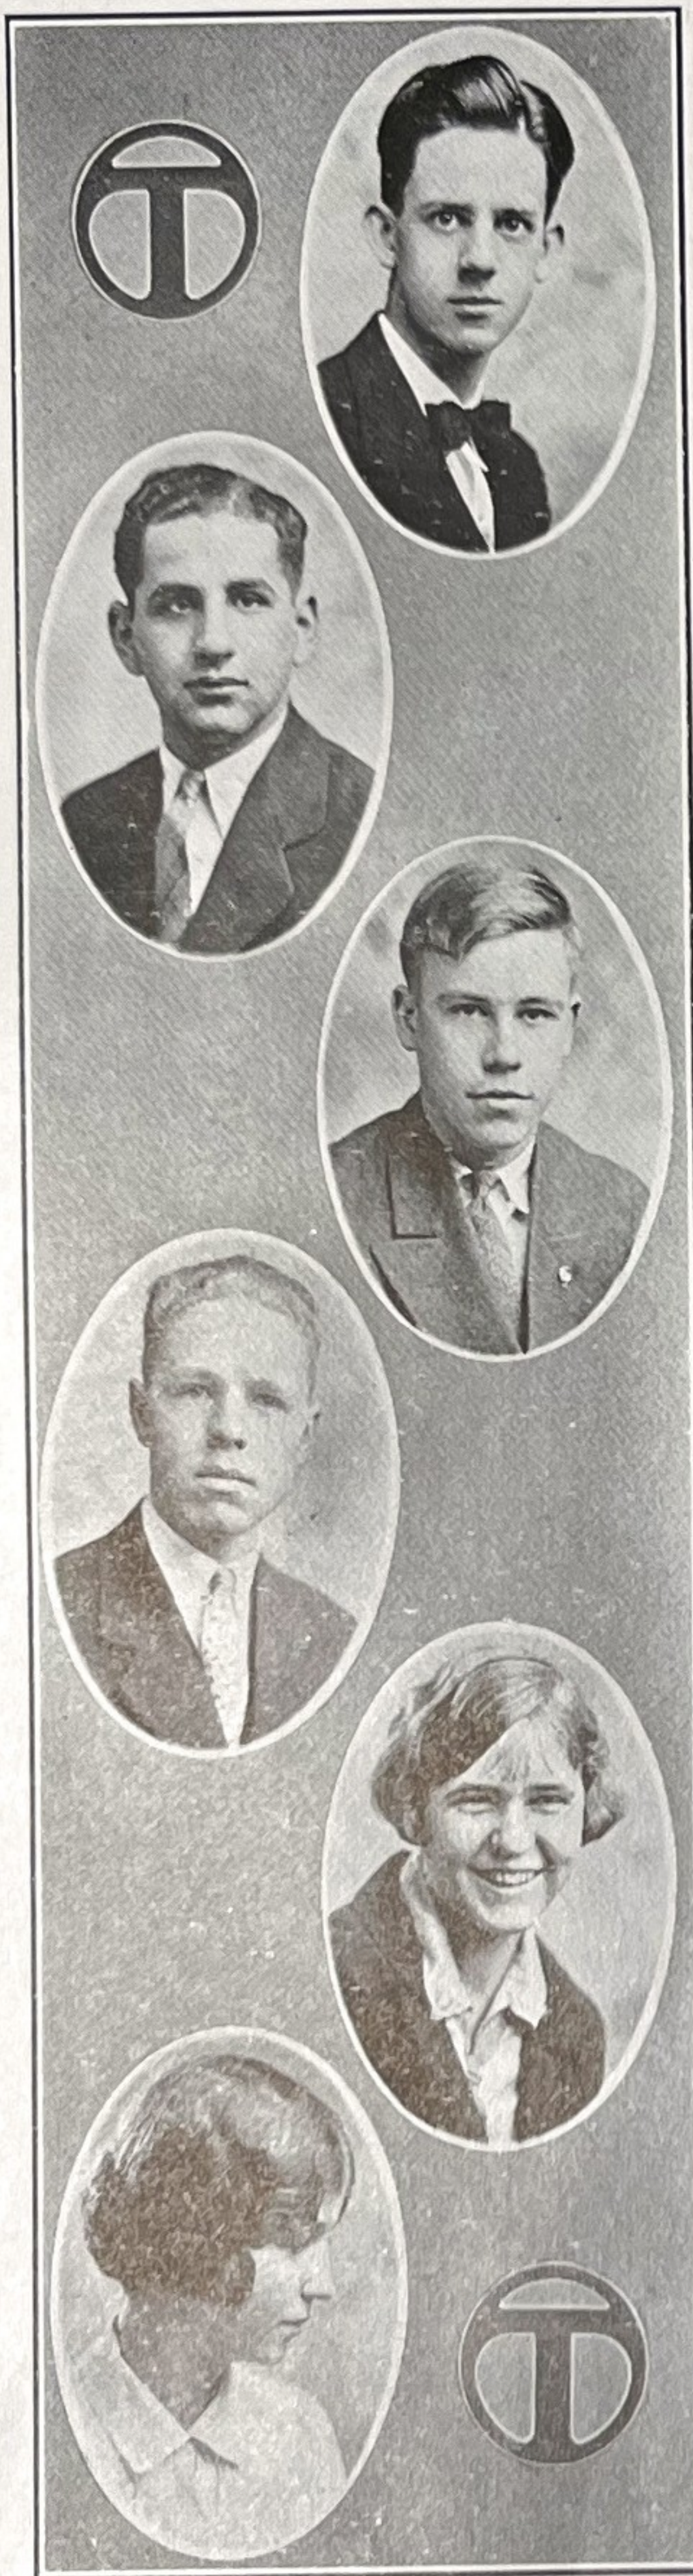

Dramatic Club 4 Semesters; Hiking Club 2 Se-
mesters; Honor Roll 1 Semester.

Now here's a true Techite we'll say,
For Hazel's helped Tech all the way.
She's quiet about it;
Does not have to shout it.
For her we will all yell hooray!

HELEN BEATRICE SMITH

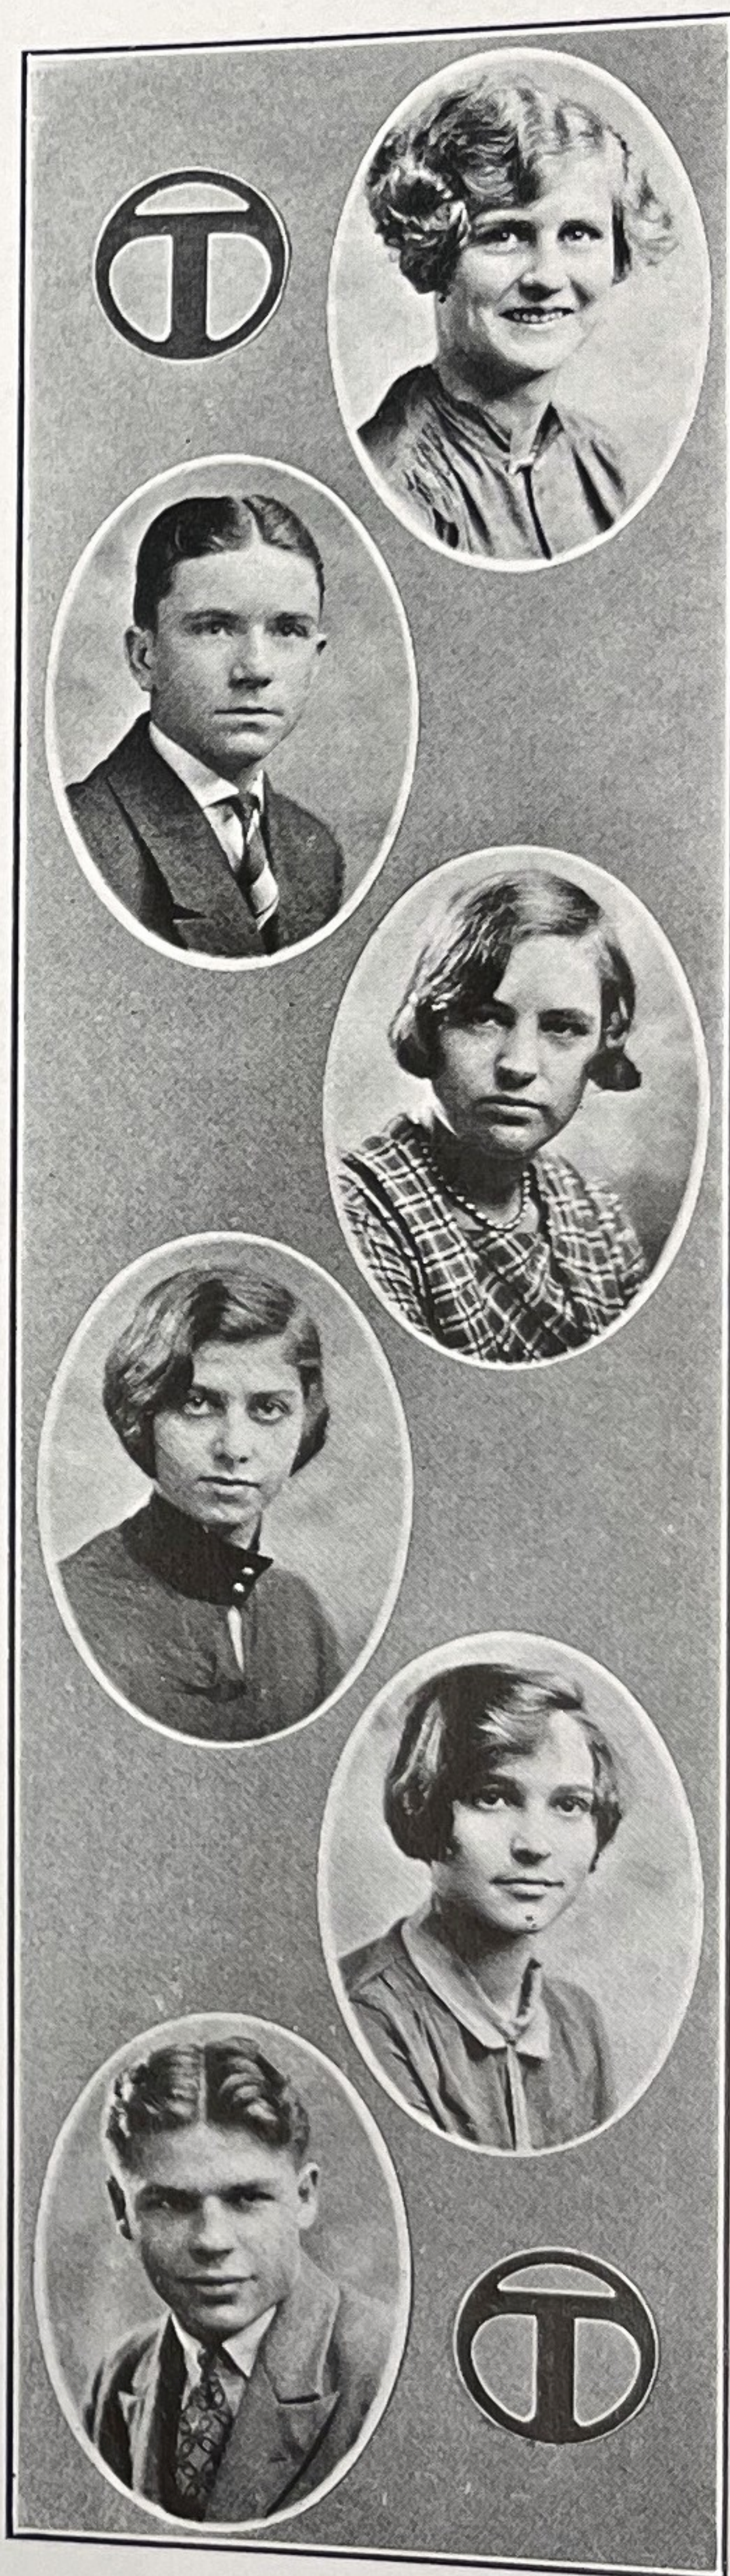

Entered in Third Semester; Opera Club 6 Semes-
ters; "Pirates of Penzance"; "The Gondoliers";
"Iolanthe"; Dramatic Club 3 Semesters; Pals and
Palettes 4 Semesters.

Now Helen's a girl you should mind,
A nicer one you'll never find.
She's happy and gay,
Has such a sweet way
We wish there were more of her kind.

Jiggs Smith

THE TECHITE 1927

OLGA ELISE SONNENBERG (SONNIE)

Entered in Fourth Semester; Opera Club 4 Semesters; Dramatic Club 1 Semester; Pals and Palettes 4 Semesters; Spanish Club 2 Semesters; Vice-President 2 Semesters; Tech Life Representative 1 Semester; Graduating in 3½ years.

Here's Olga whose nickname is "Sonnie";
She's one who is really quite funny.

For if you are sad,
She'll make you feel glad;
Her smile doesn't cost any money.

WILFRED BARTON SPRINKLE (BILL)

Cadets 4 Semesters; Second Place Battalion '26; G. O. Vice-President '26; Glee Club 1 Semester; Dramatic Club 2 Semesters; Tech Life Staff 2 Semesters; Photo Editor "Techite"; Cheerleader 2 Semesters; S. O. S. Representative 1 Semester.

Now Wilfred is not very tall,
But for him the flappers do fall.

Vice-President was he,
He's good company;
His leading is followed by all.

BARBARA MILLICENT STACY (BILLY)

Opera Club 6 Semesters; "The Gondoliers"; Honor Roll 2 Semesters.

There is in our group a sweet lass,
Who carefully works in each class.

Of Barbara we sing,
And we'll say this thing,
Of pleasure we wish her a mass.

ANNIE SYLVIA STOLAR

Dramatic Club 2 Semesters; Opera Club 1 Semester; "Robin Hood"; Agora 4 Semesters; Member of Winning Team; Secretary-Treasurer '26, '27.

Now Annie's our youthful debater,
Tech's proud to be her Alma Mater.

Of Agora fame
She'll make a great name,
In Congress she'll be soon or later.

ELEANOR STUTLER (ELNA)

Dramatic Club 6 Semesters; T. S. P. C. 1 Semester; "Clarence"; Tech Life Staff 2 Semesters; "Techite" Staff; Opera Club 2 Semesters; "Robin Hood"; Spanish Club 2 Semesters; Secretary-Treasurer 1 Semester; Tech Life Representative 2 Semesters; S. O. S. Representative 1 Semester; Swimming Club 2 Semesters; Girls' Athletic Club 1 Semester; Honor Roll 7 Semesters; Pharos 3 Semesters.

Now Eleanor's our language star,
In that line she'll go very far.

Her spirit is rare,
She's bright and she's fair.
We hope fate her life will not mar.

FRANK AUGUST STUTZ (GRACIE)

Cadets 3 Semesters; Best Private Company "A"; Football '24, '25, '26; Captain '25; Track '25, '26, '27; Circle "T" Club 5 Semesters; Hi-Y Club 4 Semesters; Secretary '26; Opera Club 8 Semesters; "Robin Hood"; "Chimes of Normandy"; "Pirates of Penzance"; "The Gondoliers"; "Iolanthe"; Honor Medal; S. O. S. Representative; Vice-President Sixth Semester Class; Sergeant-at-Arms Seventh and Eighth Semesters Class.

As Captain of Tech's Football Team
This year he made those Athletes beam.

In all of his classes
With high marks he passes,
And thus a true Techite he'd seem.

THE TECHITE 1927

STANLEY WARN TENNY

(STAN)

Section President 2 Semesters; S. O. S. Representative 2 Semesters; Honor Roll 6 Semesters; Opera Club 4 Semesters; Cadets 4 Semesters; French Club 1 Semester.

A carefree young chap is our Tenny,
For work he cares nary a penny.
He's lively and gay,
Ever ready for play,
And so he's the good friend of many.

AUGUST WILLIAM TERNEAK

(AUGIE)

Section President 3 Semesters; Circle "T" Club 3 Semesters; Football 2 Semesters; Track 4 Semesters; Basketball 8 Semesters; Captain '26.

Though Augie's a quiet sort of lad,
He always makes others feel glad.
He's Technical's fort
On the basketball court,
Which makes his opponents quite sad.

CHARLES ALVIN THADEN

(BUGS)

Glee Club 2 Semesters; Joseph H. Daniel Glee Club 2 Semesters; S. O. S. Representative 5 Semesters; Mandolin and Guitar Club 2 Semesters.

On seeing an old Ford Coupe,
" 'Tis that of 'Bugs' Thaden," they say;
He's pleasant and dapper,
He'll fall for some flapper,
And then, he'll just love and obey.

CHARLES JOSEPH THOMPSON

(CHARLIE)

Agora 2 Semesters; "Techite" Staff '27; Joseph H. Daniel Glee Club 2 Semesters.

Our young friend Charles Thompson is bright.
He works at his lessons each night.
He's quiet and nice,
Is brimful of spice;
We'd say that he'd pass as "all right."

MARGARET COOPER TOLSON

(NEBBIE)

Orchestra 5 Semesters; Treasurer 2 Semesters; Swimming Club 1 Semester; Girls' Athletic Club 2 Semesters; Tech Life Staff 3 Semesters; Honor Medal; Pharos 3 Semesters; Associate Editor Tech Life 1 Semester; Vice-President Pharos 2 Semesters; Limerick Editor of "Techite"; Honor Roll 7 Semesters.

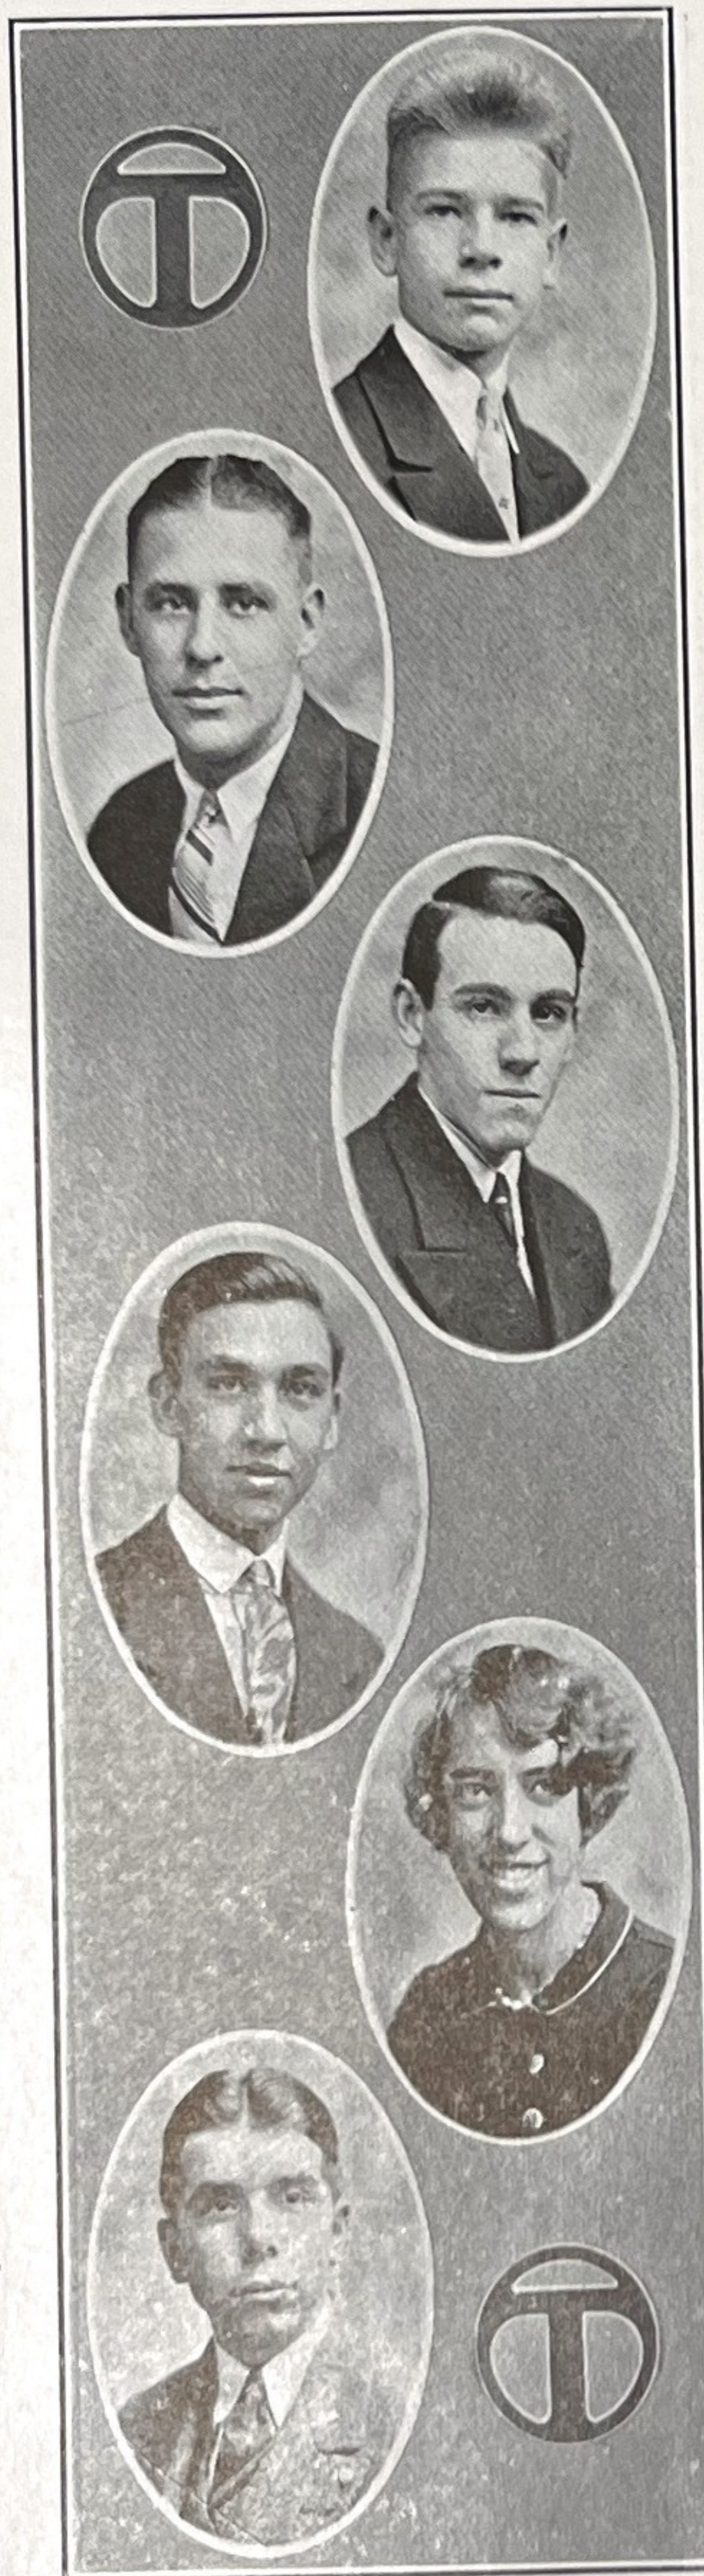

A genius upon the "pianner,"
The honor roll leads in fine manner.
A "wiz" at "Tech Life,"
Imagine the strife
When she's no more under Tech's banner!

LEROY BRODBECK VOSHALL

(SIR GALAHAD)

"I never felt the kiss of love,
Nor Maiden's hand in mine."
—Tennyson.

THE TECHITE 1927

WILBERT EDGAR WAGENER (BILL)

O here is a boy very real!
For him all of us deeply feel.
His brains will not rust;
He'll do or he'll bust;
From him you will get a square deal.

JUDITH HOLT WALTON (JUDY)

Opera Club 1 Semester.

Among us we have a neat maid;
At her feet are many hearts laid.
To sing, Judy craves;
The high "C's" she braves,
And for her no other we'd trade.

ALVIN GUSTAVE WASSMAN

Cadets 8 Semesters; Captain Company "A" '27;
Best Corporal '25; Best Sergeant '26; Officers' Club
2 Semesters; Third Place War Game '26; Glee
Club 4 Semesters; Dramatic Club 2 Semesters;
"Clarence"; Section President 1 Semester; Tech
Life Representative 1 Semester.

An excellent chap have we here;
His jollity's long as the year.
In size he is big,
In books he does dig;
In spunk he is not in the rear.

DOROTHY WATKINS (DOT)

Pals and Palettes 3 Semesters; Opera Club 8
Semesters; "Chimes of Normandy"; "Robin Hood";
"Iolanthe"; Basketball '26, '27.

Of Dorothy our idea is hazy,
But we'll all admit she's not lazy;
She's anxious to please,
Acquires all "E's",
And always acts proper, not crazy.

ELINOR GEORGIANA WEBB

Honor Roll 6 Semesters; Tech Life Representa-
tive 1 Semester; Section President 5 Semesters;
Rifle Team 1 Semester; Latin Club 2 Semesters;
Science Club 2 Semesters; Basketball '24, '25, '26,
'27; Championship Team '26.

Our Elinor's a basketball star
Whose playing is much above par.
In studies she's fine;
In physics does shine;
No failures her record will mar.

ROBERT LOUIS WEINTRAUB (TUBBY)

Graduating in 3½ years; Cadets 7 Semesters;
Second Place Battalion '26; Dramatic Club 3 Seme-
sters; Boys' Glee Club 2 Semesters; Honor Roll 4
Semesters.

This boy is so modest and meek,
High marks above all he does seek;
At fun he won't run,
But stays till it's done
He's just like the rest, not a freak.

THE TECHITE 1927

MARIAN ELIZABETH WHITE

(MARIAN)

Secretary Sixth Semester Class.

Let's introduce Marian White,
Who joyously dances all night;
She's at every ball,
Is envied by all,
For her charming way is just right.

GEORGE THOMAS WILKINSON, Jr.

(GEORGE)

Cadets 4 Semesters; Honor Roll 4 Semesters;
S. O. S. Representative 1 Semester; Radio Club
2 Semesters; Secretary-Treasurer 1 Semester; Rifle
Team 1 Semester; Boys' Glee Club 2 Semesters.

Gorge Wilkinson's e'er full of glee;
From jokes like he tells we all flee.
He's brimful of joy,
A diligent boy
Who goes at his work like a bee.

MARTHA JANE WILLIAMS

Basketball '25, '26; Dramatic Club 6 Semesters;
Secretary 2 Semesters; Christmas Play; Tennis
Tournament '26; Swimming Club 2 Semesters;
Girls' Athletic Club 2 Semesters; Fifth Semester
Representative; Section President 2 Semesters;
S. O. S. President '26; Honor Roll 5 Semesters.

Here's Martha, our S. O. S. head,
We'd take no one else in her stead.
In drama she's fine
And with her good line
She'll work for old Tech 'til she's dead.

VILETTA MAE WILMOTH

Graduating in 3 years; Opera Club 6 Semesters;
Dramatic Club 3 Semesters; Rifle Club 2 Semesters;
Pals and Palettes 2 Semesters; Spanish Club 2
Semesters; Latin Club 2 Semesters; Girl Reserves
4 Semesters; Secretary '26; Honor Roll 2 Semesters.

Viletta is gentle and shy,
Though it would be hard to say why.
She's always reserved
And ne'er gets unnerved
When tests and reports meet her eye.

JULLIEN FRANCIS WINNEMORE

(HAPPY)

Cadets 8 Semesters; Officers' Club 2 Semesters;
First Lieutenant Company "A"; Orchestra 8 Se-
mesters; S. O. S. Representative 1 Semester.

An ardent cadet is young Jule,
On the orchestra's drums he's no fool.
His lessons he'll slaughter,
While he courts "Pop's" daughter;
In fact he's the beau of the school.

ISABELLA FRANCES YOUNG

Entered in Third Semester; Pals and Palettes 2
Semesters; Opera Club 2 Semesters; Dramatic
Club 2 Semesters.

Our Isabella's blithesome and gay,
In not such a flapperish way.
Her talents she lends
To artistic friends.
We know she'll be famous some day.

THE TECHITE 1927

LOUIS ZANOFT
(LOUIE)

Entered in Third Semester; Track 2 years; Tennis 2 years; Opera Club 2 years; "The Gondoliers"; Boys' Glee Club 1 Semester; Advertising Manager of "Techite"; Honor Roll 5 Semesters.

From Russia a chum have we here,
Who's helped the school all through the year
He's fast on the track
And never way back
In greetings so brim full of cheer.

MIRIAM H. SELAH
Faculty Adviser

WDR RATES

CLASS OF FEBRUARY, 1928

THE TECHITE 1927

HOWARD WINBERN ADCOCK (TUBBY)

Football '26; Track '26; Cadets 2 Semesters;
Joseph H. Daniel Glee Club 3 Semesters; Hi-Y Club
3 Semesters; Tech Life Representative 1 Semester;
Radio Club 1 Semester.

Our Howard's a boy with a grin.
In football he's helped us to win.
He isn't so tall,
But that isn't all,
He also is neither so thin.

GEORGE G. AETOPOULUS (JOR)

Cadets 2 Semesters; Joseph H. Daniel Glee Club
4 Semesters; Latin Club 2 Semesters; Agora Club
1 Semester.

The thoughts of our George are far reaching,
He's one who is never found preaching;
The girls he respects,
But their whims he rejects,
In spite of their ardent beseeching.

JOHN GREER ANDREWS (JOHNNIE)

Cadets 7 Semesters; Orchestra 6 Semesters.

In section he's quiet, this John,
For every mornning he's gone;
To us he's a riddle,
But plays a mean fiddle.
At dances he stays until dawn.

HARRY ALVIN BARRON (HARRY)

Cadets 4 years; Captain Band '26; Officers' Club
2 Semesters; Orchestra 1 Semester; Opera Club 1
Semester; Dramatic Club 6 Semesters; Spring Min-
strel Show.

Now Harry parades in the band;
At this art he surely is grand.
He plays on the flute
Keeps time with his foot;
In drama, too, he lends a hand.

ARTHUR BEATTY BENNETT (ATTS)

Cadets 7 Semesters; Vice-President Sixth and
Seventh Semester Class; Section President 1 Se-
mester; Golf Team 3 Semesters; Vice-President 1
Semester; Tech Life Representative 1 Semester;
Cheer Leader '27.

This lad wears the noisiest hose;
To golf links for pleasure he goes;
He's light on his feet,
(To girls that's a treat)
He's welcomed wherever he goes.

ROBERT CHAN BING (BING)

Honor Roll 2 Semesters; Tennis 2 years.

This lad's name is Robert Chan Bing;
In studies he's ne'er missed a thing.
In time of exam
He never does cram,
So fame to his class he may bring.

A. B. Bennett

THE TECHITE 1927

WILLIAM CLIFTON BOISEAU (BOZO)

Tech Life Representative 3 Semesters; Baseball '26, '27; Opera Club 4 Semesters; "The Gondoliers"; "Iolanthe"; Glee Club 1 Semester.

A handsome young lad is our "Boisy";
As a rule he is what we'd call noisy,
In section more so,
In Opera—Oh no,
There his voice is like that of a Joisey.

MARY HAYES BOOTH

Tech Life Representative 1 Semester.

Now here's a young lady called Mary,
Who isn't the least bit contrary;
She has a sweet smile
That's sure to beguile,
So 'tis certain some day she will marry.

PAUL WOOSTER BRIGHTENBURG

Orchestra 4 years; Honor Medal '27; "Techite" Staff '27; Pals and Palettes 1 Semester; Dramatic Club 1 Semester; Tech Life Representative 1 Semester; Tech Life 6 Semesters; Tennis 1 Semester.

A violinist great is our Paul;
At bowing he sure beats them all.
When he, on his fiddle,
Plays "Hey diddle diddle,"
We think we're in some concert hall.

LEWIS DUDLEY BUCKINGHAM (BUCK)

Mandolin and Guitar Club 2 Semesters; Vice-President 2 Semesters.

Our "Buck" is a very nice guy,
To help you he always will try;
He likes to look nice
The girls to entice
And yet they all say he is shy.

EDNA MARIE BYRON (SNOOKIE)

Dramatic Club 2 Semesters.

A dancer have we in our class,
Who's really a clever young lass;
She's graceful and sweet
From her head to her feet.
We know from our hearts she'll not pass.

GEORGE ROCHE CALLAHAN (CALLIE)

Cadets 8 Semesters; Captain '27; Dramatic Club 3 Semesters; Opera Club 4 Semesters; "The Gondoliers"; Principal "Iolanthe"; Joseph H. Daniel Glee Club 1 Semester.

Now here's our friend George Callahan,
A fine looking young army man.
When his temper is sweet,
He just can't be beat.
Can he draggle a sword? He sure can!

THE TECHITE 1927

DONALD A. CHARLES

(DON)

Entered in Third Semester; Glee Club 6 Semesters; Opera Club 2 Semesters; "The Gondoliers"; Dramatic Club 1 Semester; Cadets 2 Semesters; Second Place Battalion.

Now Charles is a fellow who's mild,
He's never been known to act wild;
But when he gets mad,
He's quite a fierce lad;
And acts like a bull when it's riled.

VIRGINIA AURA CLEVEN

(JINKS)

Opera Club 2 Semesters; Pals and Palettes 1 Semester.

Now here's one who's bound to get through;
She studies all day and night, too.
But when she gets done
She's ready for fun,
And that's why she never gets blue.

HELEN MYRA COLT

Here's Helen who's very petite,
Her height measures scarcely five feet.
But what do we care,
For she's always there
With a smile that is cheery and sweet.

MARGARET ELIZABETH CONNOR

(PEGGY)

Orchestra 8 Semesters; Pals and Palettes 3 Semesters; Opera Club 3 Semesters; Rifle Team 1 Semester; Dramatic Club 1 Semester.

Here's Margaret, a friend who is true,
There's plenty to love of her, too!
Her violin she bows
In manner that shows
That she's excelled but by a few.

LESTER SALA CONSOL

(LES)

Opera Club 2 Semesters; "Iolanthe"; Joseph H. Daniel Glee Club 3 Semesters; S. O. S. Representative 1 Semester; Dramatic Club 3 Semesters; Glee Club 4 Semesters.

Now Consol's a very fine lad,
Who not very often gets mad.
He dances with ease,
So girls he does please;
And cheers them up when they are sad.

CARL FABIAN DAUDT

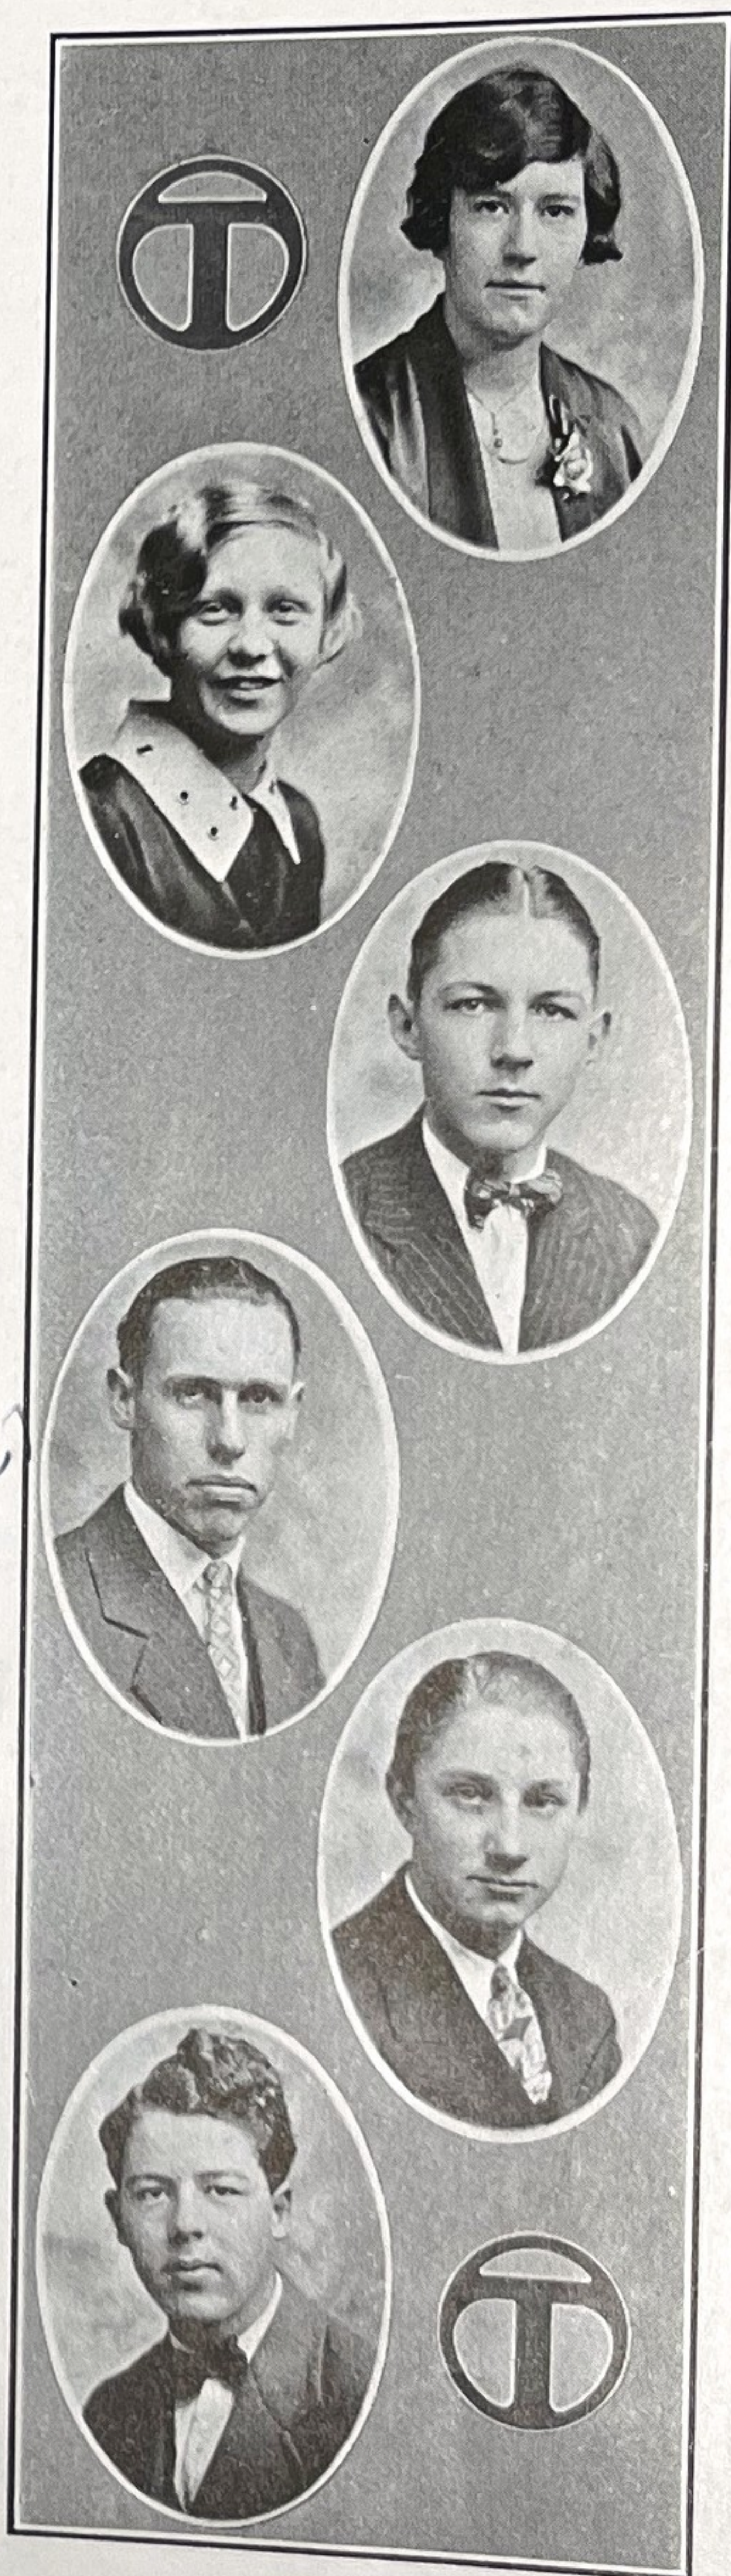

(DOUBTLESS)

Track '26.

Carl Daudt is a "Techite" of fame.
For Tech he's always played the game;
At Sports he does shine
For track is his line;
In studies he's not at all lame.

THE TECHITE 1927

CHRISTINE DOUGLAS
(TEENIE)

Girls' Athletic Club 4 Semesters; Basketball '25, '26; Manager Sophomore Championship Team '26; Glee Club 1 Semester; Friendship Club 5 Semesters.

In hist'ry she stars as headliner,
For no one could ever be finer.
She'll e'er get her share,
For she plays on the square;
At basketball she is a shiner.

ELIZABETH DOWLING
(LIZ)

Pals and Palettes; "Far Away Princess" '25.

Our "Liz" is a popular girl;
She's always in some social whirl.
She's friendly to all,
In classroom or hall,
No, her pretty hair does not curl.

CHARLES EDWARD DUVALL
(EDDIE)

Tech Life 2 Semesters.

Here's one of the best in the school;
For he always keeps calm and cool.
A jolly good lad
Who's seldom found sad.
For he has good luck as a rule.

JAMES PORTER EDWARDS
(JIM)

Our "Jim" has become quite a sheik,
With hair always well combed and sleek;
He's ready for play
Any time of the day,
He's one for whom many girls seek.

JAMES HERBERT DUVALL
(RUDY)

Orchestra 2 Semesters; Radio Club 2 Semesters;
Hi-Y Club 2 Semesters; Joseph H. Daniel Glee
Club 2 Semesters.

Now here's one who plays on the "sax."
Gray matter is not what he lacks.
If you'd see the lass
He stares at in class
You'd understand all his wise cracks.

DeWITT HAMPTON FEESER
(CURLIE)

Cadets 5 Semesters; Joseph H. Daniel Glee Club
4 Semesters; Opera Club 2 Semesters; "The Gon-
doliers"; Tennis 2 Semesters.

Now here's a young fellow named Feeser
Who faithfully studied great "Caesar,"
His brow oft' he knit
In using "DeWitt,"
His teacher, he just could not please her.

THE TECHITE 1927

WILLIAM FISHMAN

(FISH)

Joseph H. Daniel Glee Club 3 Semesters; Radio Club '27.

Friend "Fish" is a lad who's e'er gay,
And boosts the "Maroon and the Gray."
In Glee Club his voice
Is certainly choice,
At least so his classmates all say.

MARIE CHRISTINE FRECH

(ME)

Opera Club 1 Semester; "Pirates of Penzance";
Pals and Palettes 3 Semesters; Science Club 1 Semester; Graduating in 3½ years.

Now here's a girl with a good mind;
In studies she leaves us behind.
From her head to her feet,
She cannot be beat,
For she is the hard-working kind.

DORIS FRENCH

(DOT)

Hiking Club 2 Semesters; Glee Club 1 Semester;
Basketball '26, '27; Pals and Palettes 1 Semester.

Our Doris is earnest and true,
And never is known to be blue.
As you can all see,
She's e'er full of glee,
She's jolly and good-natured, too.

BENJAMIN E. FREY

(BEN)

Sergeant-at-Arms Sixth Semester Class.

A jolly good fellow is he,
Who often gets many an "E".
Sometimes he does flunk,
Thinks lessons the bunk,
And he's liked by all, believe me.

GEORGE M. GEISENBURG

(GEO.)

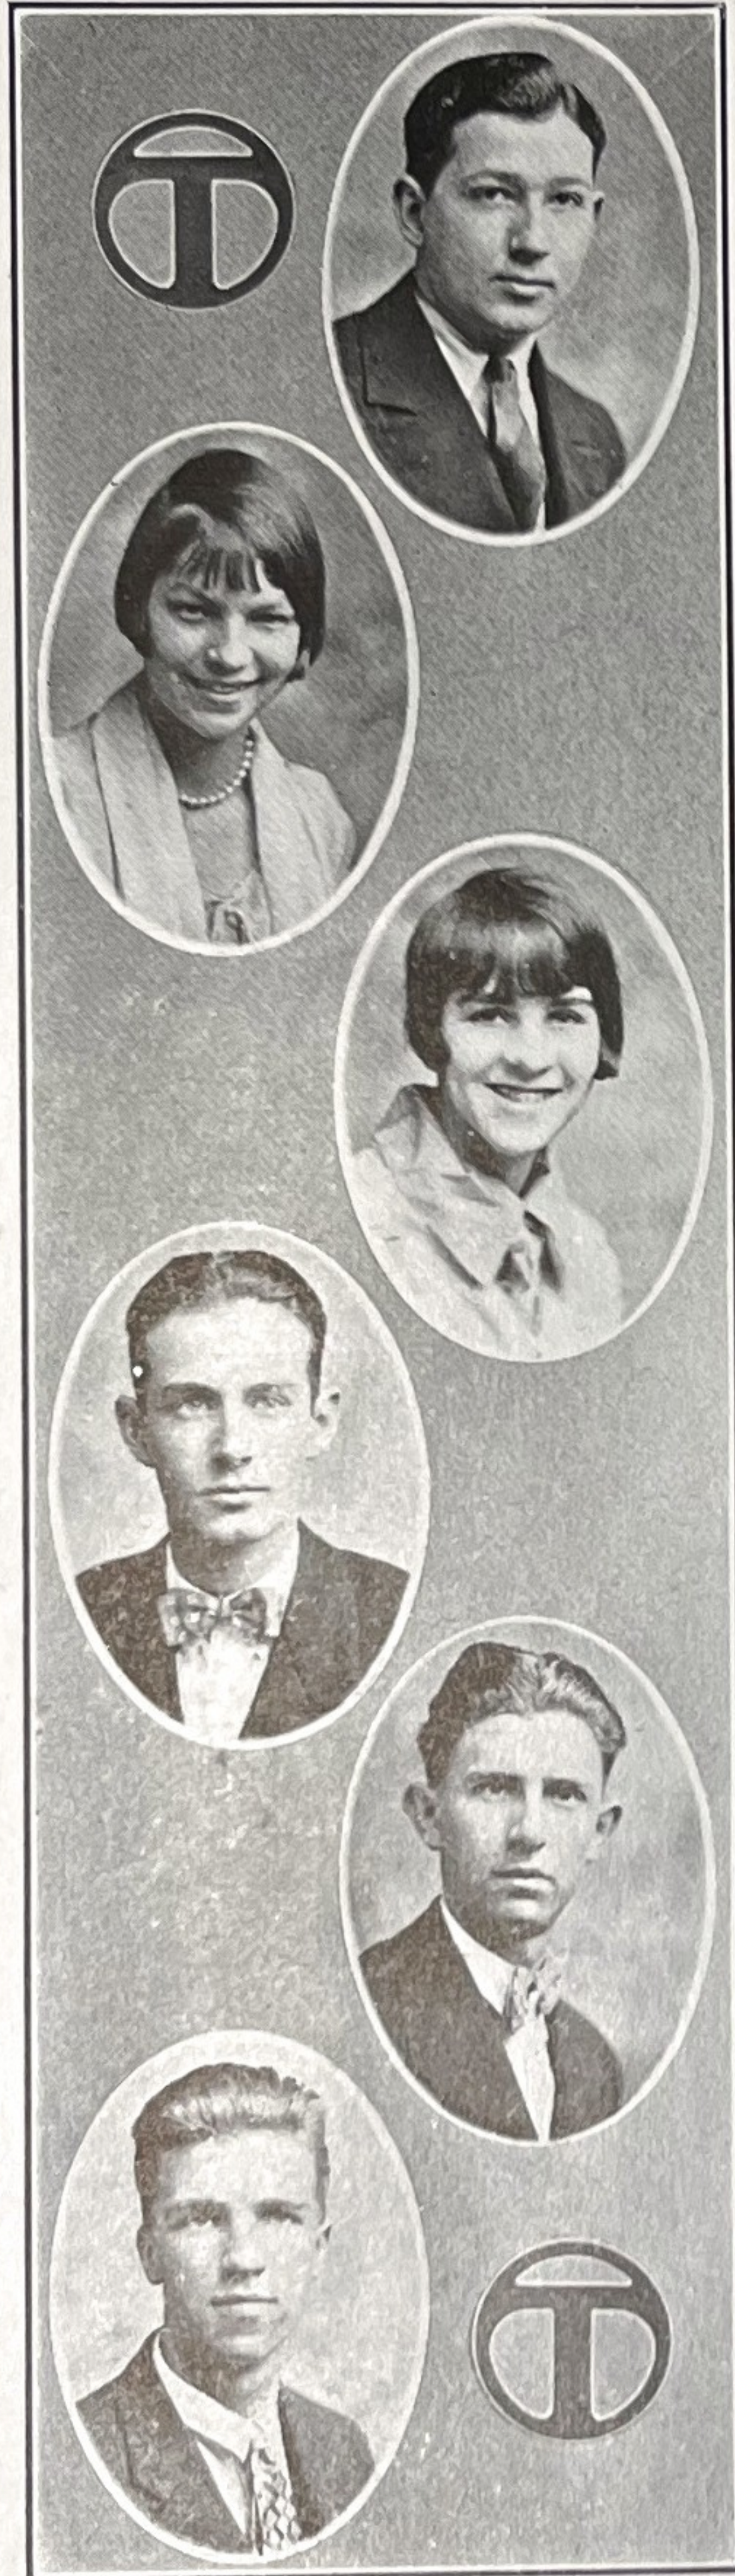

From Texas does our friend George come,
As a cowboy he sure is bum;
When riding a horse,
It takes all his force
To hang on right side up, by Gum!

ROBERT MARTIN HAMILTON

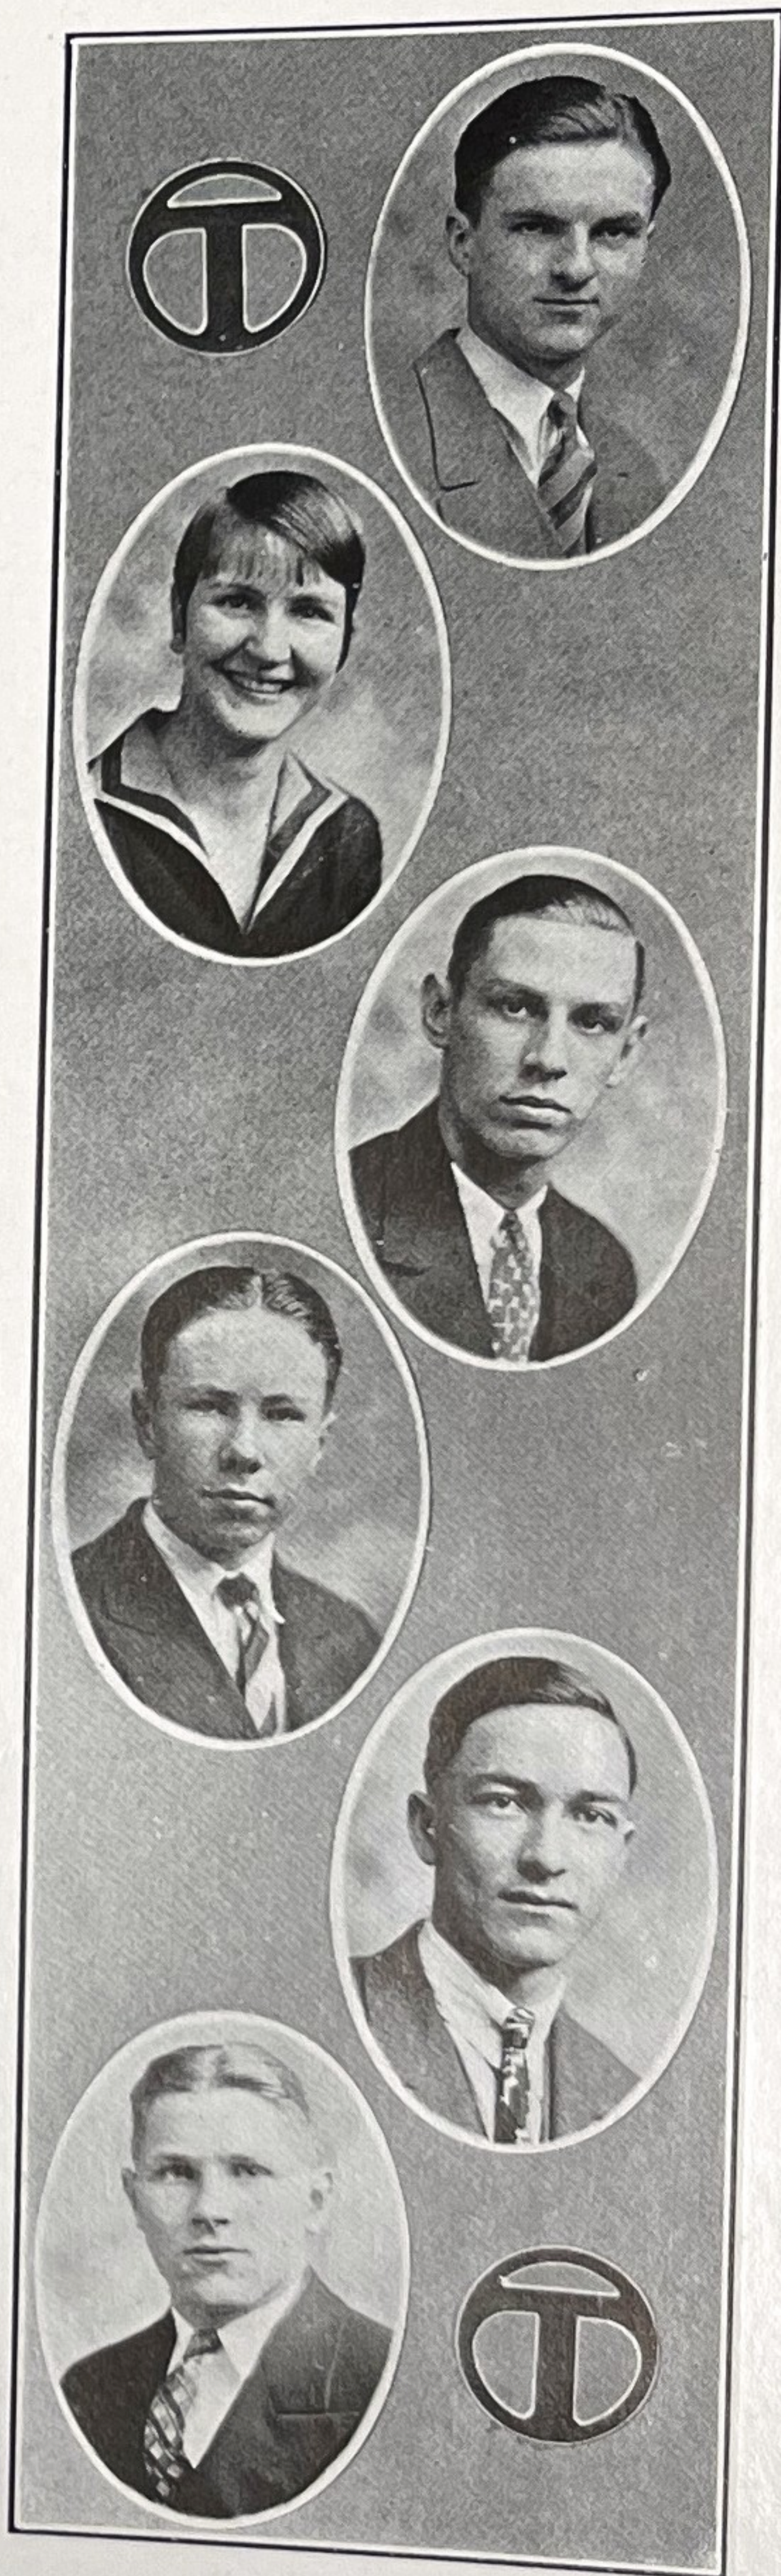

(HAMMIE)

Cadets 2 Semesters; Radio Club 4 Semesters;
Science Club 1 Semester.

Now here's one who never gets "P",
In math he will always get "E",
He's never been late,
In classes he's great,
A smarter boy you'll never see.

THE TECHITE 1927

ROBERT BARRON HAVELL (HASEL)

Track '26, '27; S. O. S. Representative 1 Semester; Section President 2 Semesters; Honor Roll 5 Semesters; Cadets '24.

Bob Havell with greatest success
A drive made for our S. O. S.
And when it was over
He rested in clover,
And then worked consid'rably less.

EVA MAE HENDERSON (LI'L EVA)

S. O. S. Representative 1 Semester; Opera Club 3 Semesters; "The Gondoliers"; "Iolanthe"; Friendship Club 1 Semester; French Club 1 Semester; Section President 1 Semester; Entered in Second Semester; Honor Roll 1 Semester.

In history our Eva's no shark,
But she sure is some social spark.
Wherever she goes,
There're plenty of beaux,
Who help her enjoy a good lark.

EUGENE JAMES HEISS (GENE)

Basketball '27; S. O. S. Representative 1 Semester.

Our "Gene" is a basketball fan;
While playing he's flashy and gran'.
'Tis true he is shy,
But we don't know why
For he is a good looking man.

OSWALD BROD HOWLAND (OSSIE)

S. O. S. Rep. 1 Semester.

We here have a fellow named "Ossie"
Who sometimes becomes rather fussy.
He studies at night
With all of his might,
And takes care that his work is not mussy.

THOMAS ANTHONY KINNAHAN (TOM)

Golf Team 6 Semesters.

Tom's fame will be spread near and far,
For he's really quite a golf star,
To all he's a friend,
Who'll stick to the end;
We'll say that this lad's above par.

ARTHUR KRIEMELMEYER (OTTS)

Football '24, '26; Track '26, '27; Joseph H. Daniel Glee Club 3 Semesters; Vice-President 2 Semesters; Section President 1 Semester; President Sixth Semester Class; Circle "T" Club '27.

Here's Arthur of football physique;
In class he is surely not weak.
On gridiron he's fine,
Just plows through the line,
He's really the great football sheik.

THE TECHITE 1927

ROBERT BECKER Le BOITEAUX (TIX)

Cadets 3 Semesters.

Now "Tix" never likes to make noise,
For he is the shyest of boys.
Of medium size,
He's really not wise
In thinking his books are just toys.

CHARLES H. LITTELL (CHICK)

We have a young friend in Littell,
Who at all his studies does well;
With spectacted eyes,
A sign of the wise,
He may become famous, can't tell.

MILDRED G. MARSHALL (BABY FACE)

Honor Roll 1 Semester; S. O. S. Representative
1 Semester.

Now Mildred's a real fashion plate,
Whose manners are right up to date
At French she's so smart
When she gets a start
No other can keep up her gait.

RALPH A. MEYERS (BITS)

Cadets 2 Semesters; Dramatic Club 3 Semesters;
S. O. S. Representative 1 Semester; Glee Club 4
Semesters; Joseph H. Daniel Glee Club 3 Semesters.

Now here is an amiable lad
Whose general rating's not bad;
He tries to please all
In Classroom or Hall,
With manners the best to be had.

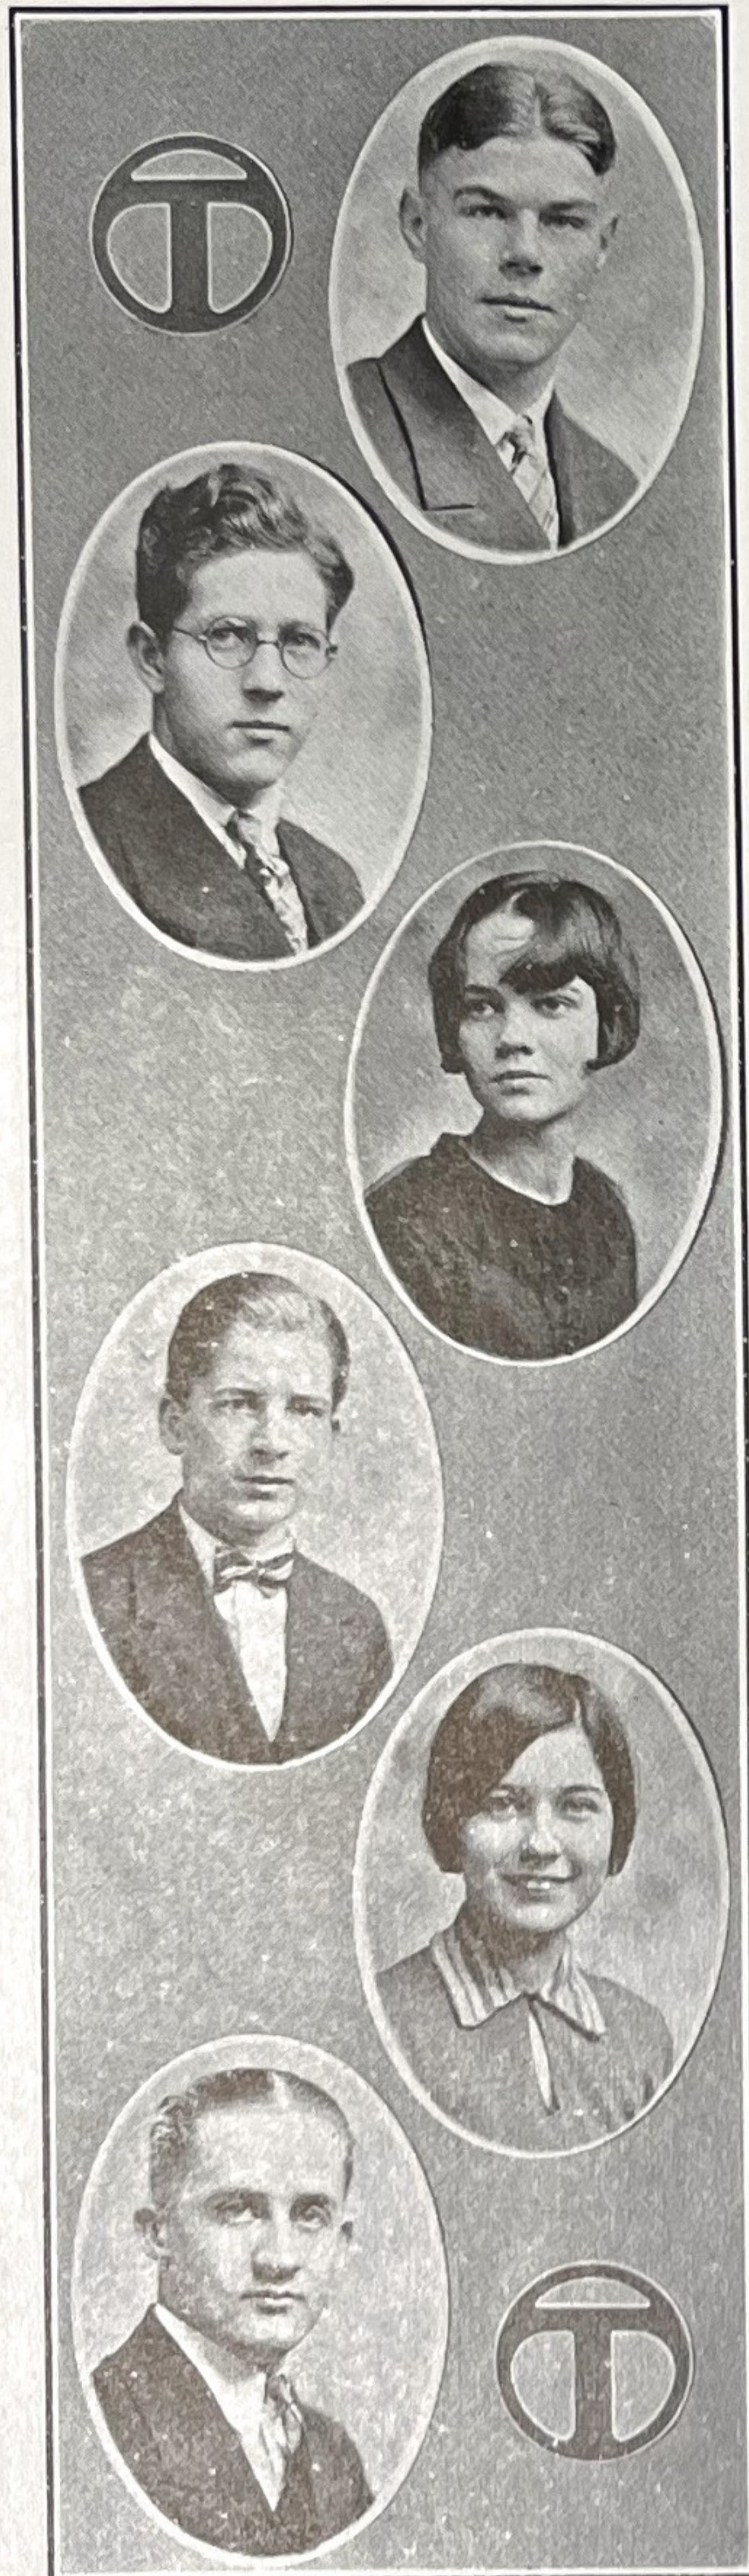

DORIS SPILLMAN MILLER

Honor Roll 2 Semesters; Glee Club 1 Semester;
"Techite" Staff '27.

Now Doris cares not for her beauty;
Her thoughts never grow very moody.
She's one of the few,
Who's always true blue,
And never puts play before duty.

ELLIS OBER MILLER (ELLIE)

Here's one who in studies takes pains,
And uses his skill for great gains;
A picture of health,
His wit will bring wealth,
In him the Tech spirit remains.

EVELYN LOUISE MILLER
(EBB)

Opera Club 1 Semester; S. O. S. Representative 1 Semester.

We now come to Evelyn Miller,
Our most famous opera triller.
She's reckless they say,
Risks her life ev'ry day,
For driving her car she's a killer.

ORVILLE TRUSSELL MYERS
(JACK)

Now this lad with hair dark of hue
Ne'er speaks, save when he's spoken to.
Though he's a shy lad,
He's not at all bad
As a Techite—we'll say that he'll do.

JOSEPH FRANCIS MYERS
(JOE)

Cadets 7 Semesters; Section President 3 Semesters; Tennis 6 Semesters; Golf Team 2 Semesters.

Now Joe is as thin as a rail;
His humor like most boys' is stale.
He's great in Cadets;
Joe's safe when he bets
That "Gray and Maroon" cannot fail.

WILLIAM BENNET OEHRMAN
(BENNY)

Cadets 3 Semesters; Second Place Battalion '24; Second Place Regiment '24; Radio Club 2 Semesters; Vice-President 1 Semester.

Our Benny has wisdom untold
Although in class rooms he's not bold.
He never annoys,
But adds to our joys
With wit that has never grown cold.

JOHN GILBERT OSTERMAN
(BERT)

Joseph H. Daniel Glee Club 3 Semesters; Football '26, '27; Minor "T" '26.

Friend Burt is a singer of fame,
For in Glee Club he's made a great name.
Of his Minor "T"
He's proud as can be.
In football he plays a good game.

PAUL ERNEST PAULL
(PEP)

Cadets 4 Semesters; S. O. S. Representative 2 Semesters; Opera Club 8 Semesters; "Pirates of Penzance"; "The Gondoliers"; "Iolanthe"; Dramatic Club 6 Semesters; Tech Life Staff 2 Semesters.

Here's Paul of a serious face.
In the world he will take a big place.
When he leaves old Tech
He'll do things, by Heck!
And always will lead in the race.

THE TECHITE 1927

OSCAR WILLIAM PITTLEMAN

(OSSO)

Basketball '25, '26; Joseph H. Daniel Glee Club '25, '26, '27; Section President 3 Semesters; Tech Life Representative 2 Semesters; Science Club; Tech Life Staff; Honor Roll 6 Semesters; Baseball; Spanish Club; S. O. S. Representative 1 Semester.

Yes, Oscar has curly black hair,
With good looks enough and to spare.
His high haughty mien,
Where'er he is seen,
Makes all the girls sit up and stare.

SARAH POYNTON

(SALLY)

S. O. S. Representative 1 Semester; Girl Reserves 2 Semesters.

Now Sarah will some day reach fame;
In movies she'll soon make a name;
With long nom de plume
She'll fret and she'll fume;
Some gallant hero she will tame.

LOUIS EDITH PRESCOTT

Entered in Second Semester; Opera Club 4 Semesters; "The Gondoliers"; "Iolanthe"; Orchestra 5 Semesters; Honor Medal '27; Basketball '25, '26, '27; Championship Team '26; Tennis '26, '27; Honor Roll 6 Semesters; Section President 1 Semester; Girls' Athletic Club 1 Semester.

Louise is a famous musician,
In Orchestra has a position.
Her ways are so pleasing
She doesn't mind teasing,
For she has a good disposition.

JOHN EDWARD PRICE

(JAKE)

We wonder if Jake's worth his "Price";
We're sure he's not given to vice.
His welcome's most hearty,
At anyone's party,
Without him there would be no spice.

HELEN ELEANOR RABENOVETS

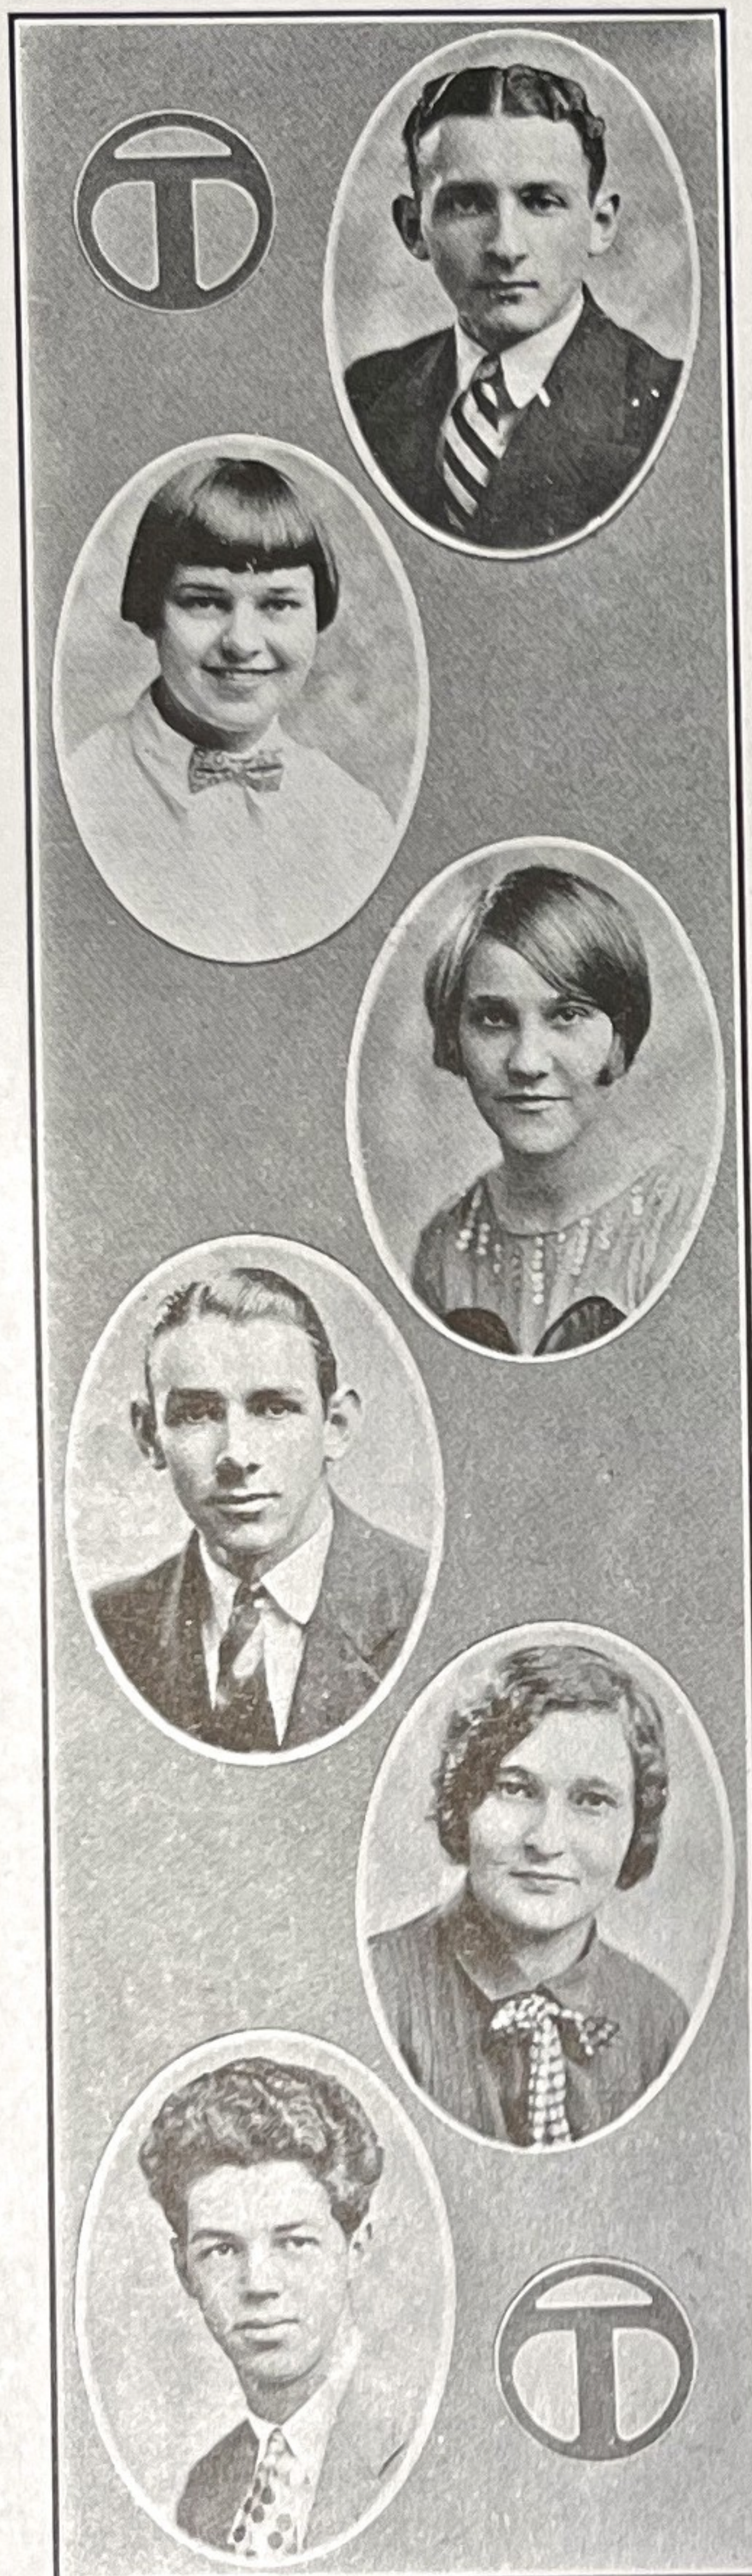

Agora 3 Semesters; Dramatic Club 1 Semester; Pals and Palettes 1 Semester; Latin Club 2 Semesters.

Since Helen detests all school books,
She must have gone through on her looks;
Debate so convincing
She gives without wincing;
The fate of bank robbers she cooks.

JACK THORTON RICE

(JACK)

Now here is our old friend Jack Rice,
Whose dancing all girls would entice;
If ever by chance
Upon them he'd glance
None other would ever suffice.

DOROTHY ELEANORA ROBB (DOT)

Rifle Team 1 Semester; Dramatic Club 7 Semesters; S. O. S. Representative 1 Semester; French Club 2 Semesters; Basketball '24, '25, '26, '27; Girl Reserves 1 Semester; Honor Roll 7 Semesters; Principal "Clarence."

Here's Dorothy, our great drama star,
Whose merry laugh sounds near and far!
Her little banjo
Twangs softly and low
While she sings through many a bar.

FRANK CARLTON ROLLINS (PUNEY)

Now Frank is both modest and shy,
But at dancing he surely is spry.
We know he'll succeed
With girls, yes indeed!
For he is a sheik on the sly!

JOSEPH RUDDEN (JOE)

We all know that Joe's not a crook;
His mirth comes not out of a book;
He's always polite
Does everything right
For him in our company we look.

GEORGE ROSS RUHL

Cadets 4 Semesters; S. O. S. Representative '26;
Glee Club 4 Semesters.

Now George is a boy who loves skuhl,
In classes he always plays fuhl.
His height is extreme
And thus it would seem
His father is old "Muddy Ruhl."

AUSTIN CARTER SAUNDERS, Jr. (AUSTIN)

Joseph H. Daniel Glee Club 2 Semesters; Track '26, '27; Section President 1 Semester; Honor Roll 3 Semesters; Entered in Third Semester.

A warbler is our classmate, Saunders;
And 'round the track he sometimes wanders.
He makes a fine student,
'Cause he's always prudent;
His time on fool's play he ne'er squanders.

HARRY ASHTON SCHARR (ASH)

Cadets 6 Semesters; Second Lieutenant '27; Second Best Sergeant '26; Second Best Corporal '25; Second Place Battalion '26; Officers Club 2 Semesters; Opera Club 6 Semesters; "The Gondoliers"; Spring Play '25, '26; Tennis 6 Semesters; Dramatic Club 6 Semesters; Tech Life Staff 2 Semesters; Tech Life Representative 1 Semester; S. O. S. Representative 1 Semester; Entered in Third Semester.

The freshest that e'er can be found
Is Ashton who always hangs 'round.
As lieutenant fine
Excels in the line;
Toward the goal of success he is bound,

THE TECHITE 1927

WILLIAM W. SCHOFIELD

(BILL)

Football '25; Baseball '25, '26, '27; "G. O." Representative Fifth and Sixth Semesters; S. O. S. Representative 1 Semester; Honor Roll 1 Semester.

Our Bill once was on the G. O.,
But to meetings he never would go.
His reply to the jury
Put them all in a fury
For he tried the same bull to throw.

EDGAR MONROE SHAW

(ED)

Track '25, '26, '27; Championship Team '25, '26; Minor "T" '26.

Now here is a star on the track;
His rivals see naught but his back.
He could not be spurned,
So his "T" he has earned.
As a Techite he's not a bit slack.

HARRY SHAW

This lad we don't know very well,
But he's e'er strong for Tech we can tell.
He's jolly and gay,
But won't shirk for play;
So, no doubt, in riches he'll dwell.

HELEN YVONNE SINGER

French Club 2 Semesters; Honor Roll 1 Semester.

Our Helen with her raven tresses
At all times takes care how she dresses.
She thinks it's a crime
To work all the time;
So at lessons she often just guesses.

PHILIP SHURMAN

(PHIL)

French Club 2 Semesters.

Now Shurman's the name of this boy,
Whose happy face brings us all joy.
He's very ambitious
And not at all vicious,
For kind ways he e'er does employ.

HARRY CALDWELL SLACK

(CORDY)

Football '26; Honor Roll 1 Semester; Tech Life 1 Semester.

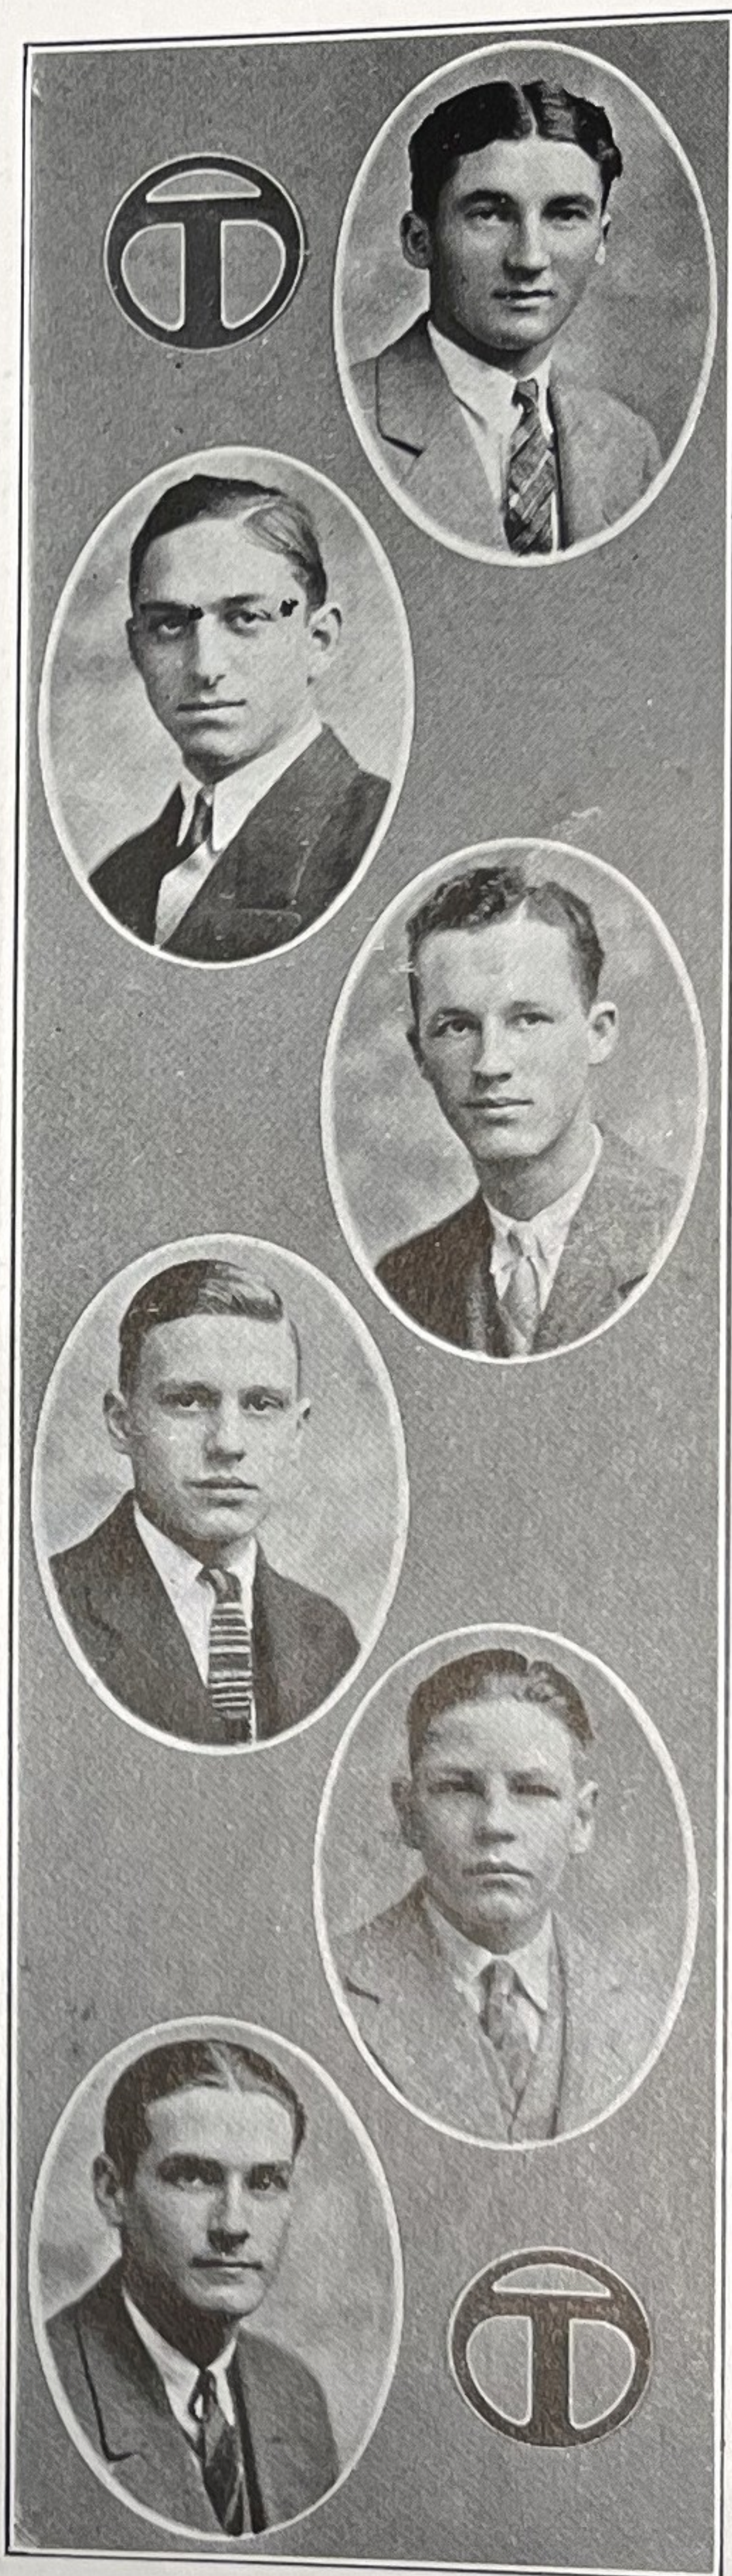

Now Caldwell is studious 'tis true,
But he tries at activities, too.
He's very athletic—
That's not just prophetic,
For at Tech he's done more than his due.

"Bill" Schofield

Cordy Slack

THE TECHITE 1927

ALEXANDER KEMPER STANTON (ZAN)

Cadet Band 6 Semesters; Winning Band '26;

He flatters his teachers,
To graduate ere he's a man.

Our School is sure lucky he came.

AMBROSE EDWARD SWEENEY (SWEETIE)

Our Sweeney's right there in Glee Club,
And raises the biggest hub-bub,
When he strolls in late.
He'd be a good mate
If he'd ever learn how to scrub.

THEODORE TAUBE (TEDDY)

We now show our friend, Ted Taube,
All classes he leads in hist'ry.
He knows all the facts,
Throws in some wise cracks,
And so makes us all roar with glee.

MALCOLM TAYLOR (REDS)

Radio Club 3 Semesters; Honor Roll 6 Semesters;

Opera Club 6 Semesters; "The Gondoliers";
"Robin Hood"; "Pirates of Penzance"; Section
President 2 Semesters; S. O. S. Representative 1

A humorous fellow is Pete;
At kidding he's hard to be beat.
Selling rings to the mob
Was for him quite a job,
But he seemed to think it a treat.

THE TECHITE 1927

HERBERT VAN GEUDER

(VAN)

Baseball '26; Opera Club 2 Semesters.

A loyal Techite is our "Van"
And he is a real baseball fan.
When he's on the field
All strength he does wield
To win all for Tech that he can.

JEWELL VOGT

Opera Club 3 Semesters: "The Gondoliers."

Our Jewel's e'er singing with glee;
For she and her affinity
Will park in the hall,
And not mind at all
If for tardiness they receive "P".

DRUSILLA MAY WAITE

(FELIX)

Opera Club 2 Semesters; Dramatic Club 2 Semesters; Pals and Palettes 2 Semesters.

Drusilla's indeed a fine artist
And in class she is one of the smartest.
She's studious, yet gay,
Has a most charming way;
So her answers are not of the tartest.

THE DRAMATIC CLUB

WILHELMINA GUDE.....	<i>President</i>
ALVIN WASSMANN.....	<i>Vice-President</i>
ELOISE SARGEANT.....	<i>Secretary</i>
THOMAS HALL.....	<i>Treasurer</i>

THE Tech Dramatic Club is one of the most important and enterprising clubs that has ever been organized in our school. Mrs. Frost is the faculty adviser and has held this position for a number of years, but is soon to be succeeded by Miss Watkins because of a new ruling.

A new idea was tried this year for the club meetings and it has undoubtedly proved successful. At the end of each meeting entertainment was provided that had been planned the previous week. Songs, dances, plays, recitations, dialogues, and short sketches were offered. There were at least three numbers on the program at every meeting, and unexpected talent galore was found and developed.

Several one-act plays were given throughout the year, prominent among them being, *Wealth and Wisdom*, *The Wonder Hat*, and *The Workhouse Ward*. The yearly entertainment, dinner and dance was a huge success, and entertainment for Cadet Night was furnished by the Dramatic Club. The Third Annual Vaudeville was given in June and was very well supported by Techites.

The Spring Play production was *Clarence* by Booth Tarkington. *Clarence* is a modern comedy and was given two nights during April. Members of the cast were Eleanor Stutler, Alvin Wassmann, Felisa Jenkins, Jack Martin, Wilhelmina Gude, Dorothy Robb, Hugh Hussey, Elnora Knee, Bruce Fowler and Pat Marshall.

May such an industrious club prosper forever.

THE OPERA CLUB

HENRY McDONALD.....	President
FRANK STUTZ.....	Vice-President
LOUISE PRESCOTT.....	Secretary
VIRGINIA COOK.....	Treasurer

THE Tech Opera Club is completing a most successful year. In January the club presented Gilbert and Sullivan's comic opera *Iolanthe*. The production proved to be one of the best presentations the club has ever attempted. The leading roles were taken by Hazel Boyce, Madelon Sherman, Catharine Birch, Henry McDonald, Harry Shonrank, Basil Postlethwaite, Clifford Adams, and George Callahan. Although Hazel Boyce, Catharine Birch, and Henry McDonald will be lost to the club through graduation, the major part of the *Iolanthe* cast will be available for parts next year, and with their past experience the 1928 Spring Play, which is to be the efforts of the Opera Club, should be given in a truly professional fashion.

The club has a very large membership which meets every Tuesday in the assembly hall. At present the organization is working on the *Bohemian Girl*.

THE JOSEPH H. DANIEL GLEE CLUB

THOMAS A'BECKET	<i>President</i>
ARTHUR KRIEMELMEYER	<i>Vice-President</i>
GROVER NICHOLAS	<i>Secretary</i>
HARRY DAVIDSON	<i>Treasurer</i>
KENNETH FRISBIE	<i>Accompanist</i>

IN February 1926, a group of thirty boys, members of the advanced music class, under the able direction of Mrs. Bella B. Thompson, organized the Joseph H. Daniel Glee Club. It was named in honor of and dedicated to Joseph H. Daniel, the first director of music in the District of Columbia Public Schools, and the father of our principal.

From this small group Mrs. Thompson has formed an organization of a hundred and thirty boys, who meet two mornings a week before and one afternoon after school. The club has its own accompanist and books and has organized double and triple quartettes. Mr. Woodward and Mr. Daniel have been elected to honorary membership.

The club has not only sung at many of our school assemblies, but has rendered numerous programs at other schools and public gatherings. One of the principal assets of the club is its valuable training in solo work, and it is to be congratulated on the fine singers it has produced.

THE ORCHESTRA

THE Tech Orchestra, as one of the organizations of which the school is justly proud, has added another year to its previous triumphs. Under the most able direction of Mr. Walten it has rendered creditably some extremely interesting and delightful compositions. Among these are the *Leonore Overture* by Beethoven, the *Symphonie Militaire* by Haydn, the *Waltz Dream* by Strauss, and the *La Tosca* by Puccini. Our orchestra is acknowledged to be the largest and most efficient high school orchestra in the city. It is now in its twenty-third year, having been organized about 1904. This year it added greatly to the production of the comic opera *Iolanthe* with its tuneful accompaniment. On the many Tech programs and in the assemblies this year the orchestra has been the chief attraction. Many in the audience of the last class night and commencement exercises commented favorably on the rendition of the splendid program, saying it played after the manner of a professional organization.

Esther Eshelman has served as concert master this year and will be succeeded in this position by Paul Brightenburg next semester. The officers of this organization are John Andrews, president; James Bibb, vice-president; and Esther Eshelman, secretary.

THE BANJO-MANDOLIN AND GUITAR CLUB

GILBERT TYLER.....	<i>President</i>
LEWIS BUCKINGHAM.....	<i>Vice-President</i>
ALVIN THADEN.....	<i>Secretary-Treasurer</i>

THE Tech Mandolin-Guitar Club was reorganized this year after four years of inactivity. Dr. E. C. Barnes greatly assisted the reorganization by asking Mr. Jackson, also of the public schools music department, to be the director. Under his excellent supervision and the advice of Mr. Carlos Blume the club is making rapid advancement. During the past semester the time was devoted almost entirely to semi-classic music and southern melodies. The time now is devoted to work on the club concert. The purpose of the Banjo, Mandolin and Guitar Club is to promote interest in music of fretted instruments among the students of the school and to entertain them by providing popular music. The club holds its meetings once a week after school, and, after acting upon whatever business is necessary, devotes the rest of the meeting to practice. It has been the pleasure of the members many times to be entertained by the recital of some individual. This shows that the meetings are not just music practice. The club has received several invitations for recitals this semester so that there is no doubt as to its success this year. It is expected that the Tech Mandolin-Guitar Club is to be one of the attractive and permanent features of Tech in the coming years, and that the work will be carried on in the "New Tech" with the same spirit with which it was started in the present.

THE OFFICERS' CLUB

HUGH HUSSEY.....	<i>President</i>
RICHARD SCHMIDTMAN.....	<i>Vice-President</i>
SPENCER HEWINS.....	<i>Secretary</i>
ROBERT HORNE.....	<i>Treasurer</i>
ORIN BLANDFORD.....	<i>Sergeant-at-Arms</i>

EARLY in November the officers of the Tech battalion under the supervision of Captain Van Pelt formed one of the most active Officers' Clubs that Tech has ever had. The club meets every Thursday after drill.

During the year the club has advanced the spirit of the Cadets in two mediums, the drill, and the social. The club was responsible for the chartering of buses for the honor guard competition, and for the adoption of the new white belts worn by the non-commissioned officers and privates who formerly wore the U. S. Army regulation cartridge belt. The Officers have done much to keep alive the Old Tech Spirit in the Cadet Corps.

Drill is not all that constitutes cadet life. The club sponsored three social functions namely, the Officers' Club dance, the Brigade Ball, and Cadet Night. All three were successful socially and financially.

THE S. O. S.

MARTHA WILLIAMS.....*President*
 THOMAS A' BECKET.....*Secretary*

THE Tech Social Service organization, otherwise known as the S. O. S., has in previous years been a society known to the student body by name only. This year, however, the S. O. S. workers made their accomplishments so conspicuous that everyone realized the true value of helping others.

The S. O. S. is Tech's chapter of the American Red Cross.

This year as soon as the representatives were elected a sewing club was formed which succeeded in turning out a great many things.

Twenty-five towels were made for the Gospel Mission, two dozen dolls were attractively dressed for the Friendship House, tablecloths and napkins were made for St. Gertrude's School for Defective Children and some personal charity work was done for different families on Thanksgiving and Christmas.

Margaret Faulconer, the senior representative, served actively as Chairman of the Philanthropic Committee. The faculty advisers, whose splendid supervision greatly aided the work of the S. O. S., were Miss Bastian, Miss McMahon, and Miss Hammond.

THE PALS AND PALETTES

HELEN SMITH.....	<i>President</i>
GRACE BAUER.....	<i>Secretary</i>
RICHARD BUCKINGHAM.....	<i>Treasurer</i>

 THE Pals and Palettes, Tech's Art Club, has now been organized four years. Starting as it did from a few members of Tech's "Latin quarter" it has developed into an organization of surprising ability.

Following its purpose of promoting an interest in art, such work as lamp-shade decorating, poster painting, charcoal drawing, oil painting, and wood carving are practiced at its weekly meetings. Mrs. Saugstad, who is now the faculty adviser of the club, is assisted by her husband, who is the art metal instructor at Tech.

The "Bohemians" have not only made countless excursions to the various public art galleries about the city, but have also accepted several invitations to visit private exhibits.

On several occasions the club has provided speakers for its meetings who have been authorities on both European and Chinese art, to which the student body has been invited.

A number of interesting picnics and sketching parties have been planned for the warmer weather.

THE RADIO CLUB

JOHN GREEN.....	<i>President</i>
STUART ROW.....	<i>Vice-President</i>
WILLIAM LEE.....	<i>Secretary</i>
HENRY MARKS.....	<i>Treasurer</i>

THE Radio Club is one of Tech's oldest organizations, having been founded more than fifteen years ago. The original policy of the club, "to stimulate interest among the student body in the science of wireless telegraphy", has been rigidly adhered to throughout the entire life of the society.

A consolidation of the various local scholastic radio clubs was attempted this year, and the McKinley organization was invited to become a part; but we declined, fearing that we would become absorbed and lose our identity in a large society with aims and purposes which did not coincide with ours.

The club was afforded the unusual opportunity, during the past semester, of inspecting the local broadcasting station WRC. It was a novel and highly interesting experience to all and excited much comment from the student body.

The club has had instructive and highly profitable sessions during the past year for which it is grateful to Dr. Heron, the faculty adviser.

THE PHAROS

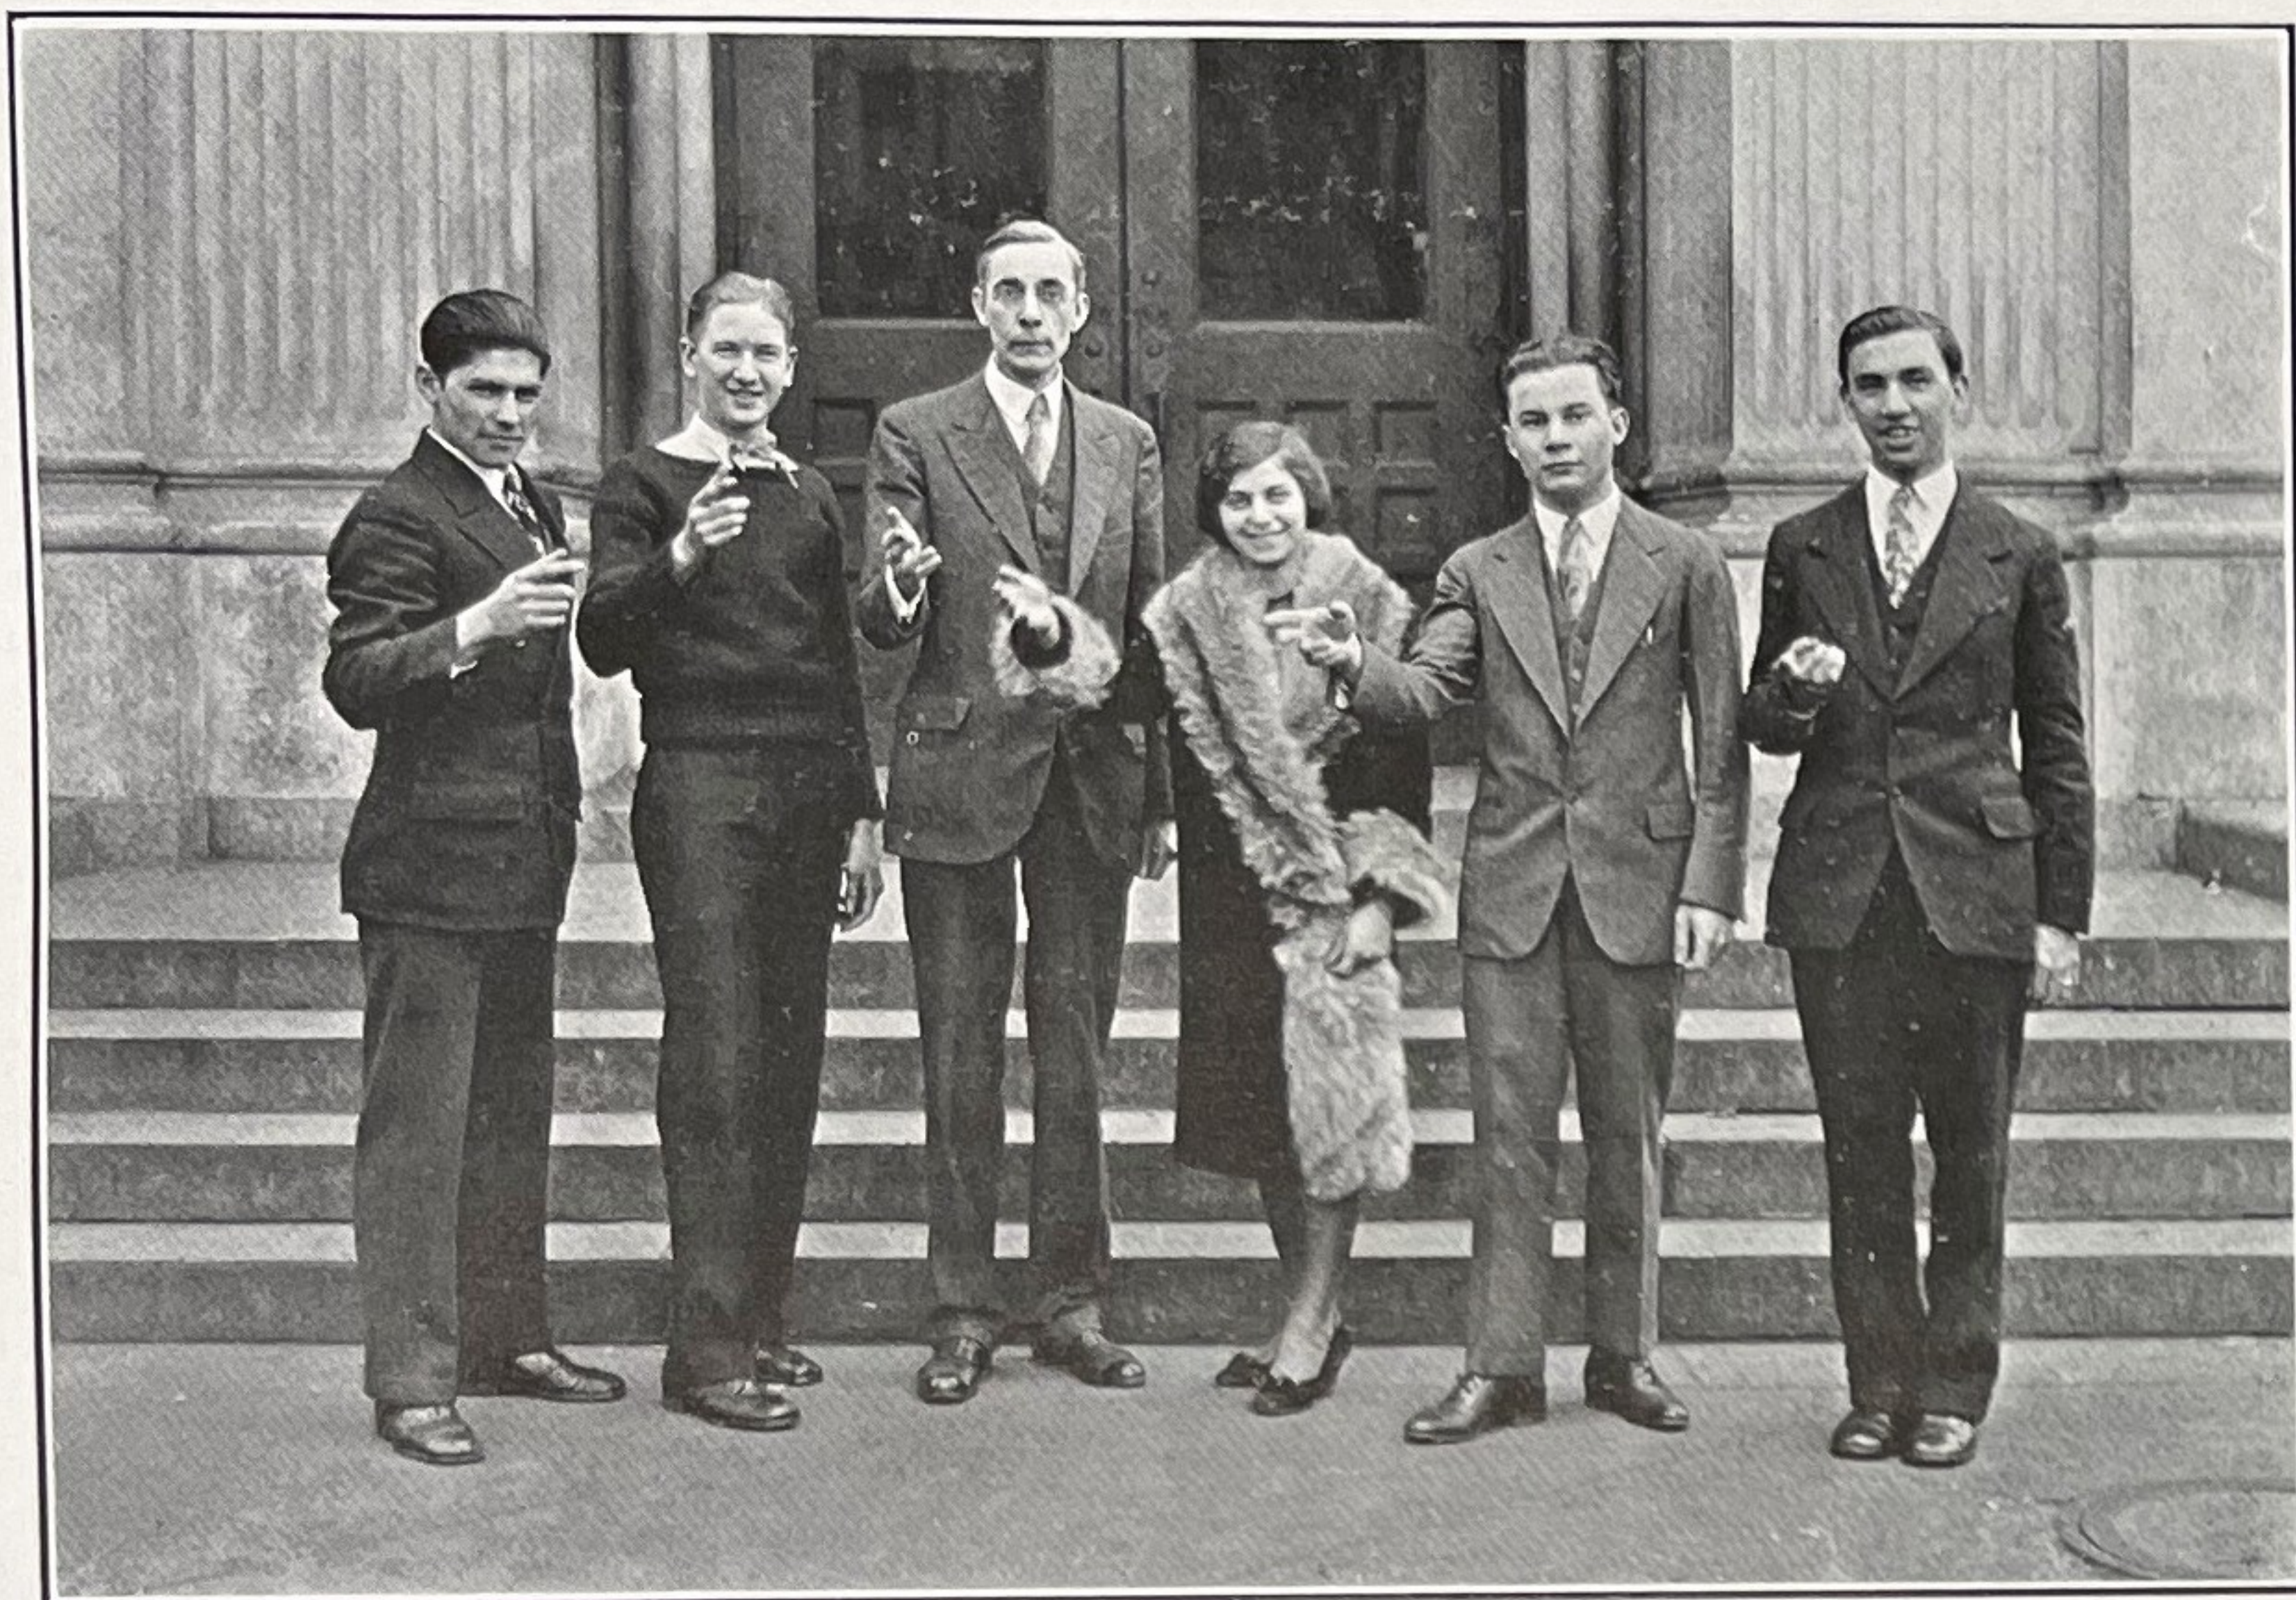

HUGH HUSSEY.....	<i>President</i>
MARGARET TOLSON.....	<i>Vice-President</i>
HAZEL BOYCE.....	<i>Secretary</i>
BLAKE ESPEY.....	<i>Treasurer</i>

 THE Pharos is Tech's Honor Society. It was founded by an active group of the class of June '25. The total membership at present is forty-two active and two honorary members. The members are selected from those students in the sixth, seventh, or eighth semesters who have attained an average of 88%, have been active in the various organizations of the school, and who have distinguished themselves as leaders of the student body.

Early this fall the Pharos was accepted as a chapter in the National Honor Society.

Scholarship, service, leadership, and conduct, are the basic principles of the society.

As a student is still a member after graduation the Pharos is influential in giving Tech a more active alumni.

THE AGORA

CHARLES THOMPSON.....	<i>President</i>
GEORGE AETOPOULOS.....	<i>Vice-President</i>
ANNIE STOLAR.....	<i>Secretary</i>

AMONG the important activities of Tech ranks the Agora, Tech's debating society, in which several Techites have gained prominence through the art of oratory. This is by far one of the most beneficial of the clubs of which Tech boasts. Although the ability to speak fluently is one of its premier teachings, its members also receive a very thorough knowledge of the popular questions of the day.

Last year Tech's debating team wound up its schedule without once bowing to defeat. Under the able direction of Dr. Hemelt, who has for a number of years been the club's faculty adviser, the members have received an excellent preparation for later life. The school team is selected after a series of inter-club debates held in the fall term.

To date it appears that Tech's last year's team has stricken fear into the hearts of our opponents with their silver-tongued oratory, for several have refused to accept their challenge.

As this year's team loses several of its best debaters through graduation, there will be several opportunities given to those who come out next year to show their mettle.

THE GIRL RESERVES

CATHERINE ENGLISH.....	<i>President</i>
GLENNA CROWDER.....	<i>Vice-President</i>
VILETTA WILMOTH.....	<i>Secretary</i>
MERCEDES JORDAN.....	<i>Treasurer</i>

THE *Girl Reserves* were organized at Tech many years ago for the purpose of promoting friendship among high school girls. The club was originally called the Friendship Club but has since acquired its new name. It is customary among the high school clubs to have a special name usually in some foreign language. The Tech Chapter goes by the name of Semper Fidelis (always faithful). This year has been the most successful year of this organization both in membership and general activities. The club meets once a week in the Girl Reserve Club Rooms at 1100 M St., N. W. The first meeting of every month is a business meeting, the next is discussional, when the girls get together and talk over things of interest, the third meeting is social-service, and the fourth social. Frances Miller is Council Representative, and Virginia Sabotka is the T. S. P. C. Representative. The chairmen of the various committees are as follows: Discussion, Dorothy Lane; Social, Mildred Koons; Social-service, Christine Douglas; and Music, Janet McDonald. Miss Esther Foster and Miss Alice Bastian are the faculty advisers for the club.

THE BANK STAFF

ELNORA KNEE.....	<i>President</i>
HAZEL BOYCE	<i>Vice-President</i>
MARY BIBB.....	<i>Cashier</i>

ALTHOUGH the school bank is not a very old activity of Tech, it is very active and successful. It was organized a few years ago, with the three-fold purpose of holding the funds of the various clubs and activities of the school, encouraging saving among the student body, and at the same time giving practical experience to the banking students.

At the present time, the bank has on its books approximately one hundred activity accounts, and over twice as many personal savings accounts.

The bank is now under the supervision of Mr. Burns who has proved himself to be a real friend as well as an excellent instructor and adviser to those students who have elected banking as one of their courses.

THE SPANISH CLUB

EL CIRCULO ESPANOL

RALPH MALONE.....*President*
 OLGA SONNENBURG.....*Vice-President*
 ELOYSE SARGEANT.....*Secretary-Treasurer*

CL Circulo Espanol or the Spanish Club had been abandoned for a time, but by the efforts of a few Spanish students it was again brought into existence with Mr. Blume as faculty adviser. The bi-weekly meetings of the club were held on Thursday nights at the homes of the various members. Spanish plays were read, Spanish games played, and often Spanish refreshments were served; in fact the members enjoyed themselves in a true Spanish way. However, at the February election this custom was changed, and the club now meets on Tuesday afternoons at the close of school. The only requirement for membership is the ability to write a given Spanish sentence correctly. The object of this club is to promote an interest in Spanish in the student body.

It is hoped that the club will continue to prosper and that the undergraduates will succeed in keeping it the successful organization that it now is.

THE LATIN CLUB

SODALITAS LATINA

KENNETH FRISBIE.....	} <i>Consuls</i>
MARGARET ROSE.....	
HOWARD BIGGS.....	<i>Scriba</i>
ADA CONKLIN.....	<i>Quaestor</i>

THE Sodalitas Latina or the Latin Club has just completed its initial year at Tech and it is hoped that the instructive meetings will continue to those of the student body who have elected the study of Latin as one of their courses.

As shown in the list of the officers, the Latin Club follows the ancient Roman custom of vesting its executive power equally in two consuls. Spurred on by the interest of Mrs. Coe and Miss Godsey the faculty advisers, the club has enjoyed the enthusiastic talks on the civilization and customs of the ancient Greeks and Romans. At a Christmas party held this past year the club was honored by the presence of Mrs. Pace, a former Latin teacher of Tech. The party was entertained with Latin games and songs.

Inasmuch as a few of the members are seniors, and new members are always welcome, we hope that the club will prosper.

Charles Hufnagel.

THE SCIENCE CLUB

DAVID GRIGGS.....	President
HUGH HUSSEY.....	Vice-President
HELEN DANIEL.....	Secretary

THIS is another new organization at Tech, organized for the propagation of scientific interest throughout the school. At the bi-weekly meetings a program prepared by a committee for that purpose is presented. As there is abundance of scientific ability in this school, both among the students and the teachers, material is not lacking for these meetings. As the club is run primarily by the students, lectures are prepared and delivered by them before the other members. Among the topics discussed are those subjects which often arise in our regular science courses but cannot be studied in more detail due to the lack of time. Excursions to points of scientific interest are sometimes substituted in place of meetings.

The club was just organized this past year, with Mr. Krehbiel as faculty adviser, and there are high hopes for its prosperity in the future. As some one has said, "The future belongs to science." If this is true the Science Club has reasons to believe that it will soon be among the leading organizations of the school not only in merit but also in membership.

THE CIRCLE "T" CLUB

FRANK STUTZ.....	<i>President</i>
WARD OEHMAN.....	<i>Vice-President</i>
FRED MORHART.....	<i>Secretary</i>
HARRY MULLEN.....	<i>Treasurer</i>

 HE Circle "T" Club is composed of athletes who have served Tech faithfully enough to have the Circle "T" awarded to them. The present club has become one of the most successful and influential organizations at Tech. Its success has been extremely noticeable from an athletic and social standpoint.

The achievements of the club this year have been notable and gratifying. With the help of our faculty adviser, "Hap" Hardell, we have effectually reorganized the club and revised the constitution. Every Wednesday has been designated "letter day" at which time all the members of the Circle "T" Club must wear their emblem affixed to the standard black sport sweater.

A semiclosed dance was given by the club on the twelfth of March. This dance was both socially and financially a huge success. As the Circle "T" is no easy award to obtain it is really an honor to be admitted as a member of this club, therefore Tech athletes should always make this a goal toward which they should strive and in so doing will better serve Tech.

The club has awarded honorary membership to Mr. Woodward and Mr. Mattern who have both proved worthy, by virtue of their interest, of wearing the Circle "T".

THE HI-Y CLUB

PAUL FELLOWS.....	<i>President</i>
FRED MORHART.....	<i>Vice-President</i>
FRANK STUTZ.....	<i>Secretary</i>
HENRY McDONALD.....	<i>Treasurer</i>

THE Tech Hi-Y Club has enjoyed a very prosperous year. The membership has increased greatly and with it a stimulated interest in the club's activities. Worthwhile talks have been presented to the club by faculty members and invited speakers. When speakers are not available, the members take part in serious discussions of the problems that confront the boy and the man in school, outside, and in later life.

Another thing that attributed to the success of the club was the interest that Mr. Woodward, the faculty adviser, and Mr. Hardell, an honorary member, took in it. They have helped it in a great many ways with their suggestions and advice.

The purpose of the club is to create, maintain, and extend throughout the school and community high standards of Christian character. Combined with this is the motto "Clean Speech, Clean Sports, Clean Scholarship and Clean Living."

Here's for a better club next year.

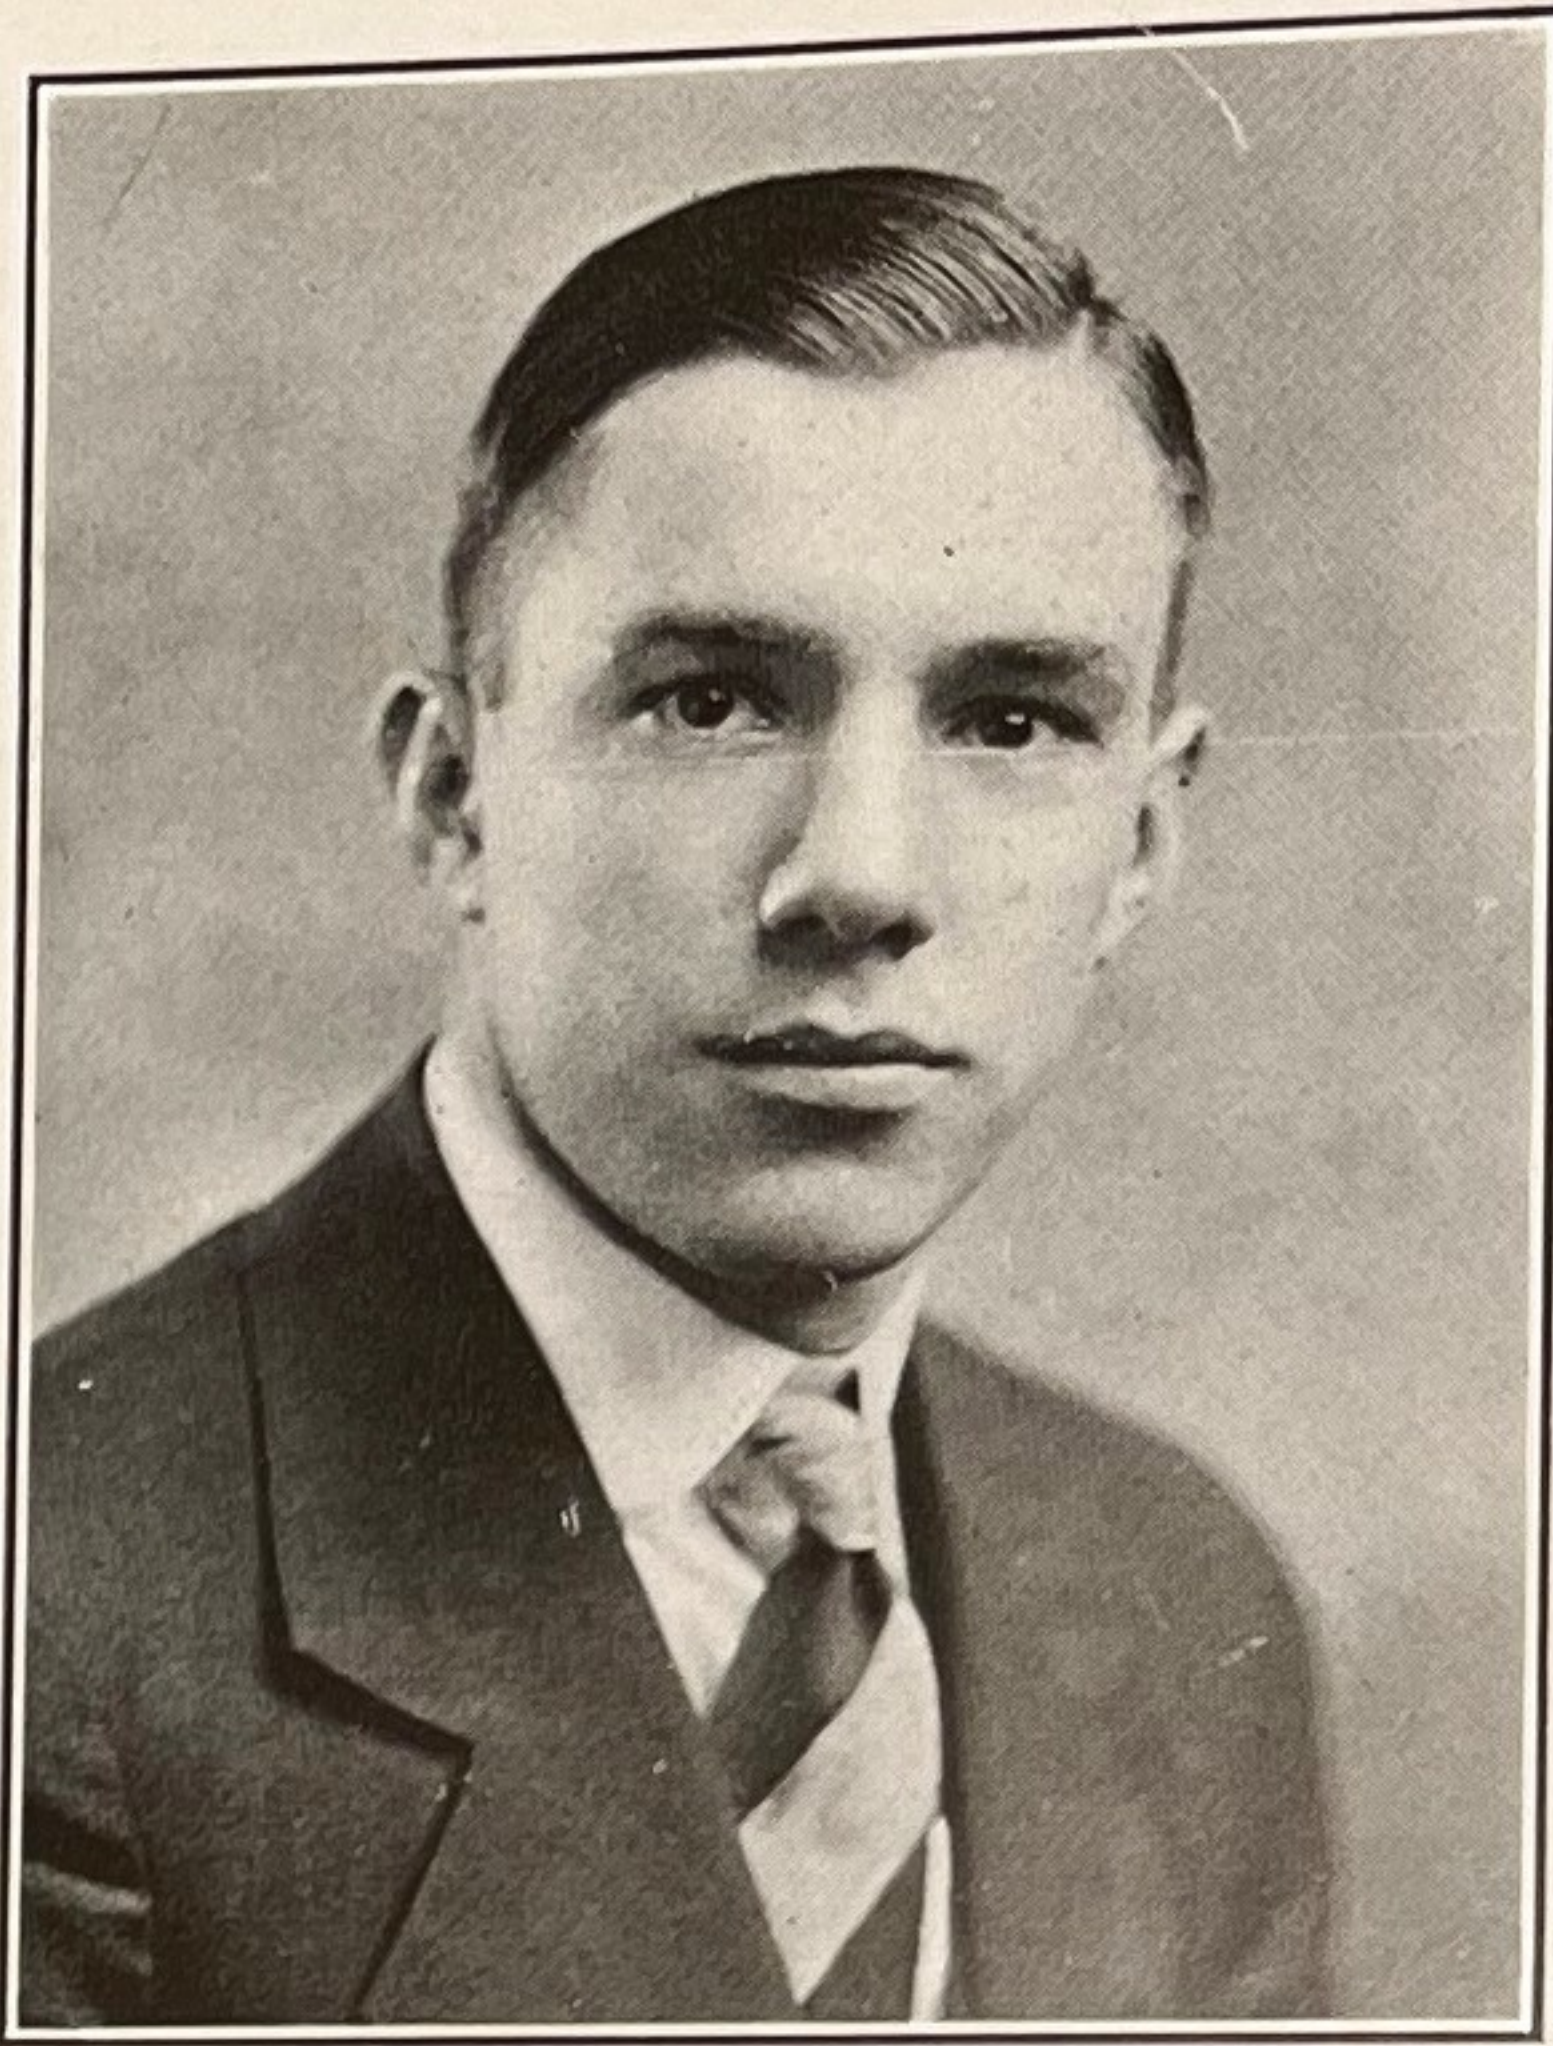

THE TECH LIFE STAFF

BLAKE ESPEY.....*Editor*

TITH extensive improvements in make-up and the introduction of many novel and entertaining features, Tech Life has this year become a publication of distinction; and although a product of amateur journalists, it has in many ways come up to the standards set by the professionals in the newspaper field.

With its interesting news articles written in real journalistic style, its lively entertaining feature stories, its humorous Odz and Enz column, its Poets' Corner, its Komic Korner, and its witty Cartoons, Tech Life has been a source of keen enjoyment for its readers, and a storehouse of valuable information on every phase of school activity.

In the editorial column this year Tech life has urged the students to co-operate in maintaining a clean and tidy lunchroom, attempted to discourage the practice of bumming rides on the street, deplored the abuse of school property, listed the numerous benefits to be derived from participation in school activities, proved the value of thrift, and showed that a college education is a necessity in the lives of enterprising boys and girls; and, in short, has fully exerted its power to help every student and to uphold all of Tech's lofty ideals.

THE ORATORICAL CONTEST

Catharine Birch, *Winner*

Hazel Boyce

 Elizabeth Hoeke
 Leo Schrider

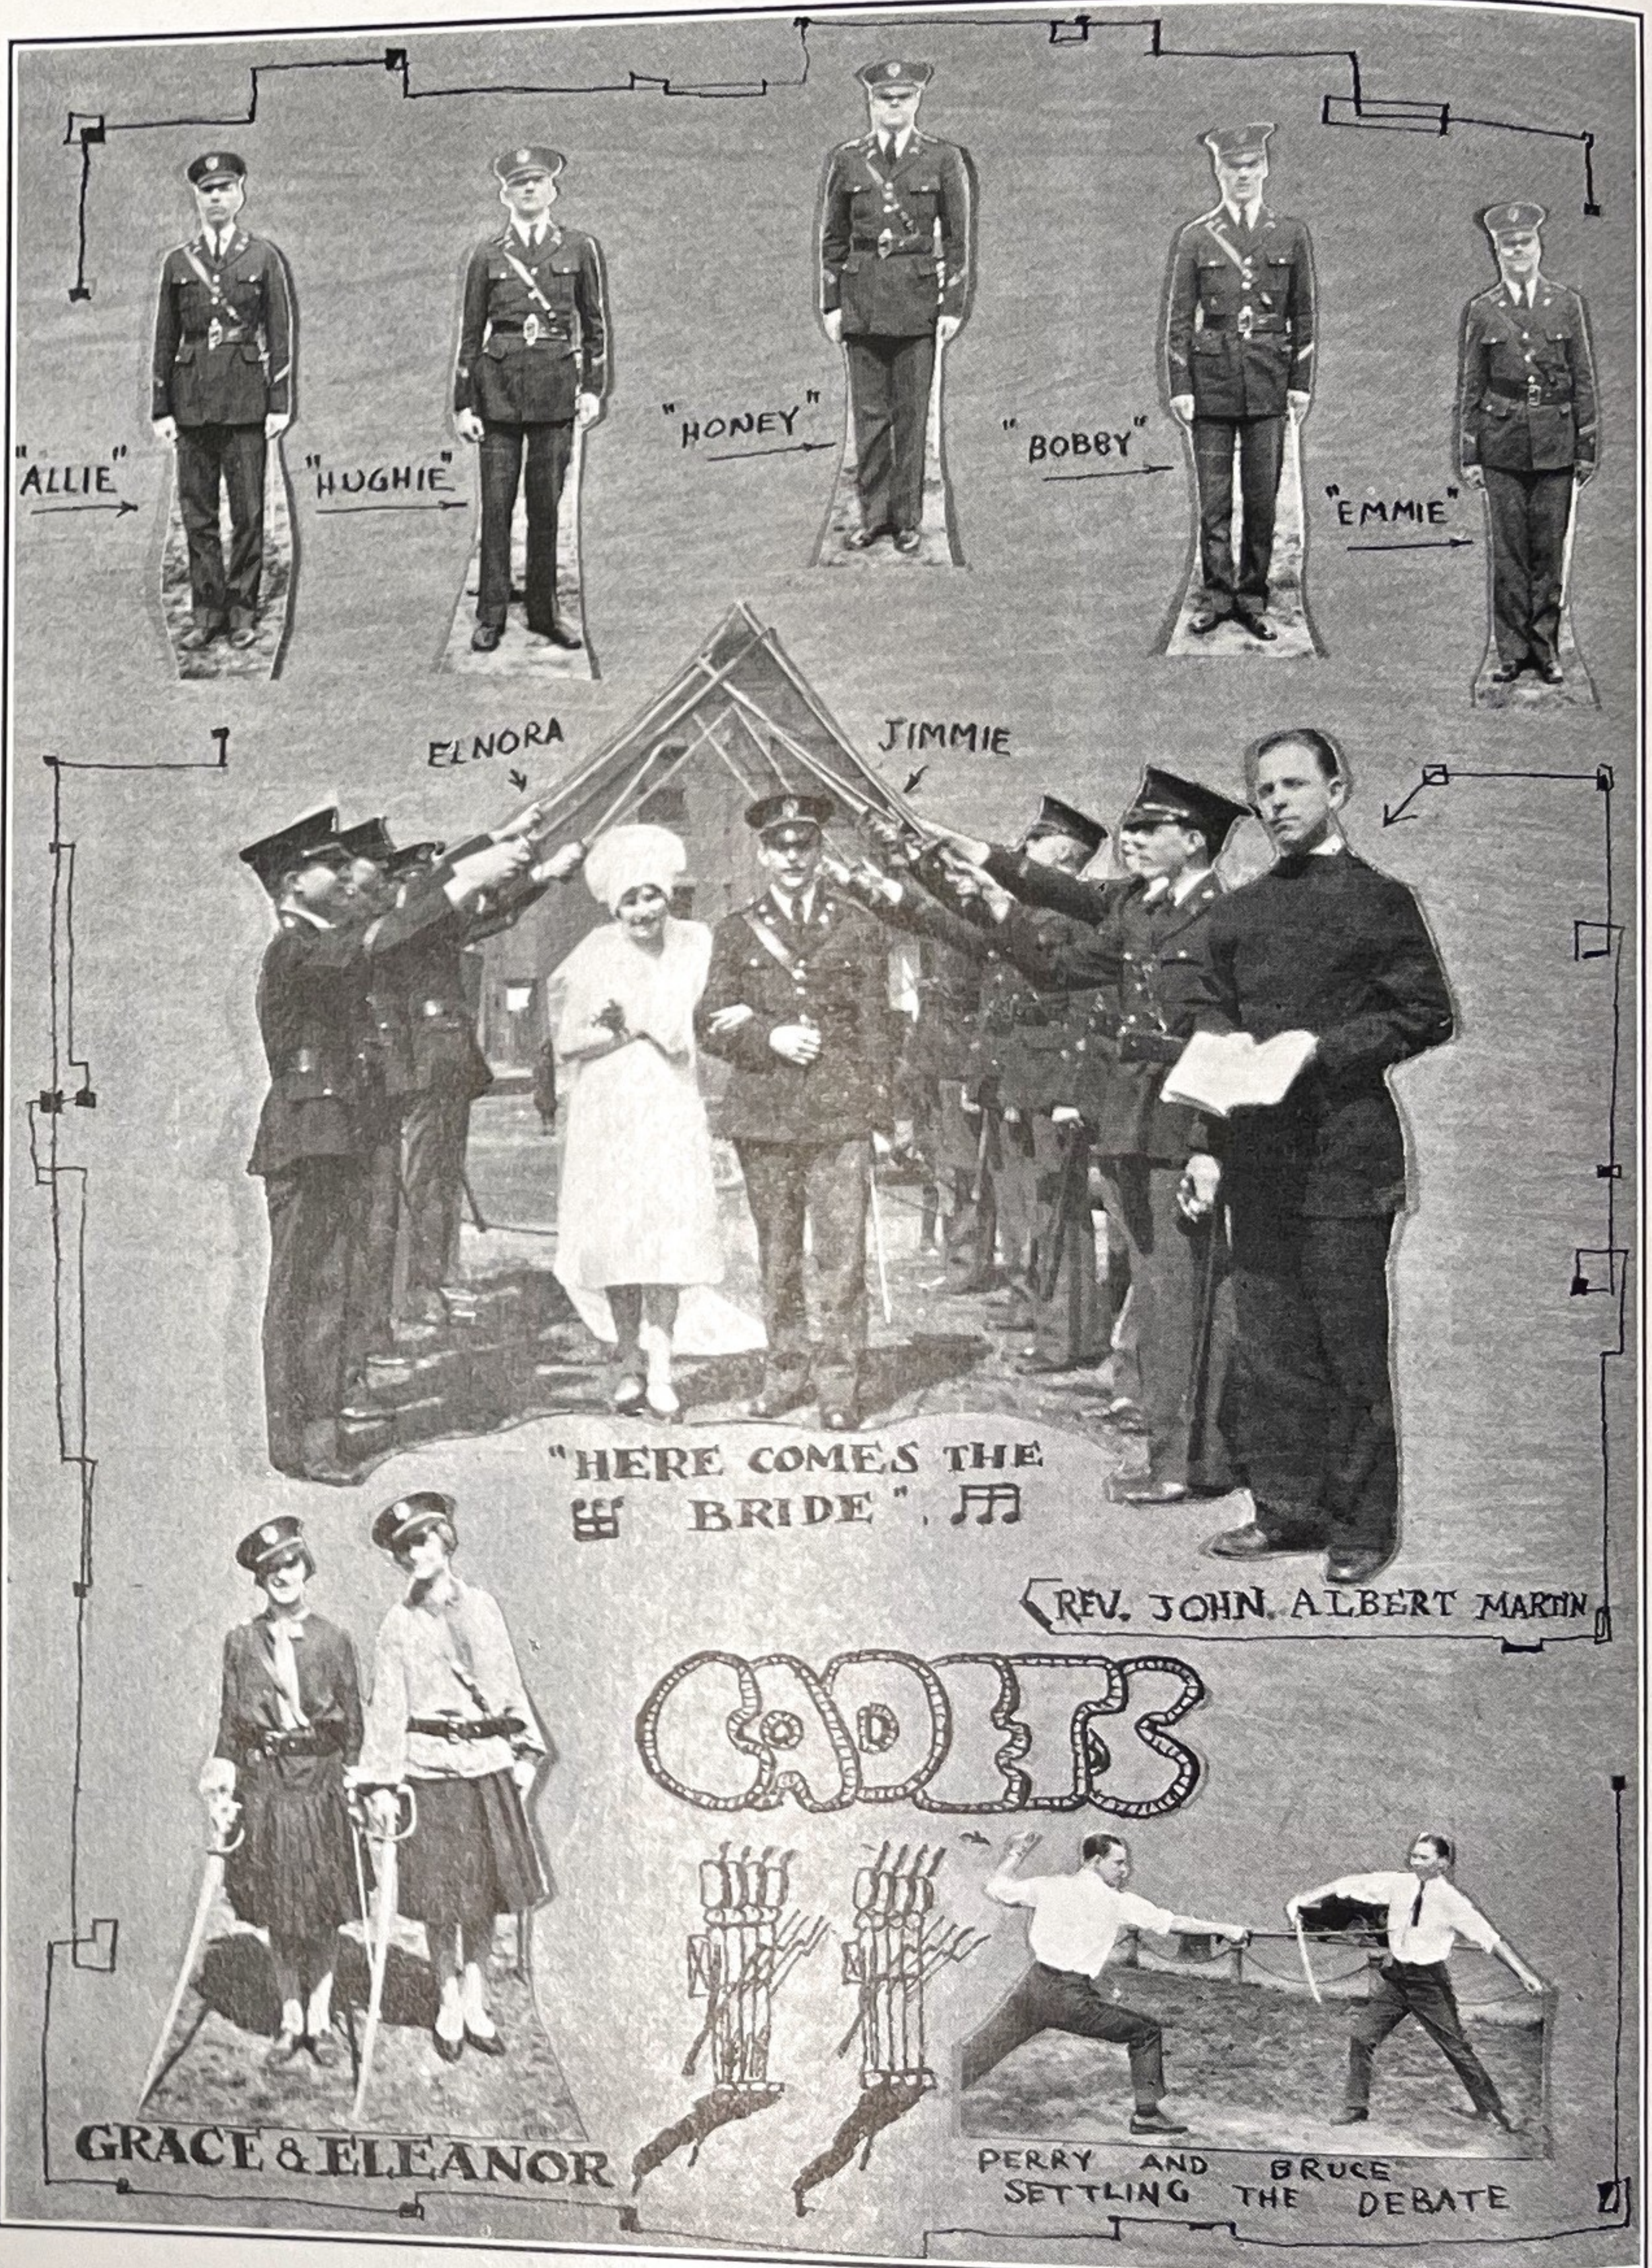

HIS year the nation-wide oratorical contest celebrated its fourth anniversary. Tech has never been lacking in competitors for the hundred dollar cash prize awarded the winner in this school by the *Evening Star*. Faculty members of both the history and English departments have willingly devoted their time to students trying out in this field, both in the preparing and the delivery of their speeches. In former years Tech's winners have never achieved the city championship, but it is our hope that this feat, too, will soon be added to our many laurels.

Mrs. Frost had charge of the contest at Tech this year and had twenty-five entrants from which she and a committee of faculty members had to choose the six finalists whose names appear above.

The final contest which was held at the school on Tuesday night, April 12, resulted in a victory for Catherine Birch with Leo Schrider as runner-up.

THE CADET CORPS

By Hugh H. Hussey

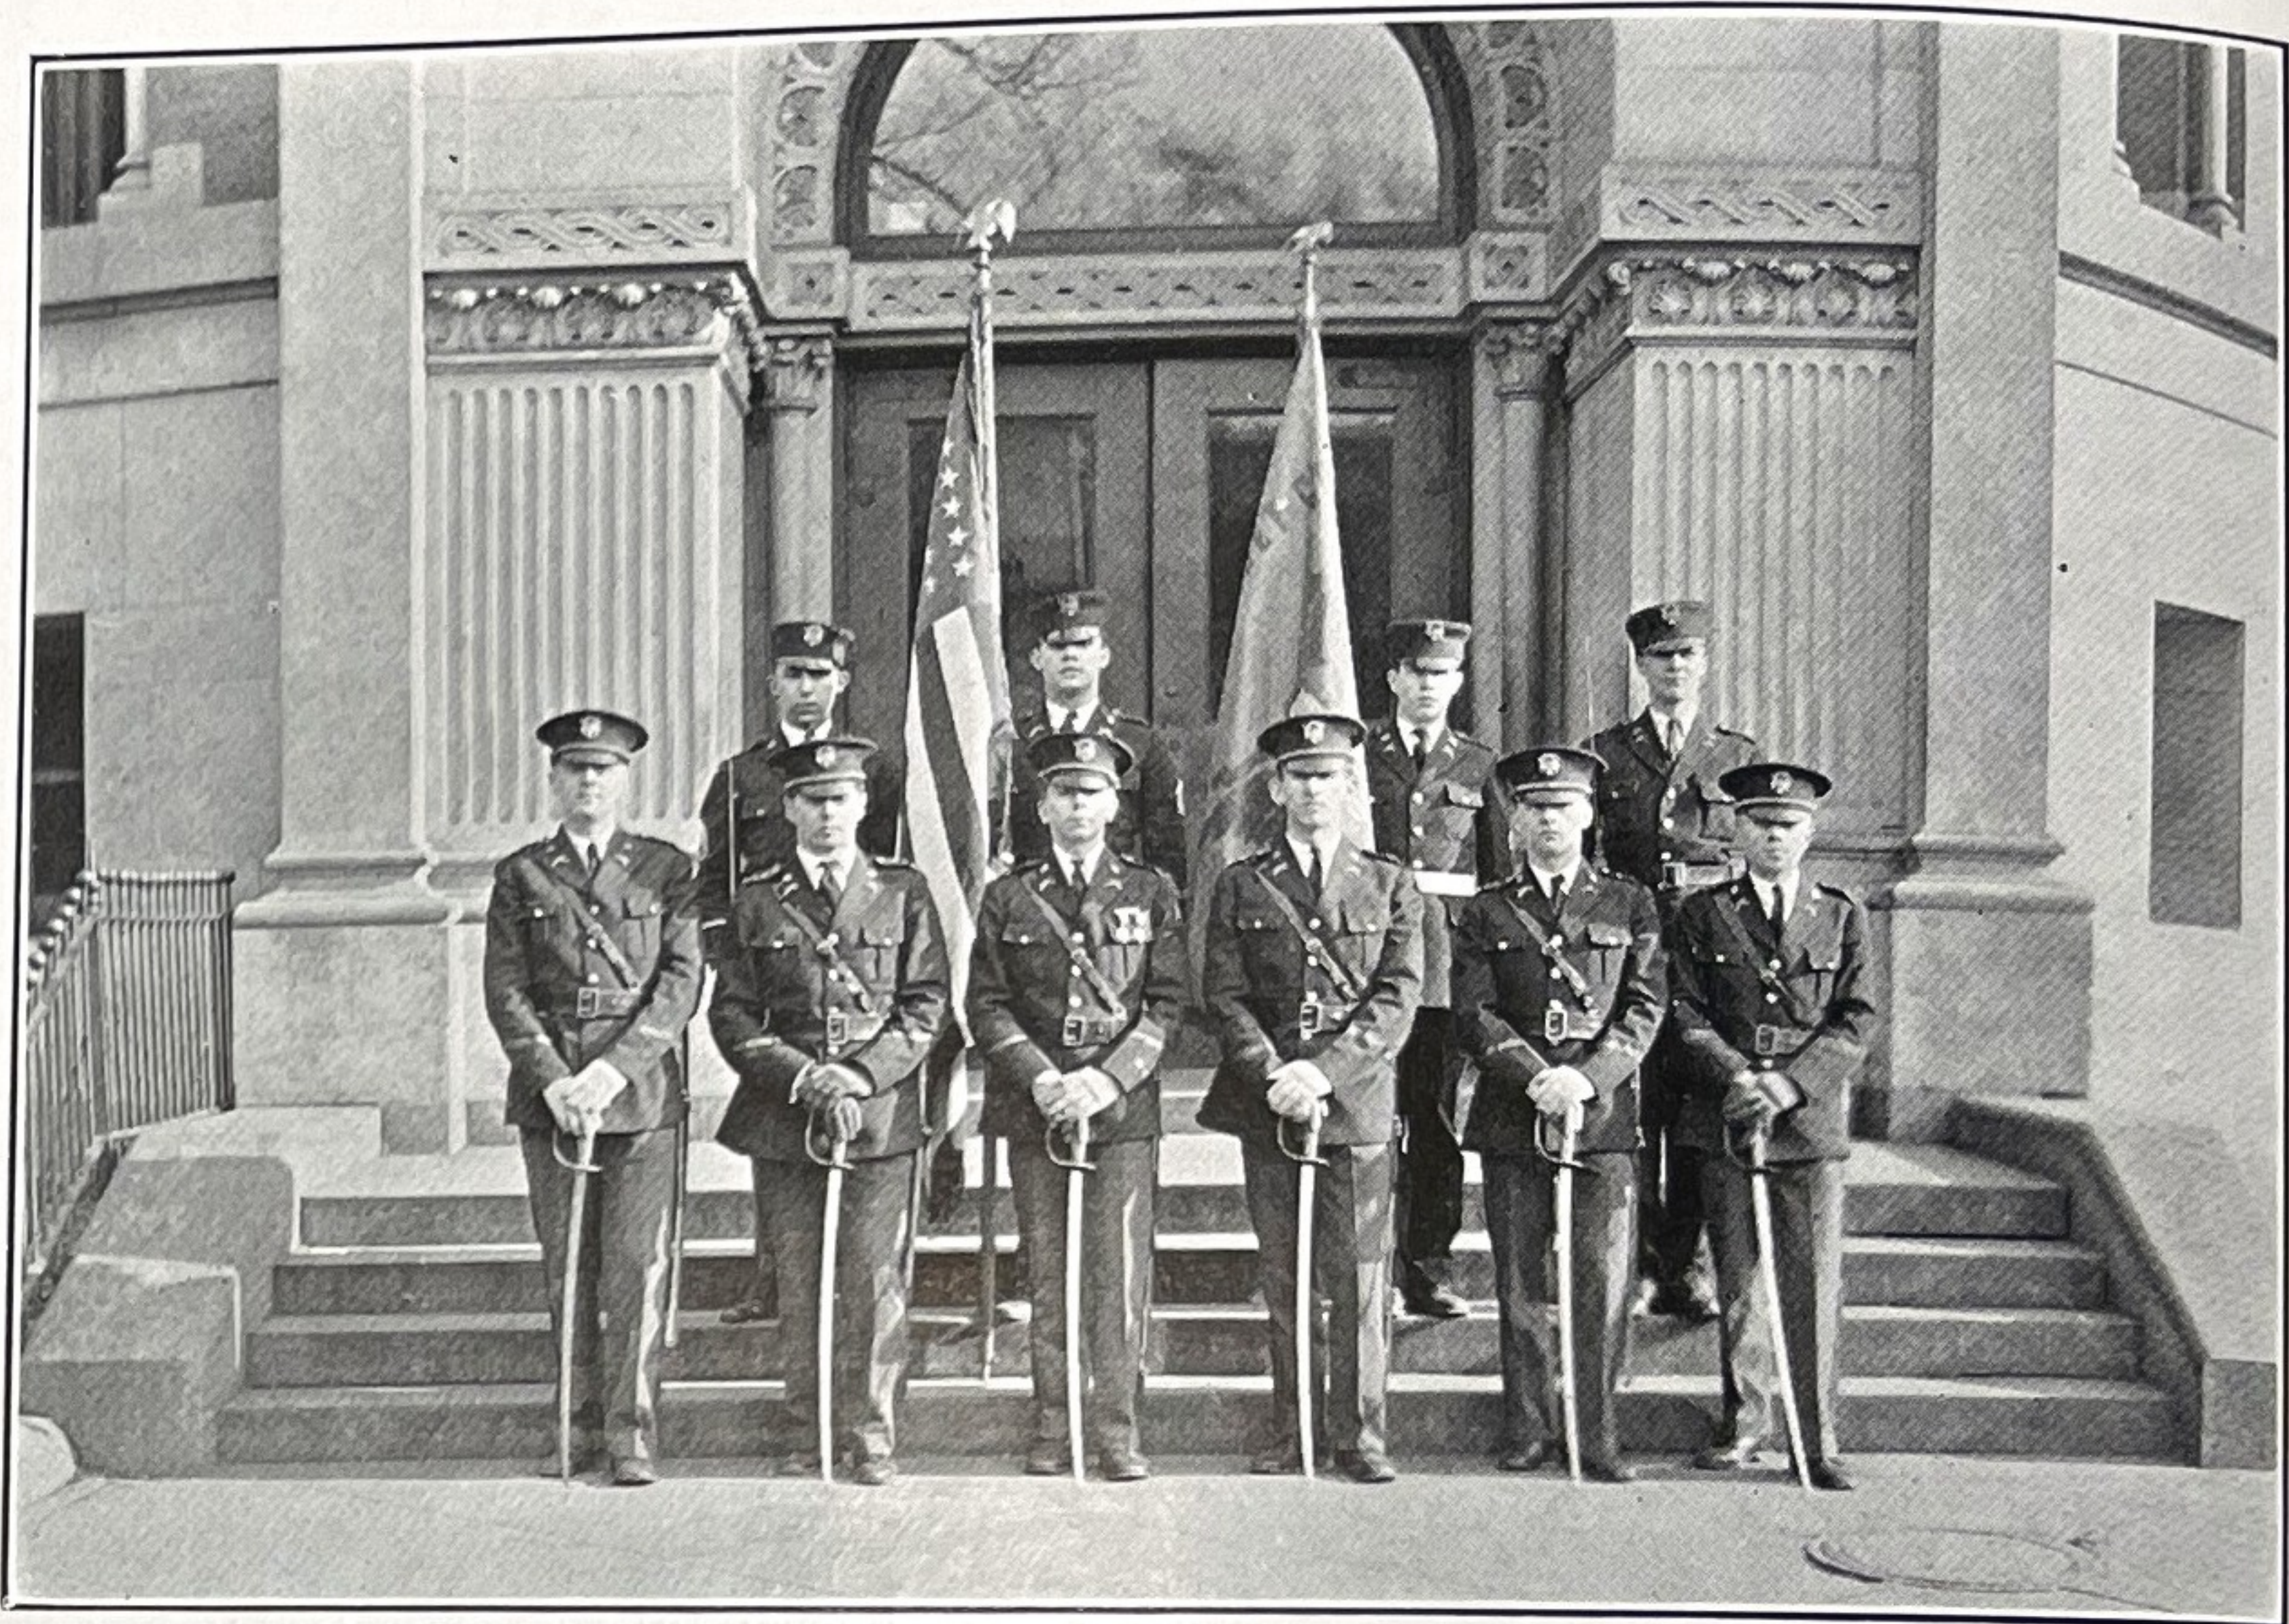

ARTING with two companies this organization, the High School Cadet Corps, has developed, through the supreme efforts of its personnel, until today it is a magnificent brigade.

The history of the cadet corps at Tech started while we were still part of Central but its real beginning was in 1903, soon after Tech was completed. Since that time Tech has won the company competitive drill three more times than any other school, and since this is the event of the cadet year, need more be said? Tech cadets have always acquitted themselves nobly in other competitions; and, even more, it can be said that the men who have borne the rifle acquit themselves nobly in the greatest of competitions—life! The Tech cadets have been foremost in the ranks of those of distinction at the comparatively recently organized summer cadet camp. Tech has always had its share of Brigade Commanders, to be explicit, more than its share. And so, an explanation of why the officers and men of the Tech companies are paid such marked respect by their classmates and teachers is clear.

From 1920 until the present year there has been a period during which Tech cadets in competition with their companion regiments have been continuously bested. In 1921 the War Games were started and until this year Tech has always rated second or third—never first.

This year beginning anew under the tutelage of Captain Van Pelt, Assistant Instructor in Military Science and Tactics, our four company battalion under the command of Major Leroy Voshall has already proved its worth. First, Company C under Captain Orin Blandford placed fifth in the brigade inspection conducted by Colonel Alpha, which, considering the early date of the inspection and the inefficiency in former years, was quite a feat; second, Company B under Captain Hugh Hussey was unofficially placed first in an inspection conducted by Colonel Deemes, and he, because of lack of time, did not even see the rest of the battalion; third, for the first time in the history of the Inter-regimental War Game Competition, Tech placed first, most likely due to the interest and ability of Captain Van Pelt and the earnest efforts put forth by Company B's team consisting of Captain Hugh Hussey, First Lieutenant Richard Essex, Second Lieutenant Spencer Hewins, and Sergeants Beall, Stelzer, Tyler and Griggs; fourth, for the first time in seven years Tech is possessed of a battalion, which has the morale, training, and efficiency in both officers and men to turn out placing companies. Perhaps we should not say that it is the best we have had for several years, for the battalions in the past years have been equally good, but always falling short because of poor instruction or lack of morale in the ranks.

And so, we believe that as you read this 1927 Techite you will also know that Tech cadets have carried on their splendid start to the full realization of our, and their, fondest hopes.

COACH LOWRY

COACH HARDELL

COACH GLENN

ELMER P. (HAP) HARDELL

CAESAR'S victories for Rome were but trifles as compared to "Hap's" conquests for Tech, his alma mater.

While a student at Tech he not only won his Circle "T" as a quarter-miler on the track team, and as a half-back on the football team, but was an honor student as well. Later at the University of Michigan he won his "M" as a lead-off man on the relay team.

In 1923 he became the Director of Athletics at Tech, where he has gained an enviable reputation as coach, whose teachings are characterized by good, clean sportsmanship and hard playing.

JOSEPH J. LOWREY

MR. LOWREY has just closed a successful season as coach to our basketball team. This is Mr. Lowrey's first year as member of Tech's faculty, and we hope that his future teams will be as prosperous as his past season's charges.

FRANK W. GLENN

MR. GLENN is also a newcomer to Tech this year. He is an ex-ball player from the minor league and has been placed in charge of Tech's diamond aspirants, from which it is hoped he will mold a championship team.

 THE team of 1926 was decidedly victorious and is to be commended for its fighting spirit, teamwork, and clean, hard playing. Some of the handicaps which the team has had to undergo in the past years were removed when, through the kindness of the Washington Baseball Club, the team was granted the use of the Griffith Stadium for training purposes.

Although the first two practice games were lost to Episcopal High School and Baltimore City College, it was there that the "Tech fighting spirit" was fully aroused. This traditional Tech quality enabled the team to crash through the inter-scholastic series without a defeat on its record.

Our able football mentors, "Hap" Hardell and his assistant, Warren Spencer, cannot be praised too much for their untiring efforts, patience, and strategy throughout the football season. We are proud to state that Coach Hardell's teams have lost only one inter-high game during his entire period of coaching at Tech. We sincerely hope that his record will continue without another blemish during the coming seasons.

In tying for the championship with Western High School, the team won two games and tied two of the total series games. Tech scored more points than all the other High Schools combined.

TRACK TEAM

FOR the past three years Tech has held the supremacy of the cinder paths. With this showing as an incentive, the team has been striving to set a record-breaking pace for the other schools to follow.

With the new Tech and its fine athletic field fast becoming a reality, it is hard to predict whether or not the future teams will surpass those that have been before. To train under the extreme difficulties that are now encountered seems to build up a determination to win in each and every contest. One of the chief worries of Tech's personnel seems to be whether the traditional Tech spirit will or will not die at the birth of the Greater Tech. If the life of this prominent factor can be insured, then our school may well be certain of a championship team in at least one or more of the branches of athletics.

Although, only Captain Blackistone and a hurdler, Blandford, remain from last year's team, judging by the performance up to date, we are confident of having another championship team.

Every day we may see Coach Hardell putting his charges through their respective paces. He does this with a sureness and precision only acquired through deep and thoughtful study of athletics and the athlete. So when such a combination of fine coaching and good material is found, we may rest assured that, barring accidents, a championship team will be the result.

BASEBALL TEAM

ALBERT GEORGENS *Manager*
 CHESTER MILLS *Captain*

WHEN this article was written the baseball candidates had only been out for a month and fast progress had been made toward the team co-ordination. For the first time in years a captain had to be chosen by the coach, due to the graduation of all the letter men of last year's team. Chester Mills, a promising player of last season's nine, was selected to bear this responsibility. In the primary practices and games, Coach Glenn was systematically building up the weak points in his slugging nine. In this work Mr. Glenn is well fitted, having been a star in the minor leagues for a considerable time. This valuable and practical training has fully established his ability as a producer of winning teams.

At first sight it appeared that the coach had lacked experienced players, however, he had a wealth of material from which he selected his choices, since no less than sixty candidates, aspiring for berths on the varsity team came out for the early spring training. There was such keen competition for these places that the last cut in the squad was no easy task.

Manager Georgens arranged a schedule of thirteen games with local freshmen and prep school teams by which our nine can get in shape for the inter-scholastic series.

BASKETBALL TEAM

AUGUST TERNEAK *Captain*
 JAMES BRADLEY *Manager*

COACH LOWREY had but a single veteran, Captain Terneak, around which to build a Tech quint. Nevertheless, there were candidates of no mean ability, but lacked the training of a drilled unit, who presented themselves as the nucleus of the regular five. There remained, therefore, the task of instilling into the squad the principles of teamwork, a task of which Coach Lowrey proved himself fully equal, as the results of the past season's team have shown.

The outcome of the first few games was all that could be expected. The team improved as the season progressed, barely being defeated in a hectic struggle with the strong Western combination. In the next contest Business provided a decisive victory for the Maroon and Gray. Although an untimely clash after the Central-Western tilt caused the series to be discontinued, it did not close the season, as many outside games were played on foreign courts. These contests have proved a valuable asset to the teamwork and co-operation to those who will uphold Tech's colors on the next year's court.

This year's team was marked by the steady playing of Captain Terneak at guard, and the brilliant scoring of Wiegel and Berger, at forward and center, respectively.

Of those on this season's squad Terneak, Wiegel, Galotta, Gaskins, Smith, and Leyking will graduate, leaving only a few around whom to construct next year's quint.

GIRLS' CHAMPIONSHIP BASKETBALL TEAM

GRACE MOOMAW *Manager*
 GLENDA HOUGH *Captain*

G HIS year the Seniors won the coveted championship. They surpassed even the Juniors and Sophomores in their ability and probably would have vanquished the Freshmen team had there been one.

Miss Cavanaugh, the new instructor, is an excellent friend and help-mate for all the girls, and especially for those interested in basketball.

All of the girls worked hard the past season. There was gym practice every Monday and Friday at two-thirty o'clock from October until the playing of the championship games in January.

The girls winning "T's" this year are Glenda Hough, Captain and star forward; Grace Moomaw, star guard and manager; Esther Eshelman center; Hazel Boyce, guard; and Elnora Knee, side-center of the Senior team. The Juniors included Catherine English, captain; Eloyse Sargent and Edna Ruth Carr. The Sophomores were upheld by Catherine Wassman and Amelia Hoeke.

The championship girls appearing in the picture are, reading left to right, Elnora Knee, Evangeline Paravano, Esther Eshelman, Glenda Hough, Grace Moomaw and Hazel Boyce.

TENNIS TEAM

EDWARD SCHULTZ *Manager*
 DAVID LEGUM *Captain*

TENNIS is one of the newest inter-high sports and places on our team are earnestly sought by the racquet enthusiasts of the school. Last year under the able coaching of Mr. Zearfoss and the spirited leading of Captain Fred Doyle the team made a very creditable showing in the inter-scholastic competitions. Though three of last year's best men were lost through graduation, we still have Legum, Rice, and Schultz around which to build a team worthy of upholding Tech's colors on the court. There are many more or less promising candidates striving for a place on this season's team from whom Mr. Zearfoss may choose his players. These selections as is the custom will be made through a series of elimination matches.

The fall tournament of last year, which was left uncompleted because of inclement weather conditions, will be played out this spring.

Manager Schultz has in view several matches, whereby our team can test its mettle against a number of prominent prep-school combinations in addition to the regular schedule of inter-high matches.

GOLF TEAM

EDWIN BURR *Captain and Manager*

THE old Scottish pastime, though a new project at Tech, is advancing rapidly. Our club, young as it is, has lost but a very few matches. The schedule for this spring will bring it against the best talent of Washington's amateur ranks. It is safe to predict that Tech's team will fight for each and every hole in its matches. From its earlier showing the team will probably be among the leaders of their class. In the Inter-High School tournament Tech predominated over its opponents by not losing a single match. Captain and Manager, Edwin Burr, proved to be a capable leader and set a high standard for his teammates to follow. Mr. Saugstad, the faculty adviser, has helped the members greatly with his lectures on the correct form of playing golf. Mrs. Saugstad accompanies the members on all of their expeditions.

THE CHEER LEADERS

"MACK" EDWARDS

"DICK" ESSEX

"BILLY" BLUM

"BILL" SPRINKLE

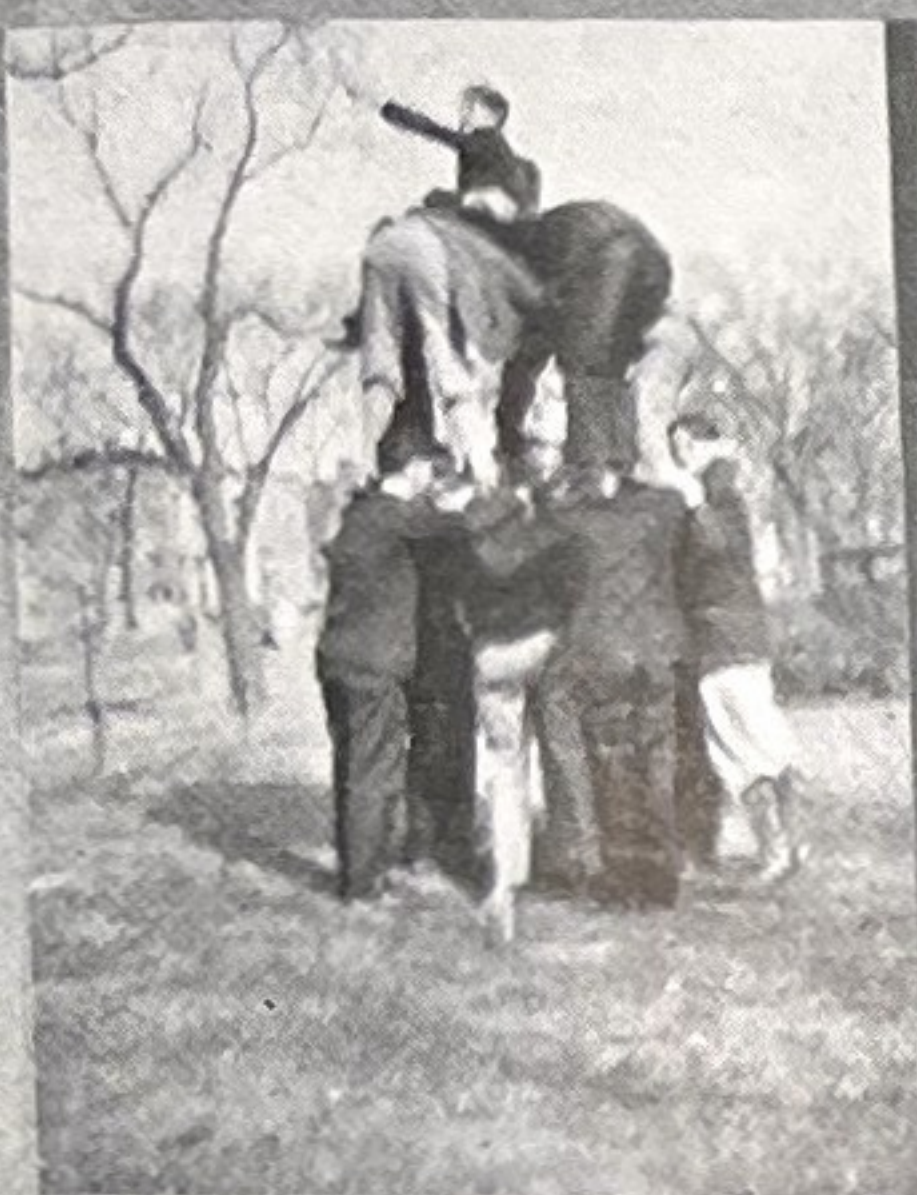

"ALL right, let's have a snappy RAZOO for the team! Everybody in on it. Let's go!"

That's the spirit that the Tech cheerleaders this year have tried to put into the student body of Tech. The cheerleaders, after their election in September, spent no small amount of time and energy in practice for the football games.

The cheerleaders put pep into the students up in the grandstand, and the yells from the grandstand put pep into the team. Primarily, that is what the cheerleaders are for: first, to get the student body to the game; and then, once there, to make them yell for the team. When the team is up against overwhelming odds and it is fighting grimly to keep their opponents from scoring, that is the time when a yell, an organized yell, will instill vigor into tired muscles, clear foggy brains, and last of all it will let your team know that you, the student body, are still behind them.

The cheerleaders also try to furnish amusement between the halves by the cheerleaders' inter-high football games, which have sprung from a game played in fun to one which is played just as earnestly as the real game. The first of these was with Western, and ended in a 0-0 tie. The second, with Central, ended in 6-0 victory for Central.

The cheerleaders' motto is: *Never let the old Tech Spirit die.* It is up to you, the student body of Tech, to see that this motto is carried out.

CLASS PROPHECY

June, 1927

DESIRING to find out what became of the class of nineteen hundred and twenty-seven, and to see how they had taken to life's big game we decided to hunt up some whom we knew well at the time, and see if they could supply the necessary information.

First, we decided to interview Admiral Hugh Hussey. During the interview with Hugh, now a high naval chieftain of great note, due to his extreme fearlessness of women, we learned that the only man he acknowledged as his peer was Thomas a'Becket, commander of the Salvation Army, the only man to be elected by the popular vote of the S. O. S. sewing circle under the direction of Peggy Parsons, who became internationally known in her campaign for glass eyes for blind mice. Admiral Hussey also informed us that others of our class of 1927 had attained high military honors. Among these he mentioned Perry Edwards, captain of the Army of Unemployed. He told us, too, that John Elsroad has continued those wonderful adventures he used to tell us about in the classes at Tech. His adventurous cravings have placed him in the high position of manager of a shooting gallery at Chesapeake Beach. The other day Hugh said he went to see Catherine Birch and Charlie Famosa sing a touching love duet in a new opera at the Auditorium. Jimmy Dance and Roberta Lightfoot are living up to their names. They are partners in a world dancing tour.

We thought John Fawcett, being a wonderful scientist, would be able to tell us something of the people of our class, so we decided to go to his laboratories. As we neared them, we heard a terrific explosion. Rushing forward to find out what had happened, we came upon Charlie himself sitting upon the ground amid the ruins of his laboratories shouting, "Eureka, I found the result of mixing dynamite and nitro-glycerine." We hurried to the pathetic scene only to bump into Chief of Police Wilfred Sprinkle and Fire Chief Alvin Wassman in pursuit of their duty, which was at that moment to find out what the excitement was all about. Sprinkle between breaths informed us that he had just met Joseph McCann, now the head warden at Sing Sing.

Just then Henry McDonald came driving up in a bright new Fordson tractor. He told us he was a scientific dairy farmer, and that he was famous for the phrase, "Contented milk from contented cows". On our way from Prof. Fawcett's we caught a glimpse of Felisa Jenkins, the noted movie vamp, driving by in her limousine. Sitting beside her was her husband, Johnny Green, maker of those famous radios, bearing that well known advertisement, "Buy a Green radio and make your neighbor green with envy."

Speaking of movies, we just heard that Richard Hunter has managed to acquire, by his wavy hair and school-girl complexion, a leading part in the new production of that master director, Billy Blum.

THE TECHITE 1927

++-----++

We paid a visit to Tech, our Alma Mater, the next day in pursuit of knowledge of our former classmates. We were greeted by none other than Helen Daniel, the Dean of Girls in the big new Tech. She told us that another of our class was at school, Louis Zano, who as Hap's assistant is trying to make fast ones out of slow ones. It was just time for lunch when we left Tech, so we made our way to Child's. Imagine our surprise when we bumped into the new manager of that establishment, Israel Grossberg. While talking with us he mentioned the fact that those famous flapjacks that we were eating were made by an old friend, his chef, Bill Armstrong, whose life nowadays is just one turnover after another. We took a car for the capitol after our repast. Upon alighting in front of that famous building, we were nearly knocked down by an Orange and Purple taxi driven by Malcolm Edwards, who has proved to be just as reckless in later life as he was in his high school career. By an act of contortion we escaped. On our approach to the stupendous dome-topped edifice, we were greeted by the strains of the *High School Cadets March*, from the grind organ of Jimmy Bibb. One could easily tell he was from Tech by his technique. His valuable training in tempo with our school orchestra enabled him to grind slowly or rapidly in accordance with the character of the selection. Upon slightly disturbing several blades of grass of the Capitol lawn, we were accosted by the melodious voice of Head Ground Keeper, Ellis Robey. Mr. Robey told us that we would find a number of other classmates inside of the building so, accordingly we bent our steps in that direction. When we at length had gained access to its sacred portals, our steps led us by force of habit to the gallery in the House of Representatives. We were greatly pleased to see the sex so famed for argument using that weapon as members of the House. We found Longworth's successor as Speaker was Wilhelmina Gude. Miss Gude's diminutive stature did not prevent her from keeping the rest of the assembly from falling asleep by her beautiful oratory. One of the ablest of the Congresswomen in the hall was Margaret Faulconer of the Ways and Means Committee, who had been found fit for such a responsible appointment because of the many ways and means she had found of getting through Tech without ever soiling the bright clean pages of her textbooks. Since there was no interesting business on hand, we proceeded to the Senate. Due to the absence of Vice-President, Cecil Down, who with Secretary of State, Leo Schrider, was giving profound thought to the affairs of state between holes on the links of the Congressional Country Club, President pro-tempore Fred Morhart had assumed charge of the assembly. Apparently politics had not helped to fill our Fred's slim figure, which was how we were able to recognize him.

We were in a hurry, one thing that Tech had never taught us, so we left with Mr. Morhart's stentorian tones still ringing in our ears. Once outside we bought a copy of *Society Scandals*, edited by none other than our old friend, Thomas Hall. We noticed as we perused its pages, a column entitled "What Paris Decrees for the Well-dressed Man" by Tom Garver. Next to it was Miss Martha Williams' "Advice to the Lovelorn". It quite startled us to see so many of our former classmates taking to journalism. We started on, but had not progressed very far before our at-

tention was arrested by an enormous poster advertising Pat Marshall's Wild West Show, with star performers in Orin Blandford and Paul Fellows. Knowing of their previous experience on F Street we were not surprised at their excelling at this profession. We had not walked far before we came upon another comrade of our stay at high school, Sam Shaffer, with his clerk, Harry Davidson, standing in front of his second-hand clothing store. After exchanging a few words with them, we again started, only to be brought to a stop by the sign over an imposing array of edibles, *Daniel Galotta, Fruit Dealer*. Thinking that we might chance on some former acquaintances of Tech days, we bent our steps toward F Street. On our way up, we passed that well-known beauty shoppe of Charles Marcellino, who is assisted by Helen O'Neil in attempts to help Washington ladies in their search for beauty. We passed on toward F Street, but our way soon became blocked with traffic, and it was only with great difficulty that we pushed ourselves far enough forward to see the cause of the trouble. Deaf to all horns, Traffic Policeman Augie Terneak was busily engaged in cranking the new Ford of Eleanor Stutler, the well known authoress of the popular novel, *The Answer to a Maiden's Prayer*, and also *False Dictionaries*. Standing beside him telling him just how to do it, was Herman Bretler, Chief Street Car Inspector. After a good deal of persuasion, generally necessary with Fords, it started. We also started on, minus the persuasion, but hardly had we taken a dozen steps before our way was again blocked. We saw a familiar figure whom we realized was Jack Martin just descending from his 24-cylinder Packard to appear in the matinee performance of *Why Women Leave Home*. On the same bill is Alvin Thaden, who is famous for his melodious syncopations on his uke. In the crowd we noticed Grace Moomaw, who has had plenty of excitement in her life since she married Robert Horne, the Human Fly. On the outskirts of the crowd we also distinguished the daredevil, wild western movie actor, Stanley Tenny. Standing close beside him was Frank Kelly, who having held the record of never having been early for section while at school, is fitted perfectly for his present profession of making Ingersoll watches. In the crowd, too, was Robert Riley, and Edwin Seaton, captain and first mate of the popular Charles Macalester. As we made our way out of the crowd another sign bearing these words caught our eye, "Gertrude Louis, Exponent of All Kinds of Aesthetic Dancing." As we passed by we saw Gertrude's assistant, Hazel Smith, teaching Barbara Stacy to toe dance. Just at that moment a clanging bell claimed our attention. Up dashed an ambulance, and out of it, as wide awake and alert as he ever was at Tech, stepped Fred Kalhoun, the doctor. Close behind him to be ready in case of emergency was the firm of undertakers, Voshall and Gotthardt. However, they were cheated of some trade as Kalhoun fixed up the casualty all right. A little farther down the street we ran into Judge Harry Booth, who has charge of the Juvenile Court. The Judge told us that Jack Hall was a successful and rapidly rising physician, due probably to the fact that only eight out of the last twelve patients had died on his hands. The other four saw his new nurse, Helen Smith, and improved wonderfully after that. Harry told us, too, that James Clough had made a lot of crooked dough; he was a pretzel

manufacturer. Recently, the Judge said, that by brilliant oratory John Keta, the noted lawyer, had in his latest case not only convinced the jury that the prisoner was not guilty but had convinced the prisoner himself. A voice interrupted our talk, and turning we saw Blake Espey, who is now a manufacturer of axle grease for channel swimmers. Blake said he had just outfitted with a complete covering Grace Randall, the great channel swimmer, who is making her hundred and eighty-ninth attempt to swim the Catalina Channel. He informed us also that Alice Mayo got this year's Carnegie Medal for Bravery in saving lives. She saved two people from drowning. She caught them in the act of jumping off of the dock and talked them out of it. After leaving the party, we watched a band coming down the street. Well to the front we noticed Jullien Winemore playing a musical drum solo. Near him marched Willard Peck, putting in a few touches now and then with his trumpet. Which reminds us that Margaret Tolson is so famous now as a pianist that Paderewski gave up in disgust and is trying to earn a living another way. She always plays on a Shurman piano built by Phillip Shurman, another of our class of '27, who was inspired to build better pianos from listening to those at Tech for four years. We were getting so used to stopping and starting that we hardly realized it when we stopped again to admire the sign advertising Robert Burton's fresh water taffy. We entered to try some. After the first bite we decided that the name was very appropriate. We started to leave, but were forced to stand aside while three important personages came in. They, we discovered, were Florence Leighty, the well-known president of the Society for the Suppression of Vice, with her two assistants Viletta Wilmoth in charge of the department to prevent the wearing of loud colors, and Mildred Barnes, in charge of the department for tobaccoless cigarettes. Florence, it seemed, knew quite a bit about what had happened to our former fellow-students, so she told us a little. Isabella Young has found her life's work. She is manager of the Lydia Pinkham Medicine Co. Virginia Allen is secretary to Mr. Wrigley and needless to say she certainly advertises his products. Judy Walton decided that she had a grudge against the world, so in an attempt to make everyone miserable she now superintends the making of Castor Oil. Barny Smith and his inseparable companion, Buck Gaskins, are risking their lives every day in pursuit of their profession. They are basketball referees at local high school games. The next thing we learned from her was that Frank Stutz and Dick Essex decided to put their names to some advantage, so they are salesmen now for those motor cars which bear their name. Edith Adams, it seems, and her melodramatic acting caught Charlie Chaplin's eye, and now she is his leading lady. Anita Anderson and Bertha Babinski are fiery orators touring the country lecturing on *The Advantages of a Small Assembly Hall*. Olga Sonnenberg and Julia Durand are spending their Friday afternoons at the ball park admiring the classical nose of Goose Goslin. Charlie Achstetter and Milton Boyer are helping out the city of Washington and likewise the sausage manufacturers by catching all the stray dogs. So ardent is their zeal that Mrs. Coolidge found her white collie in the dog-catcher's cart.

Knowing Hazel Boyce's position as society editor of the New York Times would enable her to give us some interesting information about those of our class, we journeyed to that great metropolis. Most people found it very difficult to approach this great woman but evidently she had not forgotten the time we told her, during an English test, that Shakespeare was born in 1564, so we received from her the following valuable information: Ruth Miles and Virginia Foster are noted social climbers, and rivals for the hand of the Prince of Wales. Hazel said she was present at the wedding of Glenda Hough, who took for better or worse, another of our Tech alumni. Strange to relate the happy couple did not go to Niagara on their honeymoon. Jimmy Bradley is a social lion nowadays, and Spencer Hewins, his constant companion, has an idea that he must then be a social tiger. Kenneth Frisbie and Harry Burgess after reading a few Sherlock Holmes' books, started a private detective agency. Their success was probably due to their motto, "We would walk a mile to catch a criminal." We were shocked, however, to hear that John Lathrop and Bruce Fowler are millionaires because they took up that brutal sport of prize-fighting. According to Hazel, Gregg McClurg and John Griffith are quite high up at present. They are doing well as aviators. Katherine Lamon and Gwendolyn Sarget have just returned from a missionary trip to the Fiji Islands. It is rumored that Gwendolyn considers the natives' intelligence on a par with that of the rookies at Tech. Franklin Fairfax and Bertrand Richter by means of their bright colored locks, have been chosen to represent and advertise Machand's Golden Hair Wash. Franklin is supposed to represent the first stage and Bertrand Richter the second. Carl Klatt and Jason Mathews just went bankrupt trying to sell garters in a college town. Mary Bibb is now working in a Woolworth's Ten Cent Store at the baby department selling waterproof chest protectors for infants. Joseph Sesso and Robert Weintraub are now famous sea-food vendors. Their fish are so fresh that they insult every lady that comes into the store. We were forced to leave Miss Boyce at this point, so having acquired an appetite by this time we betook ourselves to the Ritz-Carlton for a slight repast. Standing ready to conduct us to our table was Alfred Gross, the head waiter, who in his twenty years of experience in that institution had been able to find out quite a bit about those in whom we were interested. He imparted this knowledge: William Oehman's jazz orchestra consisting of James Duvall, William Leyking and Herman Morris is enhancing the enjoyment of Mrs. Ritz's home cooked meals with their melodious strains. He mentioned that Albert Georgens and William McHenry are bringing knowledge quickly to the ignorant by means of a correspondence school they are running. Ruth Bitting the well-known authoress, has just finished another serial for the Snappy Story Magazine. Guerry Smith grew a set of whiskers and is now doing extremely well in the cough drop business. We were informed too that Martin Derrick tells more untruths than anyone else. By expecting just the opposite of what Marty tells them, the people of the country usually come out all right. Marty is the new weather man. Faithe Howell and Constance Myers went out to Texas, and following the general precedent of the women of that State, have started running for Governor

against each other. Harriet Deignan and Betty Brush felt that they had the gift of foresight, so they have become fortune tellers. Two of our former classmates who are heard a good deal lately, but seen little, are Joseph Buscher and John Harris. They are radio announcers for WRC at Washington. Annie Stolar and Genevieve Moreland have decided to tour Europe managers of *Abie's Irish Rose*, which is in its sixty-ninth year and still going strong. Richard Schmidtman has returned to Tech as cadet instructor and has just won the drill for the first time in twenty-five years. Thomas Evans and Wilbert Wagener, as manager and superintendent of the Heinz plant have charge of about fifty-six of the original fifty-seven varieties. Norville Newton is touring the country as one of Ziegfeld's headliners in his new musical comedy, *Sobs and Heart-breaks*, written by Horace Rose and Leroy Adams. Shaw Blackistone the athletic director at Smith's Girls College, has just announced his enagement to Jane Marshall, who has worked hard to uplift and make Takoma Park the paradise of Washington. Sherwood Bratt and Webb Hudson have charge of a large bakery widely known by the slogan "When better bread is made, it won't be our fault." Omer Jeter when last heard of was billed as the strongest man in the world and was bending iron bars with his teeth. La Verne Miller and Ruth Saltzman the famous women explorers are just back from Africa. They are the first women to drive a Ford across the Sahara. Marvin Jaeger and Harry Brill used to inhabit the ten-cent stores so much that they grew to know the business and now have a chain of stores themselves. "Heard as well as seen" seems to be the motto of Albert Jones and Elmer Ross. They are selling a snappy line of neckties for one of our leading haberdashers. Frances Butterworth and Elnora Knee are selling real estate in Florida. They can only sell lots at low tide. Since Louis Keyes was appointed Secretary of the Treasury, he has been afraid of bandits and every night he goes down with a shotgun and watches to be sure that none ever come. Alvin Lemp has become a multi-millionaire over night by vending pre-Volstead beverages. Eleanor Webb is now giving music lessons. Due to her excessive rates she caters only to the elite. Eleanor charges the exorbitant sum of twenty-five cents a day. Henry Marks and David Miller attempted to make their life's work the bee industry, but sad to relate they got stung. Edna Ruth Carr has at last written the great American epic entitled *To a Shrinking Violet*. William Nigh's profession of painful dentistry has put fear into the hearts of all small boys. Closely in league with him is Stuart Row who peddles tooth-paste. His only complaint was from Charlie Thompson who said that after trying for the entire week he was unable to make his teeth stick in with Row's product. Marion White is now limited to milking only two thousand cows a day on her farm, first, because ill health forbids her over-exercising, and secondly, because that is all the cows she has. Howard Humphreys, her hard-working husband watches and gives directions between pages of the Pumpkin Center Gazette. Albert Sciacca and James Shotwell conduct a life-saving establishment at North Beach, Maryland. Albert sells the peppermint life-savers and Jimmy the wintergreen. Last but not least is Bertha Noble whose modernistic drawings are noted for their precision

in form, and George Wilkinson, the highly respected new mayor of that suburb Georgetown.

By the time this appears for scrutiny before the public eye, we shall have retired to points unknown. Through unexplored routes we shall have made our way to the little known region around Falls Church, in order to seek peace and seclusion after the strenuous business of writing the foregoing manuscript.

Yours very truly,

TROUBLE BOTH WAYS

 GEORGIA lawyer tells of a darky charged in a town in that state with theft. His lawyer decided to put him in the box in his own behalf. The magistrate, being doubtful if the darky understood the nature of an oath, undertook to examine him on the point.

"Henry," he said, "you know what will happen to you if you tell a lie?"

"Yes, suh," said Henry, "I'll go to hell and burn a long time."

"Quite right," replied the judge. "And now you know what will happen if you tell the truth?"

"Yes, suh," said Henry. "We lose the case."
